She Ain't Heavy, She's My Mother Bryan Batt,2011-04-05 Gayle Batt is the kind of lady who throws elegant cocktail parties while wearing layers of silk chiffon, dripping pearls, and eight months' pregnant. She is the kind of woman who says "anyhoo" and calls everyone "Dahlin'" or a special pet name. With hair, makeup, and nails always done to perfection, she triumphs rather than crumbles when infidelity, alcoholism, cancer, or any form of adversity attempts to shatter her family. Endearing and enduring, Gayle is a big-hearted, strong-willed true Southern belle—and she taught her son everything he knows about being a man. In *She Ain't Heavy, She's My Mother*, Bryan Batt, the actor who plays Sal Romano on the Emmy, Golden Globe, and Peabody Award-winning *Mad Men*, chronicles his life—and his mother's supportive presence in it. From growing up gay below the Mason-Dixon Line to landing principal roles on Broadway (his first was on roller skates playing a singing and dancing boxcar in *Starlight Express*!) and later on the picture-perfect sets of TV's *Mad Men*, to opening the ever-popular Hazelnut boutique in his hometown of New Orleans with his partner, Bryan weaves a touching and hilarious story of the South, showbiz, and an unshakable bond between mother and son.

It's a Hit! David Sheward, 1994 Filled with absorbing theatre lore and vintage photos, *It's a Hit!* relates the history of the Broadway theatre through the story of its most popular and successful shows. Spanning more than a century of American theatre, this is the first book to survey all the musicals, comedies, dramas, and thrillers that have run 500 or more performances. In fact-filled profiles, author David Sheward, Managing Editor of *Back Stage*, tells all about the unique events surrounding the creation and staging of each show, the personalities involved, the press reactions, and the subsequent touring productions, motion pictures, and telecasts that were derived from the Broadway hits. Trivia buffs will love the numerous behind-the-scenes anecdotes about the authors and songwriters, the producers and directors, and, of course, the performers: stars who captured the spotlight, burlesque and vaudeville veterans, hard-working chorus members, and scene-stealing unknowns. Opening dates and venues, production teams and original cats are listed. A final section is devoted to the hits of off-Broadway, and important awards like the Pulitzers and Tonys are highlighted as well.

Good Grief! Using the Grief Sheet to Improve Community Theatre Production Kenneth Anderson, 2002 *Good Grief! Using the Grief Sheet to Improve Community Theatre Production* was written to encourage theatre directors to take advantage of the benefits involved in a daily written critique of amateur play rehearsals. In over 40 years of directing community and school productions, as well as acting for other directors, I have yet to meet a director who employs this technique. I don't know why this is so, except that it does require a large investment in time. Typically, the directors I have known wrote grief

notes and then assembled cast and crew to convey them verbally. Obviously, much time is wasted following this method since everyone has to listen whether or not they are specifically involved. Furthermore, the published grief sheet provides the perceived need for instruction as well as a record to return to, to refresh the memory in regard to the needed improvements, which often are forgotten otherwise. The Grief Sheet is also a team builder, and the team concept is an essential quality of a successful theatre company. In writing this book, my collections of grief sheets have enabled me to relive some exciting and memorable productions.

Secondary Stages Jeff Bennett, 2001 Secondary Stages combines in one volume everything a high school teacher needs to organize and implement a successful, dynamic theatre program. Bennett's approach is based on a simple premise: that exposure to theatre can be an utterly transforming experience for studentsone that enables them to reach unimagined levels of personal, emotional, and intellectual growth. His book delivers hands-on techniques to make it all happen, illustrating how to: draw interested students into the program inspire students to act with truth and conviction establish the connection between good improvisation and good scene work carry passion for theatre outside the classroom and into the mainstream of school life choose material that's stimulating enough to attract a sizable student audience without creating unwanted controversy structure activities and lessons so that they encourage maximum sensitivity and awareness lay the basis for mounting memorable productions. With these goals in mind and with more than three decades of experience, Bennett presents strategies that have consistently proven effective for the broadest possible range of students.
