Memoirs by Trixie Neal

Living with LDS Alcoholics Memoirs by Trixie Neal, 2023-03-21 Trixie grew up as the oldest sibling in her family, active members of The Church of Jesus Christ of Latter-day Saints. Alcoholism was present but well-hidden throughout the early years of her life and beyond, with the kind of impact on family dynamics that have been documented repeatedly and featured in novels, biographies, and movies. The unique twist here is the prohibition against alcohol in the Church, which adds another level of complexity and healing to the recovery process. How safe is it for a family in distress to openly discuss the root cause of the problem in a faith that espouses abstention and has a shadow side of making judgments? Trixie's objective in sharing her memoirs is to give others struggling with addiction consequences an enhanced hope through the Atonement of our Savior Jesus Christ.

Church History Study Guide, Pt. 3 Randal S. Chase, 2012-05-31 Latter-Day Prophets Since 1844. This volume is the third of three on Church History and the Doctrine and Covenants. It covers Church history during the administration of all of its Prophet-Prophets since Joseph Smith. It begins with the succession of the Apostles after Joseph Smith's martyrdom, the building of the Nauvoo Temple, and the trek to the west of the Latter-day Saint pioneers. We follow them through Iowa, Winter Quarters, and on to Utah. We witness the colonization of the state of Deseret, while the rest of the country suffered from Civil War. Then we follow events through the administrations of all of the 19th-Century, 20th-Century, and 21st-Century prophets from John Taylor to Thomas S. Monson. We become familiar with the early lives, missions, marriages, and callings of each of these prophets, seeing how the Lord prepared them for the particular time that they led the Church. We finish with a look toward the future as we await the Second Coming of our Lord. The cover features a beautiful photograph of the Salt Lake Temple, taken at dusk during the Christmas season from the roof of the Joseph Smith Memorial Building.

Academia's Golden Age Richard M. Freeland, 1992 This book examines the evolution of American universities during the years following World War II. Emphasizing the importance of change at the campus level, the book combines a general consideration of national trends with a close study of eight diverse universities in Massachusetts. The eight are Harvard, M.I.T., Tufts, Brandeis, Boston University, Boston College, Northeastern and the University of Massachusetts. Broad analytic chapters examine major developments like expansion, the rise of graduate education and research, the professionalization of

the faculty, and the decline of general education. These chapters also review criticisms of academia that arose in the late 1960s and the fate of various reform proposals during the 1970s. Additional chapters focus on the eight campuses to illustrate the forces that drove different kinds of institutions--research universities, college-centered universities, urban private universities and public universities--in responding to the circumstances of the postwar years.

Navigate the Strait Bradford G. Smith, 2020-12-23 A dying father's testimony to his children about faith, covenants, and eternal life. *Navigate the Strait* is an insightful look at one man's journey through an active life of teaching in The Church of Jesus Christ of Latter-day Saints, which is ending in the slow, downward spiral of ALS, also known as Lou Gehrig's Disease. Yet his happy, sustaining faith and his love for his "all caring" Tiffany and their three children, Lincoln, Edison, and Abigail, drive his passion to finish this book. He wants his family and friends to KNOW him better after the disease will likely take his life. This book is a must for anyone who wants to teach, understand, or gain the strength to live the gospel of Jesus Christ..

You will find in it stories, ideas, and teaching examples that express the doctrine of Christ in simple ideas that make life better. I'm just a normal guy with a testimony of Jesus Christ. Then I got ALS. Bummer. ALS is taking away everything that I am good at: speaking, typing, fixing things, hugging my wife and children. I am writing this book with one finger on a mouse or with my eyes controlling my iPhone. On the bright side, I finally have something in common with Stephen Hawking. Now that my disease has reduced my life to complete dependence on others, what am I worth? Well... I am still a good teacher. I love my Savior. I love the restored gospel of Jesus Christ. I look at the gospel in a nonlinear fashion, thinking critically about how gospel teachings connect to one another and to our personal struggles. If all truth is circumscribed into one whole, we need to think deeply, and sometimes creatively, about how the gospel connects to us and to others. Since ALS will take my life, I will likely not be around to teach these ideas to my kids in the moment they need a lesson. I pray that this little book of "Dad's testimony" will help my children and grandchildren as they grow and need answers to their questions. If you happen to read it, and if it helps you on your journey, that's great too. When we meet, let me know what you liked. Most of my writings are about The Church of Jesus Christ of Latter-day Saints. While I present many ideas within the framework of church doctrine and culture, I hope that anyone can learn something useful from what I have learned. I am no scriptorian. I have never taught religion at BYU. I don't know the location of the Ark, the lost tribes of Israel, the Book of Mormon cities, or Nikola Tesla's death ray. These ideas are my own, based on my prayerful study of doctrine and scriptures. But don't just take my word, go to the source and see for yourself! If anything in this book conflicts with living prophet, then I am wrong. Stick with the prophet. I do know that Jesus Christ is the Savior and Redeemer of all mankind. I know that he loves you and me—even when life gets hard. If you have never looked into The Church of Jesus Christ of Latter-day Saints, I encourage you to visit ComeUntoChrist.org to learn the basics. You can ask questions and even invite missionaries to visit your house and share a message with your family. You will discover that the kingdom of God has been restored to the earth in The Church of Jesus Christ of Latter-day Saints. You will hear about a living prophet of Christ on the earth who speaks with authority like Moses, Elijah or Peter. And you will learn more about Jesus Christ in the Book of Mormon as a companion to the Bible. That is what we mean when we say "it's true." This book is my attempt to dive deeper into those simple truths. It is organized by topic, so feel free to jump around— and to jump out to the scriptures. I hope this book makes you happy.
