**Every Bone a Prayer** Ashley Blooms, 2020-08-04 Blooms has taken the voice and names of Appalachia, tended, and evolved them, and created a book that is at once haunting and hopeful.—NPR Praised by BuzzFeed, Good Housekeeping, POPSUGAR, Bustle, and more! Misty's holler looks like any of the thousands of hollers that fork through the Appalachian Mountains. But Misty knows her home is different. She may be only ten, but she hears things. Even the crawdads in the creek have something to say, if you listen. All that Misty's sister Penny wants to talk about are the strange objects that start appearing outside their trailer. The grown-ups mutter about sins and punishment, but that doesn't scare Misty. Not like the hurtful thing that's been happening to her, the hurtful thing that is becoming part of her. Ever since her neighbor William cornered her in the barn, she must figure out how to get back to the Misty she was before—the Misty who wasn't afraid to listen. This is the story of one tough-as-nails girl whose choices are few but whose fight is boundless, as her coping becomes a battle cry for everyone around her. Perfect for fans of Southern coming-of-age stories like *Where the Crawdads Sing* and *If The Creek Don't Rise*, *Every Bone a Prayer* is a beautifully honest exploration of healing and of hope. Praise for *Every Bone a Prayer*: Haunting and healing, *Every Bone A Prayer* is a powerful debut that will leave its mark on readers' hearts.—Kim Michele Richardson, New York Times bestselling author of *The Book Woman of Troublesome Creek* This is a book and a writer I highly recommend.—Dorothy Allison, author of *Bastard out of Carolina* This is the kind of book we need to set literary expectations for a new decade. It's so textured, so layered with love and so wonderfully terrifying, intimate and magical.—Kiese Laymon, author of *Heavy: An American Memoir* Searing and soothing, honest and elusive, *Every Bone a Prayer* is a gift. It's the pure truth, told slant.—Alix E. Harrow, author of *The Once and Future Witches*

**Unbelievable Magic and Miracle of the Henderson's Family Life** A. Henderson, 2012-08 Well I need who ever

getting ready to read my book to listen to me real good right now, before you read my book, because I need you to sat down and take a deep breath of air and prepare yourself before you read all these unbelievable true Stories about what happen to me in my life here on earth. Because I know for myself before you get through reading my book you are going to take ten more deep breaths of air before you get through reading my book. Because my stream of Visions and Insights looking back into the past to see what happen and looking into the future to see what were going to happen in the future. Well all of these things happen to me and all the unbelievable things happen to me, that you are going to be reading about, well all of those Stories are really true. Also all those true Stories run together with each other but on separate days. So I wrote all my Visions and Insights down essentially as they occurred to me, so all of my true Stories would be accountable for, and specially the unbelievable true Stories that happen to me here on earth, and I know all those unbelievable things that happen to me will be hard for you to believe, but all of those Stories throughout my book that you or reading is the true and happen to me. See as a writer, I would normally remove such repetition, but this time I kept those Visions and Insights in my Stories of what happen to me, and I know some of those things that happen to me may seem unbelievable to you, but all of those unbelievable true Stories really happen to me. Because this is the truth as I saw it happening to me and I wrote them down as they was happening to me, because I have special Gifts and Psychic Powers to look back in the past to see what had happen in the past and look into the future to see what were going to happen in the future. Because God gave me special Gifts and Psychic Powers to look back into the past to see what had happen, and to look into the future to see what were going to happen I the future, and what you are going to read right now the truth as I saw it. So what you need to do right now is just keep on reading about all the bad and wonderful unbelievable things that happen to me in my true Stories and I hope that you enjoy every moment of it.
