Crimson Summer Heather Graham, 2022-04-05 They're not going down without a fight. When FDLE special agent Amy Larson discovers a small horse figurine amid the bloody aftermath of a gang massacre in the Everglades, she recognizes it immediately. The toy is the calling card of the apocalypse cult that Amy and her partner, FBI special agent Hunter Forrest, have been investigating, and it can only mean one thing: this wasn't an isolated skirmish—it was the beginning of a war. As tensions between rival gangs rise, so does the body count, and Amy and Hunter's investigation leads them to a violent, far-right extremist group who are in no hurry to quell the civil unrest. With a deadly puppet master working to silence their every lead, it's a race against the clock to figure out who's been pulling the strings and put a stop to the escalating cartel turf war before the Everglades run red. "Captivating cop fiction.... A well-developed and twisted read!" —Mystery and Suspense Magazine on *Danger in Numbers* Don't miss New York Times bestselling author Heather Graham's next thrilling read, *SHADOW OF DEATH*!

Heather Graham Cafferty & Quinn Series Books 1-3 Heather Graham, 2016-02-15 Enjoy all three books in the Cafferty & Quinn series by New York Times bestselling author and master of romantic suspense Heather Graham! *LET THE DEAD SLEEP* An object of desire? Or of fear? It was stolen from a New Orleans grave—the centuries-old bust of an evil man, a demonic man. One day its current owner shows up at Danni Cafferty's antiques shop on Royal Street, but before Danni can buy the statue, it disappears... Michael Quinn, former cop and now private investigator, is determined to find and destroy this object with its long history of evil. But Cafferty and Quinn know that their story won't end, even when this case is closed and

the dead rest in peace once again. **WAKING THE DEAD** They say a painting can have a life of its own. In the case of *Ghosts in the Mind*, painted by Henry Sebastian Hubert, that's more than just an expression. The characters are reputed to come to life—and to kill. Wherever it goes, death seems to follow. Danielle Cafferty and Michael Quinn, occasional partners in solving crime, are drawn into the case. They have to discover what brings this work of art—and evil—to life. And they have to destroy it. Before it destroys them... **THE DEAD PLAY ON** Play a song for me... Musicians are being murdered in New Orleans, but Arnie Watson apparently died by his own hand. When Tyler Anderson plays the saxophone he inherited from Arnie, he believes he sees visions of his friend's life—and death. He becomes convinced Arnie was murdered and that the instrument had something to do with it, and with whatever's happening all over the city... Tyler knows his theory sounds crazy, so he approaches Danni Cafferty, hoping she and Michael Quinn will find out what the cops couldn't.

Killers of a Certain Age Deanna Raybourn, 2023-08-15 Older women often feel invisible, but sometimes that's their secret weapon. They've spent their lives as the deadliest assassins in a clandestine international organization, but now that they're sixty years old, four women friends can't just retire—it's kill or be killed in this action-packed thriller by New York Times bestselling and Edgar Award-nominated author Deanna Raybourn. Billie, Mary Alice, Helen, and Natalie have worked for the Museum, an elite network of assassins, for forty years. Now their talents are considered old-school and no one appreciates what they have to offer in an age that relies more on technology than people skills. When the foursome is sent on an all-expenses paid vacation to mark their retirement, they are targeted by one of their own. Only the Board, the top-level members of the Museum, can order the termination of field agents, and the women realize they've been marked for death. Now to get out alive they have to turn against their own organization, relying on experience and each other to get the job done, knowing that working together is the secret to their survival. They're about to teach the Board what it really means to be a woman—and a killer—of a certain age.

The Murder Machine Heather Graham, 2025-04-29 Artificial intelligence meets genuine murderous intent. This state-of-the-art smart home has everything: a next-generation entertainment system, an ultramodern kitchen where every appliance is online and even a personal AI to control it all. Standing above its owner's lifeless body, FBI agent Jude Mackenzie is faced with the daunting task of discovering how the woman was killed by her own home. How do you catch a murderer that doesn't leave any fingerprints? Enter Special Agent Victoria Tennant, whose familiarity with cybercrime reveals the stark truth: a machine can only do what it's been directed to. As the number of grisly accidents begins to rise, the pair must race to uncover the perpetrator even as they find themselves caught in their digital crosshairs! There's nowhere to hide when danger may be as close as the very phones in their pockets.

The Sword of Light Heather Graham, 2025-10-14 Will fabled objects of myth be enough to defend their emerald isle? The mystical Tuatha Dé Danann walked the hills of ancient Ireland long before the first Rí, or king, ever ruled the land.

Before they stepped back to make way for mankind, they left behind objects of incredible power that would reveal themselves when most needed. When invaders from the North arrive, it feels like the moment that has long been foretold has finally come. Deidre, the daughter of a Rí, and Kylin, the son of a Northman who found peace and a home in Éire, have little in common, until they begin seeing visions of these fantastical gifts. The revelation that a traitor exists among the many Irish kings forces them to work together using their newfound powers in defense of their homeland. As all they hold dear comes under threat, it may be more than just dreams that the two begin to share...

Market for Murder Heather Graham, 2024-06-25 In the alleys of Edinburgh, someone is killing for profit... Scotland has a dead body problem. Another one. And in the wake of a similar spate of tribute killings, Special Agents Luke Kendrick and Carly MacDonald know they have their work cut out for them. Working alongside a new team of agents, the partners have more questions than answers when the crime scenes yield little evidence. In the style of infamous killers Burke and Hare, it appears victims are being moved to a secondary location, where they're dissected and sold for spare parts. With the clock ticking on every organ being harvested, the members of Blackbird know the killers must be near at hand, and soon discover that they're also being closed in on. As questions begin to arise about the newest additions to their team, Luke and Carly are running out of time—and people they can trust—to catch the killers before the agents themselves are the next to be put on ice. The Blackbird Files Book 1: Death Behind Every Door Book 2: Market for Murder Book 3: Legacy of Blood

The Unknown Heather Graham, 2021-09-28 A New York Times bestseller! Don't miss this latest Krewe of Hunters book—an all-new standalone story featuring the FBI's elite paranormal team. Someone wants to watch the city burn... Sienna Murray was only fourteen when she pulled her neighbors out of a raging house fire. A decade later, she still can't explain what happened that night, how she knew to save them at just the right moment—or why she receives the same mysterious warning when it happens again... New member of the Krewe of Hunters elite paranormal team Detective Ryder Stapleton doesn't believe in coincidences. So when the suspicious fire he's called to investigate reveals a cryptic link to Sienna, he can't help but think the unassuming museum curator has something to hide. But he soon discovers they have more in common than he ever thought—and a growing attraction neither can deny. If they're going to have a future, Sienna and Ryder need to catch a serial arsonist roaming the shadowy streets of New Orleans...before the city burns down around them. A dark

mystery, surprises and a cast of characters that will have you glued to the pages. —Fresh Fiction on Seeing Darkness
