

# How To Be Rich Paul Getty

**Richard Conniff**

**How to Be Rich** J. Paul Getty, 1986-09-01 Learn J. Paul Getty's secrets on making money and getting rich in this "excellent How To book from a \$\$\$ and sense man" (Kirkus Reviews). There are plenty of books on making money by men who haven't made much. But if J. Paul Getty, who Fortune magazine called "the richest man in the world," doesn't know how, who does? Here the billionaire businessman discloses the secrets of his success—and provides a blueprint for those who want to follow in his footsteps. And he goes beyond the matter of making money to the question of what to do with it. "Getty says it: 'You can be rich.'"—New York Herald Tribune "Aimed at the rising young business executive."—Albany Times-Union

*All the Money in the World* John Pearson, 2011-12-01 Inspired by the most infamous incident involving the Getty family - now a major film directed by Ridley Scott, starring Mark Wahlberg, Michelle Williams and Oscar® Nominee Christopher Plummer Oil tycoon J. Paul Getty created the greatest fortune in America - and came close to destroying his own family in the process. Of his four sons who reached manhood, only one survived relatively unscathed. One killed himself, one became a drug-addicted recluse and the third had to bear the stigma all his life of being disinherited in childhood. The unhappiness continued into the next generation, with the name Getty, as one journalist put it, 'becoming synonymous for family dysfunction'. Getty's once favourite grandson John Paul Getty III was kidnapped by the Italian mafia who cut off his ear to raise a ransom and, after a lifetime of drink and drugs, became a paraplegic. His granddaughter Aileen has AIDS. And the Getty family itself has been torn apart by litigation over their poisoned inheritance. But did the disaster have to happen? John Pearson, who has specialized in biographies of families as varied as the Churchills, the British Royal Family, the Devonshires and the Krays, sets out to find the answer. The result, first published in 1995, is a fascinating saga of an extraordinary dynasty. He traces much of the trouble to the bizarre character of the avaricious, sex-obsessed billionaire, J. Paul Getty himself - and demonstrates how much of his behaviour has been repeated in succeeding generations. He describes the famous kidnapping of his grandson in graphic detail, revealing how the old man's attitude added considerably to the boy's sufferings. And he shows how the family has coped with the latest modern scourges: drugs and AIDS. For *All the Money in the World* is not a hopeless story. While some of the family have been damaged by the Getty legacy, others have saved themselves from disaster, most notably the cricket-loving philanthropist, J. Paul Getty Jr. Pearson's moving story of his recovery from drugs and deep personal tragedy shows that there is hope for future generations of this stricken family - and

demonstrates that money can be used to buy survival and even happiness.

*Painfully Rich* John Pearson, 2000-03-01 This biography of the oil tycoon who created the greatest fortune in America -- and came close to destroying his own family in the process -- is a fascinating saga of an extraordinary dynasty. Of Getty's 4 sons who reached manhood, only one survived relatively unscathed. The unhappiness continued into the next generation, with the name Getty, as one journalist put it, 'becoming synonymous for family dysfunction'. Pearson traces much of the family trouble to the bizarre character of the avaricious, sex-obsessed billionaire, J. Paul Getty himself -- and demonstrates how much of his behavior has been repeated in succeeding generations. Includes B&W photos.

**Painfully Rich** J. Pearson, 1996-05

**The Very, Very Rich and How They Got That Way (Harriman Classics)** Max Gunther, 2021-09-07 Max Gunther's classic study of the super rich - now back in a new edition. *The Very, Very Rich and How They Got That Way* provides revealing insights into the intriguing world of big money, recounting the spectacular success stories of 15 people who made it to the very, very top. In 1972, Max Gunther invited readers to take a journey with him through a gallery of America's most prominent millionaires. The inhabitants framed here are by no means merely ordinary millionaires, though - the minimum qualifying standard to be considered for inclusion was ownership of assets valued at \$100 million or more (the equivalent of \$650 million today). This classic is now nearly 50 years old but its value endures, since the key steps on the route to wealth do not change with time. These secrets can be learned from, adapted and applied by anyone today.

QFinance, 2009-10-13 Compiled by more than 300 of the world's leading professionals, visionaries, writers and educators, this is THE first-stop reference resource and knowledge base for finance. QFINANCE covers an extensive range of finance topics with unique insight, authoritative information, practical guidance and thought-provoking wisdom. Free access to QFinance Online Resources ([www.qfinance.com](http://www.qfinance.com)): Get daily content updates, podcasts, online events and use our fully searchable database.

How to Become Rich at Any Age - The Quickest Way to Increase Your Prosperity Glenn G. Dewey, 2006-10-06 It works - for everyone! How to Become Rich at Any Age will outline the characteristics and habits of those who succeed in life and make more wealth at an earlier age than most. Times may change, but the attitudes and behaviors for building wealth are timeless. The earlier you learn them, the wealthier you become. It's your choice. Do you want to be rich or do you want to be poor?

How to Get Rich Felix Dennis, 2008-06-12 Uncover the secret to financial success with advice from self-made millionaire Felix Dennis. Felix Dennis is an expert at proving people wrong. Starting as a college dropout with no family money, he created a publishing empire, founded Maxim magazine, made himself one of the richest people in the UK, and had a blast in the process. How to Get Rich is different from any other book on the subject because Dennis isn't selling snake oil, investment tips, or motivational claptrap. He merely wants to help people embrace entrepreneurship, and to share lessons he learned the hard way. He reveals, for example, why a regular paycheck is like crack cocaine; why great ideas are vastly overrated; and why “ownership isn't the important thing, it's the only thing.”

**The New York Times Book Review**, 1995-11

**Painfully Rich** John Pearson, 1995 When J. Paul Getty died in 1976, he left a fortune of four billion dollars to be divided among nineteen heirs, and the author examines the sometimes disastrous effects of this money on its recipients

**National Union Catalog**, 1956 Includes entries for maps and atlases.

**The Natural History of the Rich: A Field Guide** Richard Conniff, 2003-10-17 Conniff probes the age-old question Are the rich different from you and me? This marvelously entertaining field guide captures in vivid detail the behaviors and habitats of the world's most captivating yet elusive creature.
