A Man, a Can, a Microwave David Joachim, Editors of Men's Health Magazine, 2004-04-28 First came *A Man, a Can, a Plan: 50 Great Guy Meals Even You Can Make*. Do you see the supermarket as a place to pick up frozen meals instead of fresh, healthy ingredients? If We Can Put a Man on the Moon William D. Eggers, John O'Leary, 2009-11-19 The American people are frustrated with their government--dismayed by a series of high-profile failures (Iraq, Katrina, the financial meltdown) that seems to just keep getting longer. Yet our nation has a proud history of great achievements: victory in World War II, our national highway system, welfare reform, the moon landing. We need more successes like these to reclaim government's legacy of competence. In *If We Can Put a Man on the Moon*, William Eggers and John O'Leary explain how to do it. The key? Understand--and avoid--the common pitfalls that trip up public-sector leaders during the journey from idea to results. The authors identify pitfalls including: -The Partial Map Trap: Fumbling handoffs throughout project execution -The Tolstoy Syndrome: Seeing only the

possibilities you want to see -Design-Free Design: Designing policies for passage through the legislature, not for implementation -The Overconfidence Trap: Creating unrealistic budgets and timelines -The Complacency Trap: Failing to recognize that a program needs change At a time of unprecedented challenges, this book, with its abundant examples and hands-on advice, is the essential guide to making our government work better. A must-read for every public official, this book will be of interest to anyone who cares about the future of democracy.

A Man's Guide to Work Patrick Morley,2018-03-06 We were created to work, and feel most happy, alive, and useful doing the work we were created to do. The act of productivity is its own reward. Half a man's life is bound up in his work, but few men ever learn a biblical framework, or theology of work, to help think correctly about all those hours, weeks and years they invest in their job. Patrick Morley, author of The Man in the Mirror knows that men everywhere want their lives to count and make a real difference. He has written a book for men in the workforce who want to integrate their faith and work. Whether a businessman, construction worker, salesman, lawyer, accountant, or plumber, men will be introduced to principles which provide a better understanding of themselves and how to be most effective and valuable in their chosen career. A Man's Guide to Work helps train men for the marketplace. It helps them figure out how their relationship with God should influence their work and relationships with colleagues. It ultimately shows men how to experience the power of God in their work, to bring about social transformation through their work and how to make their work life count for the glory of God!
