**Conscious Marketing** Carolyn Tate, 2015-07-07 In the modern economy, businesses must have heart The marketing industry is broken. Consumers are tired of interruption, push, mass media and the manipulation of marketing and advertising generally. They want to deal with honest, ethical companies that have heart and purpose and that care about serving all their stakeholders instead of their pockets. Conscious Marketing proves that marketing can really work if the paradigm is shifted—radically. In *Conscious Marketing: How to Create an Awesome Business With a New Approach to Marketing*, author Carolyn Tate demonstrates just how beneficial this shift can be. By practising the four tenets of conscious marketing, companies can raise their brand's profile and attract customers for life. The book shows how building a business with a higher-purpose can lead to sustainability, profitability and industry leadership. Conscious marketing works for both multinational corporations and cash-strapped small business alike. In the modern market, a business that does well and contributes to the elevation of humanity and the planet attracts the best customers, employees, suppliers and investors. These people evangelize, and the brand reach expands exponentially further and to a more loyal audience than traditional marketing will ever capture. This concept and other topics in the book include: What's wrong with marketing and why it doesn't work What conscious means to the consumer, business, leader and marketer The who, what, why and how of conscious marketing Navigating the shift from traditional to conscious practices The book includes a three-part guide to crafting an actionable plan, including where to find help. Marketing doesn't have to be the budgetary dead weight it has become. It can be fun, human and inspiring for everyone involved, but change requires a deep shift in thinking and behaviour that goes way beyond the transaction or the sale. To stay relevant in the modern economy, businesses must show what's at their core, why they do what they do and why it matters. *Conscious Marketing* is a comprehensive guide to fixing the problem, with a sustainable solution.

*Asian Economic and Political Issues* Frank H. Columbus,2002 It is predicted by some observers that the 21st century will be remembered as the 'Asian Century'. Many of the countries in the region seem to be able to take the economic and trade baton when one of the others experiences problems. The region, in general, continues to grow economically, politically and militarily. The articles presented in this book examine the current political and economic situations in nations across Asia, particularly focusing on economic developments.

**The Barren Years** Robert Manne,2001 In *The Barren Years* one of this country's most influential thinkers describes the changes in our political culture during the tenure of the Howard government. Robert Manne voted for John Howard in 1996 but as the Coalition government revealed its true character he became one of its most trenchant and articulate critics. In this compelling new book Manne describes a period in which we have lost opportunity after opportunity. Hopes for the republic and Aboriginal reconciliation are fading. The universities and the ABC are under siege. And refugees are incarcerated in prison-style camps. More than any other commentator Manne shows how social divisions between 'winners' and 'losers', between city and country, run deep. He analyses the One Nation phenomenon's refusal to die. How we reached the centenary of federation in an uneasy and uncertain mood. In *The Barren Years* Manne asks the basic question - what has gone wrong?

**Summer Skin** Kirsty Eagar,2025-10-16 From Kirsty Eagar, *Summer Skin* is a young adult novel about a modern-day riot grrl and an alpha male jock who explore love, trust, and double standards against the backdrop of today's hookup culture. Jess Gordon is out for revenge. Last year the jocks from Knights College tried to shame her best friend. This year she and a hand-picked college girl gang are going to get even. The lesson: Don't mess with Unity College girls. The target: Blondie, a typical Knights stud, arrogant, cold . . . and smart enough to keep up with Jess. A neo-riot grrl with a penchant for fanning the flames meets a rugby-playing sexist pig—sworn enemies or two people who happen to find each other when they're at

their most vulnerable? It's all Girl meets Boy, Girl steals from Boy, seduces Boy, ties Boy to a chair, and burns Boy's stuff. Just your typical love story. Kirsty Eagar expertly handles a searingly honest and aching funny story about love and sex amid the college hookup culture.

Finding Kait Suzanne Cass,2024-01-12 What happens when you break all the rules? Kait De Lucca is the wife of a rich and influential businessman and has everything she could ever wish for. Except true love. And freedom. When her best friend dies and Kait is beyond devastated. She's spent her whole life living by the rules and doing as she's told. So, when she breaks those rules, it's with spectacular results. With the voice of her dead friend echoing in her head, Kait runs away from her old life, heading north, with no clear plan on where she's going or what she's going to do when she gets there. Along the way Kait picks up Deanna, a young woman who wears Hi Vis clothing and works driving trucks on a mining site. The two women are complete opposites but form an unlikely alliance when they're bonded together by circumstance. Not only on the run from a psychopathic husband but possibly from the law as well, they try to hitchhike their way out of trouble. Truck driver, Jack Wolfe, unwittingly becomes part of the drama when he picks them up and drives them north to the idyllic, isolated community of Cloudwater Bay. Kait can't help but notice that Jack is a shining example of what a good man should be; the complete opposite of her husband in every way. Kait must decide what direction to take next, but lurking beneath the sun and sand lies the threat of Dario's vengeful reprisal, and she knows she can never be truly free. This is a powerful and suspense-filled novel that explores the bonds of female relationships, the boundaries of duty, and the power of forgiveness.
