Winning With Honour: In Relationships, Family, Organisations, Leadership, And Life Siong Guan Lim,Joanne H Lim,2016-04-25 Following the success of their first book 'The Leader, The Teacher, & You', which won the Singapore Literature Book Prize in the Non-Fiction Category in 2014, Siong Guan and Joanne H Lim have collaborated again to produce their new book 'Winning with Honour: In Relationships, Family, Organisations, Leadership, and Life'. The book draws upon wisdom from history, geography, culture, religion, the wisdom of the ancients, as well as writings and examples from all over the world. The book posits that there is a universality in the message of Honour that can prove valuable to all who would care to reflect on how to sustain success in one's life, family, community, organisation and/or nation.The purpose of this book is to invite you to think about what winning in life actually means, and seeks to raise consciousness about the virtue of Honour in our lives, particularly in the two dimensions of 'Honouring Our Word' and 'Honouring Each Other'.Segmented into 10 parts and drawing from a collection of wisdom literature, the book posits that Honour does not just explain Singapore's journey from Third World Economy to First World Economy in a generation, but is an essential virtue that undergirds purposefulness in life, happiness in family, stability in society, advantage in business, success in leadership, and security in the nation. Written in a unique format that is accessible to people from all walks of life, the book seeks to showcase what is possible if imagination and human enterprise are coupled with honour.

Crack the Customer Mind Code Gary Hennerberg,2016-01-26 Crack the Customer Mind Code upends customary marketing approaches and takes a deeper approach to more successful selling. Based on an analysis of successful marketing campaign patterns, Crack the Customer Mind Code teaches the reader how to align marketing messages that leverage the mind's natural progression to "yes" through seven steps: 1) identify the persona, 2) stimulate emotion, 3) calm the mind, 4) position or reposition, 5) engage with story, 6) interpret the outcome, and 7) lead prospective customers to give themselves permission to act. With this proven process, organizations can create stronger sales-producing marketing campaigns when the message is aligned with the way in which marketing information is absorbed and processed.

Mama Is Still Here! Norris Lee Roberts Jr. Ed.D.,2013-03-15 *Mama Is Still Here!* Is a true story of an educated and accomplished African-American woman who was raised in the state of Mississippi between the 1940's and 1960's. Daisy: a wife, mother, and everyone's favorite sister, aunt, and friend, is admired for her swagger and confidence. But she finds her life spiraling out of control because of impaired memory lapses due to Alzheimer's disease. The devastating diagnosis crushed Daisy and her husband's world, and the world of their adult children. Initially, the way each family member connected to her was at some level of denial and/or anger. The author, Daisy's son, shares their story and his personal grief. The author also shares his observations and the memory of his mother before and after Alzheimer's diagnosis. The scriptures and prayers at the end of the chapters are a very nice touch, and the epigraphs are very successful at conveying the tone of each chapter. SeniorAdvisor.com, the nation's largest reviews and ratings source, helps millions of consumers every year find the best resources and senior care for their loved ones. Professional assistance for caregivers and families experiencing the daily ups and downs of Alzheimer's disease is being provided - free of charge - to the readers of *Mama Is Still Here*.

Unbroken Spirit Lydia F. Guise, 2023-01-24 The woman in Revelation 12 is somewhat of a mystery because the Holy Bible only gives a snippet about the woman, and a lot of folks have their own interpretation, but I have a theory too. I myself never gave the woman too much thought until 2012 because the Book of Revelation is hard to understand. However, God provided me with the tools, clues, and signs that I needed to help me understand the woman and her struggles. I also believe when folks think about people of the Bible, they don't think about someone in the here and now, only in the past. I too had that same mind frame until God allowed Jesus Christ to open my heart and show me the signs that opened my mind. Here are a few things that were placed in my hands to help me understand. These books called *Warning! Revelation Is About To Be Revealed*, *Understanding the End of Times*, and *Revelation Explained at Last!* I happen to believe that we're living in the times of the Book of Revelation because I just feel it in my spirit; and the way we treat each other, it's very unsettling. I see our world is becoming like a volcano that's getting ready to erupt. I feel that way because I see the lack of kindness, compassion, and empathy that we humans have for one another, and it's getting worse every day. In Matthew 24:15, it talks about *The Great Tribulation*. It states, *Therefore when you see the abomination of desolation, which means emptiness. That's because our world is dying and it's coming to a close because humanity is dying, and without humanity, there's no life or world.* Also, in Revelation 12, it spoke about the woman being persecuted, and it has helped me to understand some strange and hurtful things. That has happened to me by my family and others in my life, so I do believe I am the woman in Revelation 12. You can believe it or not.
