**Murder Your Employer** Rupert Holmes, 2023-02-21 Preparing you for an education you'll never forget, this introduction to The McMasters Conservatory, dedicated to the consummate execution of homicidal arts, follows students as they prepare for graduation by getting away with the perfect murder of someone whose death will make the world a much better place to live--

**Murder Your Employer** Rupert Holmes, 2023-02-21 A New York Times bestseller! From Edgar Award-winning novelist, playwright, and story-songwriter Rupert Holmes comes a diabolical thriller with a killer concept: The McMasters Conservatory for the Applied Arts, "a fantasy academy laid out like a combination of Hogwarts, Downton Abbey, and a White Lotus-style resort" (Los Angeles Times) dedicated to the art of murder where students study how best to "delete" their most deserving victim. Who hasn't wondered for a split second what the world would be like if a person who is the object of your affliction ceased to exist? But then you've probably never heard of The McMasters Conservatory, dedicated to the consummate execution of the homicidal arts. To gain admission, a student must have an ethical reason for erasing someone who deeply deserves a fate no worse (nor better) than death. The campus of this "Poison Ivy League" college—its location unknown to even those who study there—is where you might find yourself the practice target of a classmate...and where one's mandatory graduation thesis is getting away with the perfect murder of someone whose death will make the world a much better place to live. Prepare for an education you'll never forget. A "fiendishly funny" (Booklist) mix of witty wordplay, breathtaking twists and genuine intrigue, *Murder Your Employer* will gain you admission into a wholly original world, cocooned within the most entertaining book about well-intentioned would-be murderers you'll ever read.

**Blood on the Stage, 1975-2000** Amnon Kabatchnik, 2012 Describes more than 80 full-length plays produced in the last quarter of the 20th century, with an emphasis on New York and London performances.

Rim of the Pit (An American Mystery Classic) Hake Talbot, 2023-10-03 The cult classic mystery that John Dickson Carr hailed as "a marvel of ingenuity." "I came here to make a dead man change his mind." So begins a creepy and unusual mystery celebrated to this day as one of the greatest "impossible crime" novels of all time. When a family's promise to protect the beloved pine grove of their dead father creates a financial strain, a seance is suggested to summon the ghost of the late logger and ask its permission. A mixed group of skeptics and believers convene at a snow-bound lodge to call the

spirit with a group that includes a gambler, a businessman, a clairvoyant, a professor, and a refugee, among others. With so many diverse interests at the table, the tensions run high — but when one of the participants ends up dead, there is reason to suspect that a nefarious spirit is to blame. The body is discovered in a locked room, impenetrable from the outside — just one of many bizarre and inexplicable circumstances surrounding the scene of the crime. There is also the trail of footprints in the snow, beginning and ending amid a field of untouched powder; another on the roof, with the tracks leading for a short distance before vanishing into nothingness; and, there are fingerprints on a gun suspended at an unreachable height... Supernatural undertones and eerie atmosphere clear away in the third act to present a logical conclusion to the case, teasing out the clues and murder methods that unscrupulous readers may have missed. With its off-beat exposition, puzzling plot and exceptional prose, *Rim of the Pit* is a cult classic of the Golden Age era deserving of a wide audience today.
