Killers of a Certain Age Deanna Raybourn, 2023-08-15 Older women often feel invisible, but sometimes that's their secret weapon. They've spent their lives as the deadliest assassins in a clandestine international organization, but now that they're sixty years old, four women friends can't just retire—it's kill or be killed in this action-packed thriller by New York Times bestselling and Edgar Award-nominated author Deanna Raybourn. Billie, Mary Alice, Helen, and Natalie have worked for the Museum, an elite network of assassins, for forty years. Now their talents are considered old-school and no one appreciates what they have to offer in an age that relies more on technology than people skills. When the foursome is sent on an all-expenses paid vacation to mark their retirement, they are targeted by one of their own. Only the Board, the top-level members of the Museum, can order the termination of field agents, and the women realize they've been marked for death. Now to get out alive they have to turn against their own organization, relying on experience and each other to get the job done, knowing that working together is the secret to their survival. They're about to teach the Board what it really means to be a woman—and a killer—of a certain age.

**Desperate Spies** Mark de Castrique, 2025-11-04 Badass 75-year-old retired FBI agent Ethel Fiona Crestwater is back—stalking mobsters, dodging bullets, and pulling off Bond-worthy moves as she tracks down missing state secrets in this fun and pacy new installment in the Secret Lives mystery series “Ethel’s adventures will appeal to fans of Richard Osman’s Thursday Murder Club series and Deanna Raybourn’s Killers of a Certain Age”—Library Journal Starred Review “Ethel looks like Marple but acts like Marlowe”—Kirkus Reviews “Plucky Ethel is an elderly Nancy Drew”—Publishers Weekly For seventy-five-year-old former FBI agent Ethel Fiona Crestwater, her age is nothing but an advantage when it comes to ferreting out secrets. Who's going to notice the little old woman in the corner? Besides, Ethel might be officially retired, but she knows everyone in DC law enforcement—and is smarter than all of them combined. When a former colleague asks Ethel for help, she agrees without a second thought. But the favor throws Ethel back eighteen years, to the botched sting operation that resulted in the murder of an innocent young woman by a Russian gangster—and nearly ended Ethel’s own life too. Soon, Ethel and her young tech-whizz sidekick Jesse, her double-first-cousin-twice-removed, find themselves in the crosshairs of some very bad—and very desperate—men who’ll do anything to get their hands on the state secrets they’re seeking. Ethel will have to use all the skills she’s learned during her long career if she’s to save the day, and keep both herself and her

beloved cousin alive.
