

The Truth About Love

Justin Huntly McCarthy

The Truth About Love Conor Creighton, 2022-06-02 We are trained from the youngest of ages to imagine that love is a force outside of ourselves; that if you keep swiping, one day your prince will come; that love is something you have to look for, work for, diet for. The truth is: we are creators of love, not discoverers of love, and until we realise that love comes out of us, rather than to us, we'll never really get it or feel it. Conor Creighton learned this the hard way with a string of tumultuous relationships in his past. That was until, through meditation, he woke up to the powerful force that is self-love and watched as his relationships and the whole world transformed around him. In a unique hybrid of memoir and self-help, here Conor uses his life lessons to help readers wake up to the truth about love. A modern manifesto and spiritual guide to relationships, The Truth About Love makes a daring call to action, showing how to change yourself and the world around you through the courageous act of opening your heart.

The Truth About Love Patricia Love, 2001-06-05 Offering a revelatory new perspective on loving relationships, the author of Hot Monogamy guides readers through the natural stages of love, high and low, and shows how not to break up before the breakthrough.

The Truth about Love Elizabeth Currie, 2005 The Truth About Love is an original philosophical theory which presents a comprehensive, holistic model of the normal human psyche. The purpose of the book is to reveal, to the average person, their own nature. The Truth About Love is written in question and answer form, which gives the advantage of allowing the reader to focus quickly on questions of personal interest, and to reflect on each issue before moving on to a new concept. The first section, Love-The Key, comprises the central theory which explains the phenomenon of love. You learn how love transcends its reputation as a romantic attachment to another person, and gives you a basic premise for understanding most aspects of human nature. The second section, Emotion and Feeling, gives a complete explanation of emotion and, for the first time, an explanation of feeling, apart from emotion. This new knowledge is used to examine old philosophical questions about human nature such as altruism, creativity, and happiness. The third section, Motivation, relates the central theory to your everyday life, giving structure and meaning to your thoughts and actions in a simple and concise way. Also in this section, is perhaps the most important application of the concepts of love, emotion, and feeling, in an explanation of self-love. In conclusion, you will discover how self-love leads to optimum mental health and how this affects other areas of your life. The Truth About Love

provides answers that you cannot find in textbooks but that you ask yourself everyday. They are simple questions, and simple answers, that will change your life.

The Truth About Love and Fear Rudolf Eckhardt,2018-04-23 We live every day without being aware that fear controls many of our choices and decisions. The consequences our fear-based behavior has on our life and relationships also contributes to the collective fear and distrust in the world. When we recognize fear for what it really is, we can initiate an effort to deal with it. In *The Truth About Love and Fear*, author Rudolf Eckhardt shows how we can take individual responsibility for our issues by addressing our fears and insecurities. This will transform our lives and the lives of those around us. He provides answers to questions about consciousness, life, and relationships and discusses how life is about being and not about doing; you can be a powerful person, rather than just engaging in acts of power; true change is different from changing your feelings, perception, thoughts, and behaviors; it feels to experience unconditional love; fear and guilt have power; and love and fear influence your mind and control your behavior. *The Truth About Love and Fear* leads you to a new understanding of the nature of unconditional love, acceptance, and trust and explains the potential of your personal power and the lack of it in your life. It challenges your present way of thinking, makes you question your perception, and changes your belief of who you are and the way you see your relationships and life. It alters your thoughts of your past, your present, and your future.

The Truth about Love Pink,2012

The Truth about Love David G. Croly,

The Truth About Love and What it is Not... Percy G Collins,2020-07-26 Love is a necessity for living a happy, healthy, and purposeful life. It is by far one of the single most necessary components of human life, and the basis for healthy human interaction. Everyone needs it for well-being, but it remains elusive to many. Some of us have little to no knowledge of what love is. If you have experienced heartbreak after heartbreak, and you feel like you are a failure at love, now is the time to discover what love is and what love is not. We have been conditioned to believe that love is manipulation, selfishness, fulfilling a material need, the fulfillment of a desire for intimacy, and a host of other things that will always end up as a disappointment. The love that we want ends up not being the love that we need because we have no clue about real love since it bears little resemblance to the love we see in film and television or hear about in songs. There is no guaranteed way to find the love that we need, but approaching your relationships with a realistic understanding of healthy love will certainly improve your odds of success and love. It is time that we learn what real love is and what it is not.

The Truth about Christian Science George Mary Searle,1916

The Truth about Love David Goodman Croly,1872

The Truth About Love Abrams Noterie,2018-09-04 Love is patient, love is kind . . . Love is an infinite number of

things. The Truth About Love is a thoughtfully curated collection of quotes that offer an honest, balanced, and insightful look at love and its multifaceted presence in our lives. Elevated with a fresh design, a foil-stamped cover, and colorful edge staining, it is the perfect gift for Valentine's Day, a wedding shower, an anniversary, or for anyone experiencing the complex and marvelous state of being in love. Filled with wisdom from some of the most prominent voices on the subject, including favorites such as Victor Hugo, Jane Austen, and Shakespeare, and contemporary figures including Nora Ephron, John Green, Margaret Atwood, and more, this book contains more than 380 quotations; many are contradictory, but all are true. Also in this series: The Truth About Writing

The Truth about Love Stephen Siddall, Mary Ward, 2009

The monomaniac of love Monomaniac, 1878

The Golden lamp; or, Truth in love for the children of God, 1885

The Truth About Love LISA S. KING, 2025-02-12 The Truth About Love: What I've Learned Through Joy and Heartbreak By Lisa S. King Love is beautiful. Love is brutal. Love will lift you to the highest highs and drop you to your knees in ways you never saw coming. In The Truth About Love: What I've Learned Through Joy and Heartbreak, Lisa S. King strips away the fairy tales and dives into the raw, unfiltered reality of love's the kind that changes you, scars you, and teaches you lessons you never asked for but desperately needed. This book isn't about sugarcoating love; it's about what love really is and what it is at. It's about the difference between loving someone and being in love, recognizing whether you're being cherished or just convenient, and understanding the thin line between passion and pain. It's for those who have given their all and gotten nothing in return, for those who have felt the magic of real love, and for those who are still searching for something deeper. If you've ever questioned love, lost yourself in it, or struggled to understand it, this book will speak to you. It's raw. It's real. And it will change the way you see love forever. Are you ready for the truth?
