Pierre Roberdel

Revelations Xavier Reyes-Ayral, 2022-05-31 From 1846 to the present day, the Vatican has maintained quite the same message brought forth from Heaven by different messengers across time and across vast distances and continents. This message echoes the gravest of admonitions and calls mankind to convert and find refuge through the knowledge of the truth, which today threatens the very basis of world peace... Today, in 2022, the message of La Salette, La Fraudais, Tilly, Fatima, Garabandal, Akita and Medjugorje, and their secrets take a meaning of the greatest importance, as the admonitions brought forth by the Blessed Virgin Mary warn of a cataclysmic global disaster which has now become imminent. The Church's apprehension of frightening the masses, inspired inaction and Rome's decision to silence – founded more on fear than on caution – led millions of faithful to the darkness of ignorance and, therefore, to a lack of necessary conversion, prayers and intercession for peace. This book proposes unveiling the light and, thus, asking humanity to respond to the call of a warm and loving mother who merely seeks the salvation of her children.

Оборотни, или Кто стоит за Ватиканом Ольга Четверикова, 2017-12-29 В новой книге раскрываются истинные цели и планы Ватикана, который представляя собой одновременно церковный институт и государственно-политическую структуру, обладает уникальной возможностью оказывать влияние и на глобальную политику, и на религиозное сознание народов мира. Автор рассматривает, каким образом наличие мощного аппарата управления и разветвлённой сети многочисленных организаций, а главное – применение отточенных скрытых механизмов манипулирования массами позволяет ему активно проводить разведывательные операции, управлять финансовыми потоками и политическими процессами в тесной связке с мировыми правящими кругами. Однако сверхзадача Ватикана – это достижение идейного и духовного лидерства в общемировом масштабе, направленного на утверждение не христианства, но антихристианской универсальной синкретической религии, начало чему было положено II Ватиканским собором. Поэтому в центре настоящего исследования – та глубинная трансформация, а вернее, ликвидация католицизма, которая преемственно и поэтапно осуществляется в последние десятилетия самой папской властью, сохраняющей от него лишь внешнюю оболочку, за которой будет скрываться единая антицерковь – глобальный Вавилон.
