The Irresistible Rise of Mediocre Man: The War On Excellence Joe Dixon, 2018-07-31 Imagine a world without quality. That world is coming. Quality is being assassinated by mediocrity. We are told that a rising tide lifts all boats. A rising tide of mediocrity makes everything mediocre and drowns everything of quality. You can't find any quality because it is surrounded by so much mediocrity. Nietzsche said, The higher we soar the smaller we seem to those who cannot fly. Mediocre people cannot recognize quality. For them, it's tiny, very far away, and irrelevant to their lives. Vicki Corona wrote, Remember that life is not measured by the number of breaths we take, but by the moments that take our breath away! In the land of mediocrity, life is measured more and more by the former and features none of the latter. We live in a muzak world, a world of sanitized, sterilized elevator music, designed to be as innocuous as possible, forming a uniform background, a background of absolute, mind-wiping mediocrity. The whole world is becoming like that. What will you do about it?

Charles Bukowski Fiction Collection Charles Bukowski, 2014-09-16 "Wordsworth, Whitman, William Carlos Williams, and the Beats in their respective generations moved poetry toward a more natural language. Bukowski moved it a little farther." -Los Angeles Times Book Review A collection of five of Charles Bukowski's most popular works, including: Pulp: Opening with Lady Death entering the gumshoe-writer's seedy office in pursuit of a writer named Celine, this novel demonstrates Bukowski's own brand of humor. Barfly: The screenplay of the 1987 movie. Ham on Rye: Charles Bukowski details the long, lonely years of his own hardscrabble youth in the raw voice of alter ego Henry Chinaski. Post Office: It began as a mistake. By middle age, Henry Chinaski has lost more than twelve years of his life to the U.S. Postal Service. Women: After decades of slacking off at low-paying dead-end jobs, Chinaski sees his poetic star rising at last. Now, at fifty, he is reveling in his sudden rock-star life.

The Gospel of Leadership Ryan Krupa, 2018-09-21 This book is an odyssey into the truth of leadership's nature and essence. Written for aspiring leaders, teachers of leaders, and followers, the aim is to practice awakening a leader's potential. The book mirrors and reflects the inner nature of the leadership journey. It is written in a contemplative style and uses dialogue to exercise a leader's will, intelligence, and spirit. The techniques taught in these chapters are dialogue, meditation, and contemplation. The author seeks to teach leaders how to exercise the power of will and the power of intelligence to make the kinetic chain of knowing, willing, and acting morally and intellectually strong. Reading this book

serves as a leadership development exercise. This book is a teaching tool designed to demystify what takes place in the interior nature of a leader. It examines a leader's soul, as it is exercised and strengthened in preparation for the cardinal act of leading, and it analyzes the act of making practical judgments, an act that demands the cultivation of a discerning mind to see and know the truth to be acted upon. Based on a true story, these chapters are a reflection on the formation of a leader and a realization of twenty years of research. The author studies the question: What does it take to develop a leader? Deliberations on eight years of guiding leaders on moral and intellectual quests in search of true freedom are revealed.

Sex With Angels: The Watchers and the Watched Jack Tanner, 2018-03-07 The Nephilim were on the earth in those days, and also after that, when the sons of God went to the daughters of men, and had children by them. - Genesis 6:4 Who were the sons of God? They were angels, and they mated with human females (daughters of men) to create a hybrid race of angel-humans (the Nephilim), some of whom are reputed to be still alive in the present day. What is sex with angels like? It's said that once you go angel, you never go back to human. Is having sex with angels dangerous? Is there any truth behind the rumor that angels are obsessed with women's hair, as St. Paul suggested? Is sex with angels the purest sex, or the dirtiest? This book explores the entire context of having sex with angels. Via Dante's Divine Comedy - which describes an epic journey through hell, purgatory and paradise - a formula is provided for how you might simulate having sex with angels. Could you literally undergo a metamorphosis and become an angel: a son, or daughter, of God?

THE WAY OF THE INFP Tom Avander, 2022-03-31 The INFP personality is often viewed for having a generous persona while keeping a low-key profile in the public room. Although this is true, their inside is often the contrary. Their vivid and imaginary perception can just as well take wild routes if it's for the right cause, whether it be for some of their passions or something they wholeheartedly believe in. They start early with seeking meaning in what they do by orienting themselves and questioning anything that catches their curiosity. They do so by asking why and what if, to which they try to find explanations for by making abstract connections and seeing potentials to how things work in the big picture, and how things could be. This causes them to be highly innovative and solution-driven characters that not unoften feel difficult to let people fully understand them. *THE WAY OF THE INFP* is an in-depth book written with the perspective of an INFP which introduces the reader to the INFPs idealistic nature and how they view themselves as of their potential in this world. The book takes the reader deep into topics on how the INFPs view authenticity, faith and symbolism, how they seek creativity in their daily life, their moments of isolation, love and friendship and so much more. Jump abroad, set the sails and let's make our way into the journey of - *THE WAY OF THE INFP*.

Interlude Devangshu Anchalia, 2020-09-15 'Interlude' is an attempt at going all the way and letting the imagination run wild in response to whatever life throws at us. It is an attempt at exploring the thoughts that engulf and emotions that overwhelm. Some of these poems were surprisingly, ahead of their times. While the whole world was unsure of what was to

come next, I decided to go for a quick walk and savor the old world for one last time before it changes completely. Stories, anecdotes and passages in the form of a verse on rhyme and meter, in the form of songs and alliterations or in the form of a verse as free as the birds uncaged into the sky, this is a collection of poems from the time when life is explored with passion, zeal, honesty and an unwavering dissent. Compiled at the time when the whole planet was locked down, this is my interlude between the old world and the new.
