**Calming the Creative Chaos** Karla K. Gavin, 2021-12-27 Calming the Creative Chaos: Quotes for Everyday Life By: Karla K. Gavin Calming the Creative Chaos: Quotes for Everyday Life is a collection of meaningful quotes that touch on a wide variety of life topics. We all have challenges at different times in our lives and we look for inspiration to overcome the obstacles we encounter. These quotes are presented in a month-by-month format with specific topics dedicated to each month. It is the author's hope that individuals will find several quotes that become their personal mantras to support them through the good and the challenging times, and that they can refer back to dates or months within the book and find a quote that fits their most difficult and special moments. Sometimes in life, less is more. A few well-chosen words can have a greater impact on our lives than we may realize at the time we read them. Continue to believe and hope, and may the quotes presented here help you navigate your daily life from a place of calm and peace.

**Tomato Bisque for the Brain** David A. Wright MD MM MBA MHSA, 2021-05-04 Tomato Bisque for the Brain is a book of wisdom, abundance, empowerment, prosperity and success. Tomato Bisque for the Brain is the best way to increase your self-improvement, self-development, self-motivation, self-reflection, self-actualization, self-determination, self-transformation and self-enhancement on a daily basis! The book's purpose is to help individuals move forward in life in positive ways through increased self-improvement, self-development, self-motivation, self-reflection, self-actualization, self-determination, self-transformation and self-enhancement. In addition to carrying 2/3rds of a year's worth of motivational quotations and inspirational self-affirmations (in Chapter 7), this book also helps to enable you to move forward in positive, transformational ways by presenting you with techniques, methods and strategies for helping you control your mood, create success, sideswipe negativity, escape emotional and behavioral ruts, and reset your mindset when needed. At its core, Tomato Bisque for the Brain illustrates the concept that pills alone will not solve most mental, emotional and/or psychological problems. The idea for this book came from watching Super Soul Sundays (R) on the Oprah Winfrey Network (OWN) (R). Watching the show has been such an inspiration for me. Tomato Bisque for the Brain's been a teacher. Oprah's Thought for Today newsletter (R) has also been a great inspiration. As an MD with two Abundance, Empowerment, Mind-setting and Prosperity Practices, MLC Of Greater Atlanta [MLCOGA], and Atlanta Coaching and Hypnotherapy Associates [ACHA], I help my clients to realize that there are motivations, inspirations and moments of insight that are readily available to them. In practice, I found myself

continually sending my clients to other sources to find concepts, affirmations, quotes and statements that would help empower them and fuel their meditations on a daily basis. So, I decided to create one for them so that I wouldn't have to necessarily send them elsewhere. Together, the chapters of this book will empower you with success-driving techniques while also providing you with the basic concepts, underpinnings and foundation for the formation of the habits upon which healthy mindsets and success are built. David A. Wright, MD, MM, MBA, MHSA "Tomato Bisque for the Brain is inspiring. Tomato Bisque for the Brain taps into the very essence of self-esteem building and affirmation. Dr. Wright manages to boost the spirits of readers by employing short, straight-to-the-point quotes that are enabling, timely, emotionally tranquilizing, and useful for readers. These quotes are spiritually rich in nature and can, like a hot bowl of tomato bisque soup, indeed lift your spirits, allay your cravings, and comfort you." Dr. Bettye Dunn-Wright University of Arkansas at Pine Bluff Associate professor, School of Education, Curriculum and Instruction Past School District Superintendent & Elementary School Principal "Tomato Bisque for the Brain is an outstanding addition to the motivational self-help field as we have been awaiting a compendium of practical self-help quotes and positive affirmations. Individuals struggling with stress, anxiety, life direction, or challenges and obstacles will find this immensely valuable. I have known Dr. Wright for over ten years. He is an intelligent, observant, levelheaded, practical, and innovative thinker in the mental health field. This should be required reading for all individuals who struggle with purpose and direction!" Todd M. Antin, MD Board certified in adult, addiction, forensic, and geriatric psychiatry CEO and Medical Director of PACT Atlanta LLC Psychiatry Department Medical Director for Emory DeKalb Medical Center

**"Twice the Thrills! Twice the Chills!"** Bryan Senn,2019-02-28 In the mid-1950s, to combat declining theater attendance, film distributors began releasing pre-packaged genre double-bills—including many horror and science fiction double features. Though many of these films were low-budget and low-end, others, such as *Invasion of the Body Snatchers*, *Horror of Dracula* and *The Fly*, became bona fide classics. Beginning with Universal-International's 1955 pairing of *Revenge of the Creature* and *Cult of the Cobra*, 147 officially sanctioned horror and sci-fi double-bills were released over a 20-year period. This book presents these double features year-by-year, and includes production details, historical notes, and critical commentary for each film.
