*Fly Fishing West Yellowstone* Bruce Staples,Bob Jacklin,2021-07-01 West Yellowstone, Montana, a gateway to Yellowstone National Park, is a stone's throw from some of the best trout fishing in the world, including the Yellowstone, Madison, and Gallatin Rivers, as well as the countless legendary streams and lakes in the Park. Because of this, it was one of the first "trout towns," and anglers from all over the world would travel to it—some stayed for good—to fish. Fly-fishing legend Bob Jacklin and well-known writer and fly historian Bruce Staples team up to write the compelling history of this area, which still remains the epicenter of fly fishing in the western United States. This book also includes fly patterns, past and present, as well as up-to-date information about these famous rivers, making this an indispensable reference for anyone visiting the region.
