All the Apostles of the Bible Herbert Lockyer, 1988-09-27 These studies on the character of the Apostles form a complete series on the lives, times, and ministries of those men chosen by God to declare his message to the world.

GOD'S TRUTHS vs. MAN'S LIES Pastor Randy Pitts II, 2018-01-03 God's truth is always found in His word. God's Truths versus Man's Lies is a book of scriptural validation and verification. It is impossible to know God's truth without knowing His word. It's like a puzzle. If you only have two or three pieces to a 200-piece puzzle, can you truly know what the puzzle looks like? Of course not. Well, God's truth about various topics is the same way. We must know all of His word or scriptural puzzle pieces about a subject, before He wants us to apply our faith to His word. That's why we are commanded to live by every word of God - Matthew 4:4. Having all the pieces presents the honesty to God's truth. Partial knowledge does not exact epignosis, which is the Greek word for the full and complete knowledge. That is why if we abide in His word, we shall know the truth, and the truth shall make us free - John 8:31-32. So, my friends, without the truth, all you have is the lie.

The Final Prophecy of Jesus Oral E. Collins, 2007-06-01 This commentary is the first major work on the book of Revelation

in many years that expounds the historicist interpretation. The historicist school of interpretation was the dominant approach from Reformation times through most of the nineteenth century. The reasons for the current disaffection are too complex to address in a few words, but it is the author's conviction that from the standpoint of sound principles of biblical hermeneutics, the historicist interpretation is still the most creditable approach for an accurate understanding of this, the last book of the Bible and the final prophecy of Jesus.
