Fr. Gabriele Amorth, Marcello Stanzione

An Exorcist Gabriele Amorth, 2015-09-15 Following up his international best-selling book, *An Exorcist Tells His Story*, Fr. Gabriele Amorth, the renowned chief exorcist of Rome, expands on some of the key topics of his previous book, covering important details about demonic or occult issues. He uses concrete examples from his own experiences and those of other exorcists to illustrate and substantiate his points. Since satanic sects, occultism, séances, fortune-tellers and astrologers are so widespread today, Father Amorth asks the question why is it so difficult today to find an exorcist, or a priest who is an expert in this field? The example and the teaching of Christ is very clear, as is the tradition of the Church. But today's Catholics are often misinformed. Exorcisms are reserved for appointed priests, while all believers can make prayers of liberation. What is the difference? What norms must be followed? What problems are still open and unresolved in this field? The new book by Father Amorth answers these and many other questions, supporting his discourse with a rich exposition of recent facts. A valuable, practical and instructive manual for priests and lay people, on how to help many who are suffering.

An Exorcist Tells His Story Gabriele Amorth, 2015-07-21 In this powerful book, the renowned exorcist of Rome tells of his many experiences in his ministry as an exorcist doing battle with Satan to relieve the great suffering of people in the grip of evil. The importance of the ministry to expel demons is clearly seen in the Gospels, from the actions of the Apostles, and from Church history. Fr. Amorth allows the reader to witness the activities of the exorcist, to experience what an exorcist sees and does. He also reveals how little modern science, psychology, and medicine can do to help those under Satan's influence, and that only the power of Christ can release them from this kind of mental, spiritual or physical suffering. *An Exorcist Tells His Story* has been a European best-seller that has gone through numerous printings and editions. No other book today so thoroughly and concisely discusses the topic of exorcism.

Stronger Than Evil Fr Gabriele Amorth, 2024-10-15 There is no doubt that evil exists and that the devil's potency has

increased in our modern culture of death. The rise in demonic afflictions -- from harassment and obsession to oppression and possession -- is an alarming testament to the reign of the prince of this world. For decades, Vatican exorcist Fr. Gabriele Amorth has been the leading voice on the demonic, spiritual warfare, and spiritual protection. Even after his death, newly published writings from his extensive archives remain as relevant as ever in our fallen world. In this fresh work, Fr. Amorth conveys a hopeful message about the supreme power of God over Satan and his minions. *Stronger Than Evil* draws from Fr. Amorth's exorcism ministry, affirming that the power over demons lies in Jesus Christ Himself. Fr. Amorth highlights some of the most powerful experiences in his deliverance ministry, giving concrete examples of divine intervention in desperate cases. He reveals: The key differences between mental illness and demonic influence How serious sin opens the door to demonic attack Whether curses or evil spells are real, and what can be done about them Why Satan is behind the pro-choice movement and the scourge of abortion Evidence of the diabolical in modern music The dangers and temptations of modern technology While recognizing the real threat of the diabolical, especially in a society that has rejected God, Fr. Amorth does not fall into the pit of despair. He leaves readers with a hopeful message: that grace is the decisive defense against our spiritual enemy. Here, Fr. Amorth personally testifies to the miraculous intervention of the saints, Our Lady, and the Holy Trinity in spiritual warfare, assuring readers that God is always in control. God keeps His promise to deliver us from evil.

Get Behind Me Satan Fr Gabriele Amorth, 2024-02-20 Fr. Gabriele Amorth, known as the Pope's Exorcist, exposes the reality of evil and lays out what our response should be in a time when the devil appears more powerful and cunningly alluring than ever. Our age, Fr. Amorth explains, is seduced by the wiles of the enemy -- either through fascination with the occult or through willful ignorance. There is, however, nothing to fear when we put on the armor of God. In these absorbing pages, Fr. Amorth offers ways to equip yourself and your loved ones for the spiritual battle that all humans are destined to face -- and to attain victory. From the pen of the legendary priest exorcist, you will learn gripping details about: - The figure of Satan and key ways to protect yourself from diabolical snares - The role of exorcists -- past and present -- and their discernment in counseling afflicted souls - Lessons from the saints in overcoming the temptations and attacks of the devil - Six types of disturbances that the devil can provoke (Can you guess them?) - Three things that cause a soul to fall into diabolical disturbances - Signs of diabolical possession and the view of science in such cases An invaluable collection of tried-and-true traditional prayers is also included for protection against the devil and liberation from his bondage. Fr. Amorth further explains the origin of Hell and the primary tactic the devil uses in pursuit of souls. He also provides a brief overview of the history of exorcism from the earliest centuries of Christianity and describes the ministry of exorcism, yesterday and today. Drawing from the riches of his experience, Father clarifies how he evaluates whether an individual is suffering due to preternatural causes and reveals the only authentic proof of malevolent influence. Significantly, you will see how the ability to cast out demons testifies to Jesus' divinity and will discover ways that all of the faithful can intercede for the afflicted.

Above all, you will be consoled by the power of Christ over the enemy and learn to rest safely in His care while trusting that by His Precious Blood shed on the Cross the triumph is already won.

Padre Pio Gabriele Amorth, 2021-08-16 This colorful memoir offers a rare, up-close glimpse of the life and personality of St. Pio of Pietrelcina, the beloved Italian monk who was blessed with extraordinary gifts. The late Fr. Amorth—well-known as an exorcist —enjoyed over two decades of a close friendship with the holy, quirky Padre Pio, whom he considered his spiritual father. Adding his own personal experience to a foundation of biographical research, Amorth gives an entertaining and illuminating account of perhaps one of the best-known saints of the twentieth century. In this book, we span from Padre Pio's childhood—where he cured himself of a disease by wolfing down all his mother's fried bell peppers—to his miracle-filled priesthood, to his Italian gift for mimicry, humor, and storytelling. The Rite Matt Baglio,2010-06-15 The inspiration for the film starring Anthony Hopkins, journalist Matt Baglio uses the astonishing story of one American priest's training as an exorcist to reveal that the phenomena of possession, demons, the Devil, and exorcism are not merely a remnant of the archaic past, but remain a fearsome power in many people's lives even today. Father Gary Thomas was working as a parish priest in California when he was asked by his bishop to travel to Rome for training in the rite of exorcism. Though initially surprised, and slightly reluctant, he accepted this call, and enrolled in a new exorcism course at a Vatican-affiliated university, which taught him, among other things, how to distinguish between a genuine possession and mental illness. Eventually he would go on to participate in more than eighty exorcisms as an apprentice to a veteran Italian exorcist. His experiences profoundly changed the way he viewed the spiritual world, and as he moved from rational skeptic to practicing exorcist he came to understand the battle between good and evil in a whole new light. Journalist Matt Baglio had full access to Father Gary over the course of his training, and much of what he learned defies explanation. *The Rite* provides fascinating vignettes from the lives of exorcists and people possessed by demons, including firsthand accounts of exorcists at work casting out demons, culminating in Father Gary's own confrontations with the Devil. Baglio also traces the history of exorcism, revealing its rites and rituals, explaining what the Catholic Church really teaches about demonic possession, and delving into such related topics as the hierarchy of angels and demons, satanic cults, black masses, curses, and the various theories used by modern scientists and anthropologists who seek to quantify such phenomena. Written with an investigative eye that will captivate both skeptics and believers alike, *The Rite* shows that the truth about demonic possession is not only stranger than fiction, but also far more chilling.
