High-Impact Instruction Jim Knight, 2012-11-29 Small changes can lead to big results! The key to improving student achievement isn't more teacher time—it's more teacher impact. But how do you decide which instructional practices will deliver the most bang for your buck? In this handbook, written for teachers but suitable for use by principals and instructional coaches, best-selling author Jim Knight presents the high-leverage strategies that make the biggest difference in student learning. This is no one-size-fits-all to-do list for the classroom—it's a simple and flexible framework you can customize to fit your working style and students' needs. Grounded in more than a decade of work with instructional coaches, this revolutionary book focuses on the three areas of high-impact instruction: Content planning, including using guiding questions, learning maps, and formative assessment Instructional practices such as the use of thinking prompts, effective questions, challenging assignments, and experiential learning Community building, in which you shape a classroom culture that promotes well-being, creativity, learning, and high expectations This accessible road map for professional learning empowers and supports you in making changes to your practice with practical tools, including: Checklists, numerous observation tools, and recommended resources for further reading Online videos that focus on implementation of high-leverage instructional practices Ways that students, teachers, instructional coaches, and principals can support implementation of the practices Suggestions for using the book and videos in coaching and school improvement efforts When it comes to teaching, little changes can make a big difference. With High-Impact Instruction, you have a rich toolkit for improving your own practice and promoting great teaching every day in every class. This book absolutely delivers on the promise of its subtitle, 'A Framework for Great Teaching.' It is breathtaking in its comprehensiveness and heartening in its practicality and detail. —Robert J. Marzano, CEO Marzano Research Laboratory Jim Knight has the capacity to be crystal clear at both the micro and the macro levels—a rare talent. High-Impact Instruction goes deep and it goes comprehensive. Planning, instruction, and community building become interwoven in a powerful manifesto for fundamental instructional and system change. —Michael Fullan, Professor Emeritus OISE/University of Toronto Jim Knight's High-Impact Instruction honors teachers as intelligent, complex, and dedicated people. While many have attempted to identify the attributes of effective instruction, Knight's work singularly acknowledges the basic human need to be our best selves. —Stephanie Hirsh, Executive

Developing High Impact Teaching: An Evidence-Based Guide Cat Chowdhary, 2025-06-04 This vital book delves into key teaching strategies that drive student progress and enhance classroom learning. Both accessible and practical, it

demonstrates how building routines and structures allows teachers to have a lasting positive impact on student's learning and offers the tools to ensure students feel supported and engaged throughout their learning journey. Working as a practical guide for teachers at all stages, these chapters delve into topics such as delivering clear instructions, fostering metacognitive skills, assessing progress effectively, and leading impactful learning. Developing High Impact Teaching offers valuable advice on how to develop your students as active learners and participants in their own education, how to set up impactful routines and good learning habits, how to give clear instructions so students understand what success looks like, and how to use cognitive acceleration techniques to improve learning. It is an essential resource for any busy classroom teacher or school. Designed with newly qualified teachers and those looking to refine their approach in mind, it emphasises evidence-based techniques rooted in Visible Learning principles. Through actionable advice and relatable insights, this book serves as an invaluable resource for educators seeking continuous growth and classroom success.

Integrating High Impact Educational Practices for Malaysia: A Handbook of Reflective Practice and Professional Development (UUM Press) Rosna Awang-Hashim, Mohammad Noman, 2023-02-20 High Impact Educational Practices (HIEPs) have been extensively tested as compelling pedagogies for university students from an array of backgrounds, especially for the underprepared, and those with limited opportunity for high-impact learning experiences. This handbook is written with our firm belief that while higher education practitioners around the world are focused on improving student outcomes, not many have access to a better understanding of the conceptual foundations, empirical research and best practices in student engagement and high impact educational pedagogies. In this book, we unpack the essential conceptual constructs around the notions of student engagement to encourage readers to purposefully add HIEPs to their pedagogical repertoire and engage in Scholarship of Teaching and Learning (SoTL) practices.

Focus on Teaching Jim Knight, 2014-03-06 Video will completely change the way we do professional learning. —Jim Knight To improve our teaching methods, we must understand what our current teaching methods are. And this is impossible to do this based only on our own perceptions or even feedback from observers. A classroom is a dynamic environment and there is always a lot going on that can be missed in the moment. The solution, according to renowned professional development expert Jim Knight, is video. In *Focus on Teaching*, Knight turns to the vast and disruptive potential of video recording to reach new levels of excellence in schools. This book builds on Knight's prior bestsellers to show how every classroom can easily benefit from setting up a camera and hitting record. The book includes Strategies that teachers, instructional coaches, teams, and administrators can use to get the most out of using video Tips for ensuring that video recordings are used in accordance with ethical standards and teacher/student comfort levels Protocols, data gathering forms, and many other tools to get the most out of watching video With Jim Knight's expertise and the latest in video technology, positive change in your classroom will be immediate and long-lasting. This book provides a blueprint for any school or district to continuously enhance the instructional prowess of teachers. Concepts like 'video-enhanced professional development' are

revolutionary in their intent, yet consummately simple, clear, and practical. —Robert J. Marzano, CEO Marzano Research Laboratory While many advocate for using video to improve teaching and learning, Jim Knight combines the rationale and strategies that compel us to take action. —Stephanie Hirsch, Executive Director Learning Forward Join Jim Knight and other experts at the 2014 Instructional Coaching Conference to explore how whole school reform is enhanced when principals, teachers, and coaches use collaborative planning and effective Instructional Coaching techniques to improve student learning.
