And they will save countless hours of frustration and work. Over 3,300 websites provide information on a range of topics: English language Bible translations that can be used online or downloaded, sites to listen to hymns on the Internet, Bible translations into 57 non-English languages, non-English commentaries, dictionaries, and other resource materials, Hebrew, Greek, and other ancient language texts and resource materials, numerous commentaries on any one single biblical book or on the entire scriptural canon, supplemental materials dealing with everything from devotional studies to issues of fundamental biblical interpretation, and pseudo-authoritative writings related to the two testaments. Multiple sites are given for each resource cited whenever possible.

Woman of Grace Elizabeth R. Williams, 2021-12-13 What do you think when you hear the word grace? Is it meant for godly people alone? Is grace an opportunity to willfully sin since you'll be forgiven anyway? Can we earn grace through our works? In Woman of Grace, author Elizabeth R. Williams answers these questions and more. A prophetess, teacher, writer, and mentor, Williams clarifies the true meaning of grace. Her life, full of experiences, demonstrates her understanding that nothing other than the grace of God could have sustained her. She documents her own stories and those of others to encourage women to rely on God's grace to uphold them during any circumstances. The teachings in Woman of Grace help you understand your worth in Christ through his grace. It discusses how you have grace to seek God more than ever—grace to intercede for others, grace to be healed, grace to live a repentant and sinless life, grace to forgive, grace to overcome fear, and grace to enjoy God in all aspects of your life. This devotional brings healing and guidance to walk in the many graces of God. Woman of grace, you are an overcomer and that is what makes you beautiful and powerful.

to do with it all? Written for both nonbelievers and those familiar with the Bible, *After You Die* gives insightful answers to life's most probing questions while offering hope to everyone who has ever wondered what happens to us after we leave earth.

International Review of Biblical Studies, Volume 51 (2004-2005) Bernhard Lang, 2006-02-01 Formerly known by its subtitle "Internationale Zeitschriftenschau für Bibelwissenschaft und Grenzgebiete", the International Review of Biblical Studies has served the scholarly community ever since its inception in the early 1950's. Each annual volume includes approximately 2,000 abstracts and summaries of articles and books that deal with the Bible and related literature, including the Dead Sea Scrolls, Pseudepigrapha, Non-canonical gospels, and ancient Near Eastern writings. The abstracts - which may be in English, German, or French - are arranged thematically under headings such as e.g. "Genesis", "Matthew", "Greek language", "text and textual criticism", "exegetical methods and approaches", "biblical theology", "social and religious institutions", "biblical personalities", "history of Israel and early Judaism", and so on. The articles and books that are abstracted and reviewed are collected annually by an international team of collaborators from over 300 of the most important periodicals and book series in the fields covered.

A critical engagement with theological education in Africa Johannes J. Knoetze, Alfred R. Brunsdon, 2022-02-07 The higher education landscape has arguably become one of the most arduous to traverse. More so in the African context, where a host of variables continuously challenge educators to reflect critically on their philosophies and practices as they engage an ever-changing audience. In this book, a critical engagement with theological education in Africa is offered. As the book originates from South Africa, it is presented as a South African perspective, although contributors are situated across the African continent and abroad. The common denominator is that all contributors are, in some way or another, invested in theological education in Africa. The main contribution of this collaborative work is to be sought in the insights it offers on four main areas of theological education: A historical and current orientation on theological education in Africa, some paradigm shifts in theological education in Africa, ministerial formation needs versus theological education challenges, and a critical reflection on elective models and methods. The book presents the original and innovative research of scholars for fellow scholars involved in theological higher education as it is grounded in the respective fields of interest of each contributor. It contributes to a better understanding of the complex African theological higher education landscape that is also mindful of post-COVID-19 realities. Methodologically the work draws on a combination of methods, including literature studies, empirical work, and in some cases sectional offerings from doctoral studies, as indicated in the various chapters.

Bible The King James, 2021-01-18 The Authorized King James Version of the Holy Bible is God's providentially appointed Word for the whole world which reveals the name of the Father as Jehovah, and the name of His Son, Jesus, in whom there is salvation, and the name of the Holy Ghost, who also manifests Himself in true traditional Pentecostalism. The standard text of

the Pure Cambridge Edition of the King James Bible has been published on this website. You are free to download this definitive electronic text of the King James Bible (KJB). The actual King James Bible text of the Pure Cambridge Edition (PCE) has been presented free of any typographical error, and is completely correct. It is scrupulously exact in typesetting right down to the italics and punctuation. This precise edition of the King James Bible is wholly based on the received traditional text as was published by Cambridge University Press and by Collins publishers. This electronic text has been made in Australia for the purpose of the exaltation of the Bible within Australasia. This Word is necessary for true Pentecostal revival throughout the whole Earth. The English Bible has been providentially raised up by God for a great dissemination of the true Gospel. The Pure Cambridge Edition (first published circa 1900) is the product of the process of textual purification that has occurred since 1611 when the Authorized Version was completed, and has been used (often unwittingly) as the received text for many decades. Millions of copies conformed to this edition were issued by Bible and missionary societies in the twentieth century. This text stands in contrast to all other editions (especially newly edited and modernised ones).

Israelology - The Birthright, House of Israel, Kingdom, and Sons of God Paul H. Andree, III, 2008-03-29 The Houses of Israel and Judah dominate the scriptures from the time of King David until they both were sent into captivity. Each House had a destiny to fulfill. These destinies are being worked out today. What drives the destiny of these Houses? The Birthright is a term that many in the Church are aware of but without an understanding of its presence throughout the scriptures. It is manifested as the Dominion Mandate and the Fruitfulness Mandate through the Houses of Israel and Judah. What are the implications for the coming Kingdom of God and the Sons of God? We cannot know or comprehend this answer unless we understand the many foundational scriptures and concepts that establish God's Heart and Plan for the 'last days'. This study will challenge each person to be 'teachable' and open to another perspective of God's Plan for Redemption. God will reveal His Plan for you and your place in His Coming Kingdom. God is maturing His Believers to 'rule and reign' with Him.

Your Secret to Spiritual Success James A. Scudder,2002 More than 2,000 years ago Jesus Christ walked among us. The crowds that gathered around Him heard truth-filled stories that they pondered long afterward. Truths that their spiritually famished hearts needed. Truths about living righteously before God that our hearts today need to hear. James Scudder believes that Christ's parables in the book of Mark reveal thirty-one principles that will help you experience spiritual growth. These principles guide you to exercise your faith, have a joy-filled life, and confidently tell others about Christ. Divided into twelve harmonious chapters, this pastor's work is practical, relevant, and upbeat. Scudder includes a section that recaps each chapter's points and offers an exercise for each principle-- plus tips for practice and prayer-- so that, whether you're studying the Word by yourself or with a group of believers, your spiritual life may successfully grow in the eternal ways that matter most.
