Marvelous English Multi-purpose Guide Prof. Avtar S. Virdi, 2013-10-24 Thousands of new immigrants from non-English speaking countries are moving to North America almost every week. After reaching here, they face several problems due to lack of knowledge of English. This book has been prepared for those people who want to learn English properly and assimilate into North American culture and society. This book has been written to help new comers in many ways. This book first teaches the readers the basic grammar in a very simple and interesting way. A new chart for learning simple tenses is the research of Prof. Avtar S Virdi, the author of this book, which has made English pretty easy for learners and thousands of learners attest that this chart had been a big help for them. There are several hundreds of question-answers for preparing for

various interviews and personality development. Besides this, readers can learn how to tell their daily routines, give road-directions to someone and communicate with doctors, nurses, and tradesmen. There are five IELTS speaking modules explained for IELTS students. Those who want to prepare for Canadian or the U.S. citizenship tests can get great help from this book. That's why this book is very rightly titled "Marvelous English Multi-purpose Guide". Prof. Viridi who is the director of GTP Marvelous College, Surrey, BC, Canada, has also written "Marvelous English Grammar" and "Marvelous English Essays", and he claims if any one shows and proves any books better and helpful than his books he would award him or her \$ 10,000. What a confidence! Wouldn't you try to accept his challenge and read his books? Either you learn great things or you can win this grand award. You will be in win-win situation. **Believe in Love** ,2000 Siddha Yoga meditation is a path of inner discovery and transformation, rooted in the timeless teachings of the siddhas (spiritual masters) and enlivened by the grace of a living siddha, Gurumayi Chidvilasananda. This path incorporates the traditional yogas of India: jnanayoga (the path of knowledge), bhaktiyoga (the path of devotion), karmayoga (the path of right action), dhyanyoga (the path of meditation), and hathayoga (the practice of physical postures). Siddha Yoga meditation was first brought to the West in the 1970s by Gurumayi's teacher, Swami Muktananda, who declared that his mission was to begin a meditation revolution -- a revolutionary path to inner peace and self knowledge. Today, Siddha Yoga meditation is practiced in ashrams, meditation centers, and homes throughout the world. Siddha Yoga Publications offers the writings of Swami Muktananda, Swami Chidvilasananda, and their students to seekers who cherish the direct experience of the wisdom and love that lies in the human heart. The subject of this pocket-sized book of contemplations is divine love -- both the means and the goal of the spiritual path. How can we experience this indefinable and mysterious force that gives meaning to life truly and fully? Here, modern and ancient sages from various spiritual traditions

offer their observations and instructions on how to hold love, make it grow, share it, and become happy. Their words of wisdom can be used as daily contemplations.
