**Daniel F. Austin**

Sacred, Symbolic, and Contested Gregory S. Szarycz, 2025-09-04 *Sacred, Symbolic, and Contested* explores how animals are revered, represented, and disputed across global cultures. Through vivid case studies—from sacred cows in India to ritual slaughter in Judaism and animal commodification in industrial societies—this book reveals how human-animal relationships express deep ethical, religious, and political tensions. You'll encounter surprising contradictions: animals celebrated in myth yet mistreated in practice or protected in law yet consumed in daily life. Drawing on sociology, religious studies, and critical animal studies, this timely work invites you to rethink the role of animals in shaping human identity, culture, and moral responsibility.

The Computer Part e- RickthePoetWarrior, 2021 IT Technology gets taken to task. Why you ASCII? Because it's time you held up a mental mirror and had a close look at the moral, immoral, and mortal side effects of IT. Programmed in PoetryPlusPlus you'll learn the DIRTY INDUSTRY SECRETS that the major stakeholders don't want you to know. Oh sure, I might just mysteriously get 'deleted' or 'erased' but I'll just CTL-ALT-DEL my newly necessitated life support system (my PC (for Portable Computer not Politically Correct which I can assure you this book is in no way that)). Plus just like a free feature you never asked for you'll learn to obey laughing at the screen (in non-selfie mode of course) making you just a little bit better than the AI that lead you to this line. What an interfacing good time you'll have.

Church Symbolism Frederick Roth Webber, 1927

The Serpent Grail Philip Gardiner, Gary Osborn, 2012-01-01 This is the extraordinary story of the discovery of the ultimate secrets of some of the world's most enigmatic mysteries - including the Holy Grail, the Elixir of Life and the Philosopher's Stone.

**Centering** Sanders G. Laurie, Melvin J. Tucker, 1983-11 A complete guide to awakening your full potential, *CENTERING* offers techniques that help you take charge of your destiny. Through a process of consciousness expansion, this book shows how to enhance learning power; heighten awareness of the world around you; discover new talents and how to use them; relieve stress; increase career satisfaction and financial security; enjoy better health and more fulfilling relationships; and even more.

*Finding Ancient Rome* Paula Landart, 2023-03-06 Second edition, updated March 2023 Ancient Rome is still with us, more

than ever. Every year, with new metro lines, roadworks, digs, restorations and repairs, new discoveries are made and old errors corrected – and new questions raised. This electronic book is intended as both a walking guide to ancient Rome and a resource for the city and the people who left their mark on history. Each of the eight excursions illustrates an aspect of the city from the foundation to the fall, and in passing explains the bits of modern Rome whose roots lie in that distant past. These walks are not meant to be a tourist guide of the Rome in 3 days style nor a nutshell guide to the well-documented and overrun sites such as the Colosseum and the Forum. Instead, they lead through the city itself, along paths that have been trod for thousands of years.

**The Woman's Dictionary of Symbols and Sacred Objects** Barbara G. Walker, 2013-05-07 This fascinating guide to the history and mythology of woman-related symbols features: Unique organization by shape of symbol or type of sacred object 21 different sections including Round and Oval Motifs, Sacred Objects, Secular-Sacred Objects, Rituals, Deities' Signs, Supernaturals, Body Parts, Nature, Birds, Plants, Minerals, Stones and Shells, and more Introductory essays for each section 753 entries and 636 illustrations Alphabetical index for easy reference Three-Ray Sun The sun suspended in heaven by three powers, perhaps the Triple Goddess who gave birth to it (see Three-Way Motifs). Corn Dolly An embodiment of the harvest to be set in the center of the harvest dance, or fed to the cattle to 'make them thrive year round' (see Secular-Sacred Objects). Tongue In Asia, the extended tongue was a sign of life-force as the tongue between the lips imitated the sacred lingam-yoni: male within female genital. Sticking out the tongue is still a polite sign of greeting in northern India and Tibet (see Body Parts). Cosmic Egg In ancient times the primeval universe-or the Great Mother-took the form of an egg. It carried all numbers and letters within an ellipse, to show that everything is contained within one form at the beginning (see Round and Oval Motifs).

**The Continuum Encyclopedia of Symbols** Udo Becker, 2000-01-01 An alphabetical reference with more than 1,500 entries that trace symbols to their cultural, religious, or mythological origins, and explain the hidden or encoded meaning that lies concealed beneath objects' and concepts' ordinary, outward appearance.

*The Difficult Hair Loss Patient* Ralph M. Trüeb, 2015-09-02 You could read every textbook available on hair growth and disorders, and still not be able to treat hair loss effectively. In every art, there are many techniques, but few principles. The only way to achieve success is to have a firm foundation of principles to build upon, and the right attitude about how to achieve your goals. This book offers a detailed guide that goes beyond the technical aspects of trichology and evidence based medicine, providing specialists and primary care physicians experienced in the basic management of hair loss with the additional know-how they need to master the ultimate challenge of difficult hair loss patients. First, the prerequisites for successful management of hair loss are reviewed – basically, making a diagnosis and understanding the patient and his or her problem. Then, guidelines on the management of difficult dermatologic conditions and of psychopathological disorders

associated with hair loss are provided. Lastly, important aspects of follow-up are covered—specifically the problems of adverse effects, patient non-compliance, and their management—before concluding with exemplary case studies of successful treatment of alopecia and related conditions.
