Watching Porn Lynsey G, 2017-06-06 “Lynsey G. is an intrepid explorer, boldly going where few reporters have gone with such a critical eye: deep inside the real world of commercial sex.” —Tina Horn, host of the Why Are People Into That?! podcast Lynsey G. never imagined that she would ever work in porn, but at twenty-four years old, with a degree in English literature and an empty bank account, she found herself reviewing the film East Coast ASSault for an adult magazine in New York City. One interview later and it was official: she was a porn journalist. The job was supposed to be temporary—just a paycheck until she could spark her legitimate writing career—but she loved it and spent nearly a decade describing the nuances of money shots and the effectiveness of sex toys. As both a porn consumer and a porn critic, she was not quite an insider, not quite an outsider, but came to know the industry intimately. She found it so fascinating that she co-founded WHACK! Magazine. Finally, she had a platform to voice her thoughts and observations of the adult film world, as well as educate the rest of us about what really goes on behind the scenes. Eventually, Lynsey was thrust back into the “real” world, but not before realizing that one of the most diverse and nebulous—and profitable—industries on the planet isn’t so quite as different from the rest of the world as she thought. Tantalizing, eye-opening, and witty, *Watching Porn* is a provocative book about an average girl’s foray into the porn industry and the people who make it what it is, both in front of and behind the camera. “Marvelous.” —The New York Times Book Review

Porn After Porn Enrico Biasin, Giovanna Maina, Federico Zecca, 2014 After the digital turn, sexual representations have been increasing both quantitatively and qualitatively. This volume investigates the emergences of alternative pornographies, mapping its main areas such as alt porn, queer pornography, indie porn, post porn, feminist pornography, and amateur porn.

Mainstreaming Porn Elaine Craig, 2024-09-15 The ubiquity of streaming sites such as Pornhub has transformed the social role of sexually explicit content today. Online porn is no longer a shady corner of the internet; it is mainstream. Its production, commodification, and consumption on data-driven online platforms has changed – and is changing – our personal relationships, social and legal systems, and sexual norms. Online porn platforms are shaping sexual desires and practices in the same way that Google and Facebook have affected social relationships and the circulation of information: porn is now consumed on data-driven platforms with algorithms designed to engage the attention of users, encourage the production of user-generated videos, and filter content. Through frank examination of mainstream content with themes of incest,

intoxication, and so-called consensual rough sex, issues that play out in life and in court, Elaine Craig shows how the platformization of mainstream pornography is shaping our sexual culture in real time. *Mainstreaming Porn* maps a complicated web of legal culture and legal actors, from corporate lawyers and platform content regulation to the criminal, civil, and administrative contexts in which porn companies operate and the legal interpretation of sexual assault defences. All have profound implications for the promotion and protection of everyone's sexual integrity, and especially that of women and girls. *Mainstreaming Porn* is an unflinching, carefully balanced perspective on a divisive topic. Without demonizing pornography or its consumption, Craig makes a powerful argument for applying legal mechanisms to corporate-owned online platforms while offering a sober evaluation of the limits of the law in governing pervasive cultural norms and social understandings of sexuality.

Sex Work Today Angela Jones, Barbara G. Brents, Bernadette Barton, 2024-11-19 Sex Work Now presents data-driven stories written by academics, sex working academics, and sex workers documenting critical shifts and changes in modern sex industries--

Sex in the South Suzi Parker, 2003 In the South, sex is wrapped in plain brown paper, but tear open a corner and you will find stories of a den mother buying dildos, a school principal who is also a swinger, and a preacher that's a porn fiend. The author's saucy shots of Southern sin are sure to entertain.

The Porn Report Aspro Alan McKee, Alan McKee, Kath Albury, Catharine Lumby, 2008 True or false: * Most porn users are uneducated, lonely and sad old men * All porn is violent * Pornography turns people into rapists and/or paedophiles * Pornography uniformly portrays women as passive objects of men's sexual urges The Porn Report debunks these and many other misconceptions about porn consumers, producers and the industry at large. In the first comprehensive examination of the production and consumption of pornography in Australia, Alan McKee, Kath Albury and Catharine Lumby present a wide-ranging view of the adult-content industries and its consumers. If you've ever wondered what's in Australia's bestselling 50 porn videos and DVDs; what's behind amateur or do-it-yourself porn; and how porn is produced and distributed, The Porn Report will not only answer your questions, but also surprise you. The authors also discuss feminist responses to pornography and provide important advice to parents on how they can protect their children from cyberstalkers and from viewing online porn. If pornography arouses, repels or simply piques your curiosity, you cannot afford to miss The Porn Report.
