**Persiguiendo Un Sueño I. Como Ladron en la Noche** Maria Piedad Mediavilla Del Amo, Maria Del Amo, 2006 Un extraño suceso se produce en el turno de noche de una fabrica de automoviles. La television anuncia a los investigadores el alcance mundial del fenomeno. Un fogonazo terrible de luz y un gran estruendo, precede a la desaparicion de un encargado y al shock traumatico de cuatro de sus hombres. Se paraliza la fabrica y comienzan las investigaciones mas angustiosas y tortuosas de la carrera del comisario. En la casa del encargado ocurren los momentos de mayor angustia, terror y espanto de todos los presentes. El pavor crece y domina a todos cuando conocen que el fenomeno es de origen mundial y sienten la presencia de los raptores que los observan. Los representantes de La Union temen que amanezca y se preparan para dar una explicacion satisfactoria a sus gentes. El misterio, la incognita, la incertidumbre, y la tension rigen de principio a fin y se elevan en un gran interrogante al final. Los contrastes son la nota dominante en toda la obra: entre la ciudad en fiestas y la orgia, avidez y evasion con que se vive en medio de una caliginosa y tetrica noche sin luna, y esa luz relampagueante que se lleva al encargado y su familia. Entre los avances cientificos y tecnologicos, y la degradacion humana, moral, y la violencia imperante. Entre las vidas de los personajes, antes y despues de que la luz los alumbre; entre el modo de pensar de los que se han ido, y el de los que quedan; entre un dia y otro, en el que la vida cambia radicalmente para todos. Reconocemos el dificil mundo laboral, politico, economico, ideologico, social, y moral o inmoral que se nos describe, a traves de los personajes que intervienen. Todas las situaciones y los personajes son descritos con toda la complejidad que tiene la propia realidad. Por ello, asistimos a un desfile de seres normales con los disfraces del egoismo, la simulacion, el orgullo, la altivez que dan lugar al rapto.

**The Latin American Short Story** Daniel Balderston, 1992-05-20 The enormous body of short story anthologies from the nineteen countries of Spanish America and Brazil testifies to their importance for writers, editors, readers, and, especially, for schools and universities, teachers and students. The study of anthologies and their contents can be particularly revealing

for many of the questions looming large in critical discourse, particularly those on canon formation and the relations between literature and cultural institutions; but researching this corpus is difficult because it varies greatly in quality, distribution, and format. The present volume for the first time gathers this mass of material and organizes it for systematic study. The main section comprises annotated listings of 1302 short story anthologies: those with stories from all or most of the countries grouped together, including a section of English-language anthologies; those from countries of a region; and those from individual nations. For most entries a full listing of contents is provided along with brief commentary. A second section comprises annotated bibliographies of criticism of the short story, similarly arranged with materials for Latin America as a whole as well as regionally and nationally. The volume ends with four indexes: of authors of the stories; of authors of essays, introductions, and other critical materials; of titles of the critical works; and of themes. An essential tool for scholars working on Latin American narrative, this bibliography will also serve as a practical finding aid for individual writers and stories.
