Robert ROBERTS (Christadelphian.)

Kingdom Authority on Earth Tiffany Buckner, There are laws governing marriage, relationships, wealth, poverty, and everything that exists in the realm of the earth. But when we are unaware of these laws, we can't enjoy the benefits of being law-abiding citizens for the Kingdom of GOD. Instead, we often find ourselves on the other side of a stronghold, not understanding what we did to get there. *Kingdom Authority on Earth: Bringing Heaven to Your House* is a wisdom-packed guide to helping you better understand how to finally tap into the blessings of GOD, without tripping over the strongholds that have enslaved and robbed so many believers today. Learn how to finally take back what GOD has given you, and to uproot whatever the enemy has planted in your hearts.

Didactics of Microlearning Theo Hug, 2007 This book is a comprehensive and articulate introduction to the emerging field of microlearning. In public institutions, in small and medium-sized enterprises and in informal contexts we are all dealing with increasingly complex learning requirements, more fragmented knowledge, demands for greater cultural flexibility, and rapid technological change. As a result, new approaches are required, focusing on microcontent, medial fluency and spaces of learning.

President Yeshua Dennis Allen, 2013-11-30 Columbia and nations abroad stumble towards a financial collapse and tempers flare across the globe, causing wars and rumors of war; the feeling of an apocalypse consumes the atmospheres oxygen. As a result, desperately and privily the leaders of the world search for a universal mediator/savior, designated for the White House. Will this free world president fulfill his commission: revive the fiscal climate, restoring peace in the Middle East and the world? Or will the world encounter World War 3 rupturing into the apocalypse? Moreover and more importantly, this book uncovers the mysteries of life: religion, politics, race, humanism, and truth; via a journey through the book of Revelation.

Breath Thief Katheryn Rosseau, 2025-03-24 *Breath Thief - A Steamy Enemies-to-Lovers Romantic Comedy with Forced Proximity & Only One Bed!* She writes romance. He lives by logic. And now they're stuck sharing an apartment—and a lie. Lorelai lives inside the pages of her books—literally. As a bestselling erotic romance author (under a very secret pen name), she crafts perfect love stories... far safer than real life. But when she finally lands her dream apartment, fate delivers the ultimate plot twist: her new roommate is Dr. Jonathan—the infuriatingly handsome, arrogant man who once stole her first

kiss... and walked away without a word. Now, to keep their home, they must pretend to be a couple for their nosy landlady. The rules? No arguments. No revealing Lorelai's scandalous writing career. And absolutely no kissing (no matter how tempting it gets). Too bad their chemistry burns hotter than a five-alarm fire. Between bickering over chores, a meddling cat with terrible timing, and only one bed, Lorelai and Jonathan discover that the one person who drives them crazy might be the one they can't live without. But when secrets unravel and past wounds resurface, will their fake relationship survive the truth?

Awaken: Arise Christopher Anderson, 2016-03-30 As I read this book, there was a stirring that began to take place deep within my spirit. The fire within me was being rekindled! A passion and an overwhelming desire to see God awaken not only myself but also my family, my church, my community, and the world filled my heart. I was reminded of what is missing in the Church: the truth of God's Word coming forth that would bring conviction to the hearts of man. Pastor Billy Keller Senior Pastor, Trinity Church of God Winchester, KY Anderson makes the case that God has set aside some in this generation who will rise up as Samuel did in ancient Israel to replace the current leaders of the Church to help purify the Bride of Christ for His Return. And do we ever need that! Christians need to wake up and begin functioning in the full power of the Holy Spirit. You will know, as you read this book, exactly where you are and find out what you need to do next. Christopher Mantei Managing Director, Wings of the Eagle Resist the Beast

Applied New Testament Bible Commentary Tom Hale, Steve Thorson, 2007 The wisdom found in God's Word is timeless, as relevant today as when it was first written. And the challenge for believers remains unchanged: how do we apply these truths to our everyday world? The Applied Commentary series is a fresh approach to Bible study, connecting great wisdom with your life today. Each Scripture passage is enhanced with insights on key themes and ideas. Featured articles provide a deeper look at essential concepts, while the contemporary language allows for easy reading. And because some subjects are open to interpretation for discussion, we've included perspectives from leading theologians from all backgrounds and denominations. The result? An interactive approach to Scripture that will challenge your ideas and build your faith--which is what reading the Bible is all about.
