

The Last Days Of Jack Sparks

Richard Lee,Edward E. Hindson

The Last Days of Jack Sparks Jason Arnopp,2016-03-01 Ingenious and funny . . . Magnificent. -- Alan Moore, creator of Watchmen and V for Vendetta Jack Sparks died while writing this book. It was no secret that journalist Jack Sparks had been researching the occult for his new book. No stranger to controversy, he'd already triggered a furious Twitter storm by mocking an exorcism he witnessed. Then there was that video: forty seconds of chilling footage that Jack repeatedly claimed was not of his making, yet was posted from his own YouTube account. Nobody knew what happened to Jack in the days that followed -- until now. Wow. Seriously hard to put down. -- M. R. Carey, author of The Girl With All the Gifts

Ghoster Jason Arnopp,2019-10-22 Jason Arnopp - author of acclaimed cult hit The Last Days of Jack Sparks - returns with a razor-sharp thriller for a social-media obsessed world. Prepare to never look at your phone the same way again . . . Kate Collins has been ghosted. She was supposed to be moving in with her new boyfriend Scott, but all she finds after relocating to Brighton is an empty apartment. Scott has vanished. His possessions have all disappeared. Except for his mobile phone. Kate knows she shouldn't hack into Scott's phone. She shouldn't look at his Tinder, his calls, his social media. But she can't quite help herself. That's when the trouble starts. Strange, whispering phone calls from numbers she doesn't recognize. Scratch marks on the walls that she can't explain. And the growing feeling that she's being watched. Kate refuses to leave the apartment - she's not going anywhere until she's discovered what happened to Scott. But the deeper she dives into Scott's digital history the more Kate realizes just how little she really knows about the man she loves. For more from Jason Arnopp, check out: The Last Days of Jack Sparks

The Last Days are Here Again Richard G. Kyle,1998 A handy, comprehensive guide to the history of both Christian and secular end-times thought and movements.
