She's still a tomboy with a chip on her shoulder, but now she's a hot tomboy with a chip on her tattooed shoulder who can fight like a badass. Alex Eli Evans is my nemesis. He blames me for his sister's death, our parents' divorces, and probably global warming, too. Why on Earth would I help him? Because he's as easy on the eyes as he is the bane of my existence and I need a hot date to a wedding in San Diego. Can we drive across the country without me leaving him at a truck stop somewhere? I doubt it. But, I'm willing to try. Ten days in a car, a wedding, and a marriage of convenience, then I'm done with him forever.

Then Noah does so much more, giving her a night of passion that she'll never forget. Still, Jules has no intentions of taking it further. She thought she knew me, but she had it all wrong— I was nothing like my brother. To prove her wrong, I was going to steal her heart and make her mine. Rian Oliver Wexler might not have been the one that ruined my life five years ago, but he basically drove the getaway car. The only thing more dangerous than kissing the enemy... sleeping with the enemy. Good thing I had no intentions of doing either. But Ollie had a pesky habit of sticking his nose— and his lips--where they didn't belong. Even though I've already learned my lessons about falling for a man like him. Enemies with Benefits Sally Peters,2025-09-10 We were supposed to hate each other. Instead, we broke every rule. Rowan Blackwood is the man I've spent years despising-my rival, my annoyance, the cocky thorn in my side who always knows exactly how to push my buttons. He's infuriatingly smug, dangerously charming, and far too good at winning... at everything. Especially when it comes to making me lose control. One reckless night was never part of the plan. But now I know how his lips taste, how his hands feel, how his voice sounds when it's only for me-and I can't forget it. The rules are simple: No feelings. No strings. No future. But the more we pretend this is casual, the harder it is to remember why I ever hated him in the first place. Every argument sparks heat. Every touch is fire. And every kiss threatens to burn down the walls I've spent years building. If love is war, then Rowan Blackwood might be the one battle I'm destined to lose.

Willfully Malicious Intent Michele Lenard, 2021-11-02 Two alpha attorneys collide in this HOT second-chance romance from author Michele Lenard. The only thing worse than a broken heart is coming face to face with the person who broke it. Jason - I am drowning in happily ever after(s). My best friend and business partner, his brother, even my childhood neighbor, are all either engaged or married, making me the lone single guy in the group. I could live with that if I thought I'd find my own happily ever after, but she left my heart too damaged for that. And since she happens to be close with my partner's new wife, I'm scared she'll cost me my friends too. The worst part is, as much as I hate her for what she did to us, I think I still love her. Or the idea of her anyway. Harper - My mother never recovered from a broken heart, which is why I swore never to fall in love. But I got careless. I let someone in, gave him my heart, and he ripped it out when he accused me of betraying him. I could've let it break me, but I refuse to give him the satisfaction, especially now that he's back in my life. Unfortunately, seeing him again has unintended consequences, and now my carefully constructed façade is starting to crack. I'm scared to make myself vulnerable again, but I think I'm even more scared to live without him. **Willfully Malicious Intent** is a stand alone book in the Mile High Romance collection.
