

A Is For Asshole

William F. Herrick, Tom Kerr

A Is for Asshole Victoria Pynchon, 2010-10

A is for Alpha Kate Aster, 2018-07-17 Who put the “O” in Aloha? Yeah, that’s me. Camden Sheridan. A guy who will bring you to “O” faster than you can text it. Former Army Ranger with the standard issue 8-pack. And now, a bartender who’ll get you safely back to your hotel after too many margaritas... and you won’t want me to leave. Believe me, you won’t. I live life by my rules in my bachelor pad paradise here on the Big Island of Hawaii. Until a Ranger brother needs me to take care of his little girl while he deploys. A four-year-old cockblock in pigtails. My sex life comes to a screeching halt. Then the babysitter shows up. Annie. Smart, principled, good with kids. All the things I don’t look for in a woman. I want her anyway. Annie’s got a fortress of secrets surrounding her. But I’ll break it down and claim her as mine. If this kid will just take a nap.

A Is for Asshole Carolynn Schwartz, 2016-10-08 Interesting Insults And Creative Curses for adults to color Volume 3: The Abecedarium, is an alphabet primer for the foul-mouthed 18+ crowd looking to color away their frustrations and engage in a meditative practice. Picking up where Volumes 1 and 2 left off, A is for Asshole sends you through the alphabet in the most delightfully dirty, and sometimes hilarious way. All images are hand-drawn by Carolynn Schwartz, with only a Sharpie, a vague plan, and a filthy imagination.

Assholes Aaron James, 2012-10-30 In the spirit of the mega-selling *On Bullshit*, philosopher Aaron James presents a theory of the asshole that is both intellectually provocative and existentially necessary. What does it mean for someone to be an asshole? The answer is not obvious, despite the fact that we are often personally stuck dealing with people for whom there is no better name. Try as we might to avoid them, assholes are found everywhere—at work, at home, on the road, and in the public sphere. Encountering one causes great difficulty and personal strain, especially because we often cannot understand why exactly someone should be acting like that. Asshole management begins with asshole understanding. Much as Machiavelli illuminated political strategy for princes, this book finally gives us the concepts to think or say why assholes disturb us so, and explains why such people seem part of the human social condition, especially in an age of raging narcissism and unbridled capitalism. These concepts are also practically useful, as understanding the asshole we are stuck with helps us think constructively about how to handle problems he (and they are mostly all men) presents. We get a better sense of when the asshole is best resisted, and when he is best ignored—a better sense of what is, and what is not, worth

fighting for.

Gatsby Returns David van Wert,2001-03 The pain burned in his gut like white fire and the blood just wouldn't stop flowing. In the back of his mind, Detective Jaworski had always feared this day—the day he was too slow. The day he got shot. I didn't want to die like this, he thought. And the fact that I'm wearing a tutu just adds insult to injury. David van Wert's book Gatsby Returns is best described as stack of papers bound into a sheaf. It measures roughly eight and a half by five and a half inches on the cover surface. The interior pages contain many different stories. It is a handy book to keep in the bathroom, and not just because many of the stories are short enough to be read during the average crap session. This book can be useful for smacking any spiders that may have crawled into your tub, for example. It has been said that given an infinite number of monkeys with an infinite number of typewriters, one could eventually produce the complete works of William Shakespeare. Our budget, however, only allowed us one rented monkey with a crayon and a paper sack, so this was the best we could do. Our apologies, but we had to have the monkey back by noon or we'd have lost our deposit. Surely you understand.

A Is for Asshole John Barron,2018-08-09 Enjoy this well-written and clever satire on a children's simple book of ABC's to describe the outrage and tragedy of Donald Trump's presidency and administration, with a rallying cry for hope and action for the future. Proceeds from the sale of this book will be used to help support those causes committed to righting the wrongs which Trump is perpetrating on this country. Please buy as many copies as you can and distribute them widely - It's long past time for change!

