Talib Samat

The 99 Most Eminent Names of Allah Talib Samat,2001

MUNTAKHAB AHADITH Hazrath Maulana Muhammed saad kandhalvi,2022-06-15 All praises to the Sustainer of the worlds, and grace, honor and salutations on the Chief of Apostles and Seal of Prophets, Muhammad, his family, companions and those who followed him in an excellent fashion and invited mankind towards Allah, till the Day of Resurrection. This is a reality which can be stated without any ambiguity and Exaggeration, that in the Islamic world of today the most power full, use full and all-encompassing effort, is the struggle of the Tablighi Jamaat whose center is situated at the Tablighi Markaz Nizamuddin,Delhi(India). The scope of this effort and its impact is not restricted to the India subcontinent, or Asia, but extends to many continents and to a host of Islamic and Non- Islamic States. The history if such campaigns and revolutionary or reformative movements shows that,after passage of a period of time,or when the scope of the effort enlarge greatly (specially when, by means of it, the attainment of certain advantages and leadership become apparent)then such weaknesses, unwanted objectives and neglect of the original goals set in, which reduce or even totally wipe out the true influence of the work.

The Four Light - Suarh Al-mulk Surah As-sajdah Surah Ar-rahman Surah Al-waqi'ah Authenticate Ulama's Organization, 2016-10-04 The Qur'an should be recited daily so that in short spaces of time entire recitations are completed. This is something that many are punctual with in Ramadan, however, it is not something that is exclusive to that month. Its blessings transcend to every instance in our lives. To facilitate this, a table has been included at the end of this book which we can use to encourage and remind ourselves of this manner of pleasing Allah Ta'ala. Either we can tick a day when we reach a specific goal of verses/pages each day, or we can insert a number (to represent verses/pages) if our daily timetables are unpredictable or inconstant. In this manner we can still try to read a fixed number of pages per day One should try to aim for a Juz (Parah) a day. If one is trying to create a habit and this is too much, start smaller, e.g. a few pages. With the gradual build up of speed and comfort in reading, one will be able to set this or even higher goals. One should also try and read the Qur'an with a reputable translation at hand so one can reflect upon the meaning of what is recited. This is why the translation has also been included in this publication (and also our other Publications). With this addition we hope that our recitation of the Qur'an will rise above a repetition of unknown words, and progress to giving audience to the Words of Allah Ta'ala, and taking the commands and advices of Allah Ta'ala to heart. The chapters of the Qur'an presented in this book are those which should be recited daily. If one is not able to recite so much comfortably, then one should start with one or even part of one of these Surahs daily. The specific benefits for reciting each of these chapters are mentioned under their separate headings.
