

The Darkest Evening Of The Year

Cornelia Spencer Love

The Darkest Evening of the Year Dean Koontz, 2007-11-27 BONUS: This edition contains an excerpt from Dean Koontz's *The City*. With each of his #1 New York Times bestsellers, Dean Koontz has displayed an unparalleled ability to entertain and enlighten readers with novels that capture the essence of our times even as they bring us to the edge of our seats. Now he delivers a heart-gripping tour de force he's been waiting years to write, at once a love story, a thrilling adventure, and a masterwork of suspense that redefines the boundaries of primal fear—and of enduring devotion. Amy Redwing has dedicated her life to the southern California organization she founded to rescue abandoned and endangered golden retrievers. Among dog lovers, she's a legend for the risks she'll take to save an animal from abuse. Among her friends, Amy's heedless devotion is often cause for concern. To widower Brian McCarthy, whose commitment she can't allow herself to return, Amy's behavior is far more puzzling and hides a shattering secret. No one is surprised when Amy risks her life to save Nickie, nor when she takes the female golden into her home. The bond between Amy and Nickie is immediate and uncanny. Even her two other goldens, Fred and Ethel, recognize Nickie as special, a natural alpha. But the instant joy Nickie brings is shadowed by a series of eerie incidents. An ominous stranger. A mysterious home invasion. And the unmistakable sense that someone is watching Amy's every move and that, whoever it is, he's not alone. Someone has come back to turn Amy into the desperate, hunted creature she's always been there to save. But now there's no one to save Amy and those she loves. From its breathtaking opening scene to its shocking climax, *The Darkest Evening of the Year* is Dean Koontz at his finest, a transcendent thriller certain to have readers turning pages until dawn.

Poets of America Clement Wood, 1925

The University Library John Huston Finley, 1926 The genesis of the University Library lies in a compilation of Little Masterpieces, the first of which were published more than twenty-five years ago. The material included in these volumes was selected by able editors and writers whose experience was great and whose taste was excellent. Out of the Little Masterpieces grew a course in liberal education which was known as the Pocket University, and out of the Pocket University grew, finally, the University Library. The publishers most gratefully acknowledge their debt to the editors who compiled the original volumes: Bliss Perry, Henry van Dyke, Hardin Craig, Thomas L. Masson, Asa Don Dickinson, the late Hamilton W. Mabie, George Iles, the late Dr. Lyman Abbott, and others. Some of the most important material contained in the Pocket University is, of course, included in the University Library but the sequence has been entirely changed and the scope of the work greatly broadened. Fully two thirds of the material is new and the literature of the world has been ransacked to find appropriate text to fit the basic educational needs of the modern public. - Publisher' s note