Offense and Offensiveness Andrew Sneddon,2020-11-02 This book offers a comprehensive study of the nature and significance of offense and offensiveness. It incorporates insights from moral philosophy and moral psychology to rationally reconstruct our ordinary ideas and assumptions about these notions. When someone claims that something is offensive, others are supposed to listen. Why? What is it for something to be offensive? Likewise, it's supposed to matter if someone claims to have been offended. Is this correct? In this book, Andrew Sneddon argues that we should think of offense as a moralized bad feeling. He explains offensiveness in terms of symbolic value. We tend to give claims of both offense and offensiveness more credence than they deserve. While it is in principle possible for there to be genuine moral problems of offense and offensiveness, we should expect such problems to be rare. *Offense and Offensiveness: A Philosophical Account* will be of interest to scholars and students working in moral philosophy and moral psychology.

Remarkably Bright Creatures Shelby Van Pelt,2022-05-03 A New York Times Bestseller Soon to be a Netflix Film A Read With Jenna Today Show Book Club Pick! "Remarkably Bright Creatures is a beautiful examination of how loneliness can be transformed, cracked open, with the slightest touch from another living thing." -- Kevin Wilson, author of *Nothing to See Here* For fans of *A Man Called Ove*, a charming, witty and compulsively readable exploration of friendship, reckoning, and

hope that traces a widow's unlikely connection with a giant Pacific octopus After Tova Sullivan's husband died, she began working the night shift at the Sowell Bay Aquarium, mopping floors and tidying up. Keeping busy has always helped her cope, which she's been doing since her eighteen-year-old son, Erik, mysteriously vanished on a boat in Puget Sound over thirty years ago. Tova becomes acquainted with curmudgeonly Marcellus, a giant Pacific octopus living at the aquarium. Marcellus knows more than anyone can imagine but wouldn't dream of lifting one of his eight arms for his human captors—until he forms a remarkable friendship with Tova. Ever the detective, Marcellus deduces what happened the night Tova's son disappeared. And now Marcellus must use every trick his old invertebrate body can muster to unearth the truth for her before it's too late. Shelby Van Pelt's debut novel is a gentle reminder that sometimes taking a hard look at the past can help uncover a future that once felt impossible.

A Year at the Movies Kevin Murphy, 2013-05-14 Mystery Science Theater 3000 's Tom Servo chronicles his year-long, daily mission of watching movies in theaters around the world. For some of us, moviegoing is an occasional pleasure. Kevin Murphy made it his obsession, and he did it for you. He went to the movies every day for a year. That's every single day, people. For a whole frickin' year. And not only did he endure, he prevailed—for this is the hilarious, poignant, fascinating journal of his adventures: the first book about the movies from the audience's point of view. Kevin went to the multiplex, sure. But he didn't stop there. He found the world's smallest commercial movie theater. Another one made completely of ice. Checked out flicks in a tin-roofed hut in the South Pacific. Tooled across the desert from drive-in to drive-in in a groovy convertible. Lived for a week solely on theater food. Took six different women to the same date movie. Dressed up as a nun for the Sing-Along Sound of Music in London. Sneaked into the Cannes and Sundance film festivals. Smuggled an entire Thanksgiving dinner into a movie theater. And saw hundreds of films, from the Arctic Circle to the Equator, from the sublime to the unspeakable. Come along on a joyous global celebration of the cinema with a man on a mission—to spend A Year at the Movies.

American Slang 4e Barbara Ann Kipfer, Robert L. Chapman, 2008-08-19 With 1,500 new words and phrases, this abridged edition of the Dictionary of American Slang is the most buzzworthy, banging collection of colloquial American English—no joke This fully updated and abridged fourth edition of American Slang contains more than 1,500 new terms representing the variety and vigor of American slang, from yada yada yada to yo momma. There's no better resource for those who are curious about language, fascinated by counterculture, or just completely confused when other people talk. Like previous editions, this edition features pronunciation guides, word origins, examples of appropriate usage as well as a helpful highlighting system that lets you know which terms should be used with caution, and never in polite company. Both an important archive of the way America is really talking and a lot of fun to read, American Slang will prove to be an invaluable companion in keeping up with the dauntingly jargon-filled, quickly evolving language of today.

