

Now That You Mention It

Mike Jess

Now That You Mention It Kristan Higgins, 2017-12-26 New York Times-Bestselling Author: The dialogue is witty and the prose is smooth . . . [A] moving take on starting over and repairing past hurts. — Publishers Weekly One step forward. Two steps back. The Tufts scholarship that put Nora Stuart on the path to becoming a Boston medical specialist was a step forward. Being hit by a car and then overhearing her boyfriend hit on another doctor when she thought she was dying? Two major steps back. Injured in more ways than one, Nora feels her carefully built life cracking at the edges. There's only one place to land: home. But the tiny Maine community she left fifteen years ago doesn't necessarily want her. At every turn, someone holds the prodigal daughter of Scupper Island responsible for small-town drama and big-time disappointments. With a tough islander mother who's always been distant, a wild-child sister in jail, and a withdrawn teenage niece as eager to ditch the island as Nora once was, Nora has her work cut out for her if she's going to take what might be her last chance to mend the family. Balancing loss and opportunity, dark events from her past with hope for the future, Nora will discover that tackling old pain makes room for promise . . . and the chance to begin again. Powerful, entertaining . . . Balancing emotion, humor, and a redemptive theme, Higgins hits all the right notes with precision, perception, and panache. — Kirkus Reviews (starred review) She only gets better with each book. — New York Times
