Early Italian History and the birth of the Giasolli name Vincent Giasolli, 2013-11-26 Italy was the first country to create homes for abandoned children. Although most European countries did not adopt homes for foundlings until the nineteenth century, Pope Innocent III opened one in Milan in 1198. Northern cities began opening hospitals and churches to abandoned babies and soon foundling homes were established for the sole purpose of raising abandoned infants. To encourage discretion, these institutions installed a rotating box, allowing complete discretion. Over time, the realization that this discretion also encouraged the unwed mothers absolute secrecy and a father's lack of responsibility created a backlash in society and the foundling wheel began to be removed in 1860. In the 1870's Italian law began recording specifics of each child's birth. Mario Giasolli was born in 1833, and abandoned in a foundling hospital. The Giasolli surname was a creation of tradition and local dialect.

Staying Italian Jordan Stanger-Ross, 2010-01-15 Despite their twin positions as two of North America's most iconic Italian neighborhoods, South Philly and Toronto's Little Italy have functioned in dramatically different ways since World War II. Inviting readers into the churches, homes, and businesses at the heart of these communities, Staying Italian reveals that daily experience in each enclave created two distinct, yet still Italian, ethnicities. As Philadelphia struggled with deindustrialization, Jordan Stanger-Ross shows, Italian ethnicity in South Philly remained closely linked with preserving turf and marking boundaries. Toronto's thriving Little Italy, on the other hand, drew Italians together from across the wider region. These distinctive ethnic enclaves, Stanger-Ross argues, were shaped by each city's response to suburbanization, segregation, and economic restructuring. By situating malleable ethnic bonds in the context of political economy and racial dynamics, he offers a fresh perspective on the potential of local environments to shape individual identities and social experience.

Writing With An Accent Edvige Giunta, 2016-04-30 Mary Cappello, Louise DeSalvo, Sandra M. Gilbert, Maria Mazziotti Gillan, Carole Maso, Agnes Rossi. These are some of the best-known Italian American writers today. They are part of a literary tradition with mid-twentieth century roots that began to develop, in earnest, in the late 1970s and early 1980s. During those decades, a number of Italian American women, such as Helen Barolini, began to publish books that depicted their perspectives on life through the critical lenses of gender, class, and ethnicity. At the end of the twentieth century, this literature finally blossomed into a fully fledged cultural movement that also took into account issues of sexuality, age, illness, and familial and societal abuse. Writing with an Accent takes a look at this vibrant literary movement by discussing those first writers of the 1970s and 1980s as well as later authors. At the center of Edvige Giunta's Writing with an Accent is the literal notion of accent, the marker of linguistic and cultural difference that separates and identifies recent immigrants to the

United States. In this study, an accent symbolically embodies the differences and creative strategies through which contemporary Italian American women writers engage Italian American culture in works of fiction, poetry, and memoir. Giunta also looks at the links between the literature and art, music, film, and video produced by contemporary Italian American women. The literature of the Italian American women in *Writing with an Accent* is shaped by the complicated connections these authors maintain with their cultural origins, but also, and perhaps more importantly, by their feminist consciousness and politicized sense of ethnic identity. *Writing with an Accent* celebrates and explores a group of authors who characteristically mix the joy and pain of Italian American life to paint a multifaceted picture of Italian American women and their complex place in U.S. culture.