Meat Is for Pussies John Joseph,2014-07-08 “[Joseph’s] advice works: The benefits of a plant based diet can be profound.” —Robert Ostfeld, MD, Director of the Cardiac Wellness Program, Montefiore Hospital and Associate Professor of Clinical Medicine, Albert Einstein College of Medicine John Joseph wants men to know, in no uncertain terms, that they don’t need to eat steak, burgers, wings, or any other animal product to be strong—in fact, he would argue, eating animals is for the weak. In *Meat is for Pussies*, Joseph offers both personal and scientific evidence that a plant-based diet offers the best path to athleticism, endurance, strength, and overall health. In addition to dispelling the myths surrounding meat, Joseph offers workout advice, a meal plan, and recipes that make going plant-based easy. Flavor and vitamin-packed options like the Working Man Stew and Veggie Chili with Cornbread will keep men’s (and women’s) bodies healthy and energized, while workouts that emphasize cardio and strength training build endurance and stamina and prove that you don’t need meat to build muscle. As an Ironman Triathlete in his fifties who is still rocking out as the frontman for his legendary band the Cro-Mags, Joseph is living proof that living a plant-based lifestyle is badass. At the end of the day, he wants readers to live a long, healthy, happy life . . . and he won’t take no for an answer. “John has written the quintessential pussy-transformation guide.” —Brendan Brazier, author of *Thrive: The Vegan Nutrition Guide To Optimal Performance in Sports and Life* “John’s book proves you don’t need meat to be strong, kick ass and be athletically competitive.” —Jake Shields, MMA Champion Fighter

discriminant review article khan academy - Sep 08 2023

web the discriminant is the part of the quadratic formula underneath the square root symbol $b^2 - 4ac$ the discriminant tells us whether there are two solutions one solution or no

solutions quick review of the quadratic formula the quadratic formula says that $x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}$ for any quadratic equation like $ax^2 + bx + c = 0$

the quadratic formula and the discriminant algebra 2 quadratic - Dec 31 2022

web in a quadratic equation the discriminant helps tell you the number of real solutions to a quadratic equation in this tutorial see how to find the discriminant of a quadratic equation and use it to determine the number of solutions you can never get too much practice working with the quadratic formula especially when the solution

solve quadratic equations with the quadratic formula practice - May 04 2023

web learn for free about math art computer programming economics physics chemistry biology medicine finance history and more khan academy is a nonprofit with the mission of providing a free world class education for anyone anywhere

c program to find the roots of a quadratic equation - Oct 17 2021

web the standard form of a quadratic equation is $ax^2 + bx + c = 0$ where a , b and c are real numbers and $a \neq 0$ the term $b^2 - 4ac$ is known as the discriminant of a quadratic equation it tells the nature of the roots if the discriminant is greater than 0 the roots are real and different if the discriminant is equal to 0 the roots are real and equal if the

discriminant formula rules discriminant of quadratic - Jul 26 2022

web the quadratic formula in terms of the discriminant is $x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}$ example find the discriminant of the quadratic

equation $2x^2 - 3x - 8 = 0$ comparing the equation with $ax^2 + bx + c = 0$ we get $a = 2$, $b = -3$ and $c = -8$ so the discriminant is Δ or $b^2 - 4ac = 3^2 - 4(2)(-8) = 9 + 64 = 73$ discriminant of cubic equation

understanding the discriminant date period kuta software - Jun 24 2022

web find the value of the discriminant of each quadratic equation $1. 6x^2 - 2x + 3 = 0$ $2. 2x^2 - x + 1 = 0$ $3. 4x^2 - 4x + 5 = 0$ $4. 5x^2 - 2x + 4 = 0$ $5. x^2 - 5x + 2 = 0$ $6. 2x^2 - 5x + 4 = 0$ $7. 6x^2 - 2x + 5 = 0$ find the discriminant of each quadratic equation then state the number of real and imaginary solutions

the quadratic formula review explanation and examples - Nov 29 2022

web mar 1 2022 the quadratic formula $x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}$ if the discriminant is positive this means we are taking the square root of a positive number we will have a positive and negative real solution this equation will have two real solutions or x intercepts
