Against the Loveless World Susan Abulhawa, 2020-08-25 Arab American Book Award Winner 2021 Aspen Words Literary Prize Finalist 2020 Athenaeum Literary Award Finalist 2020 Palestine Book Awards Winner Longlisted for Rathbones Folio Prize “Susan Abulhawa possesses the heart of a warrior; she looks into the darkest crevices of lives, conflicts, horrendous injustices, and dares to shine light that can illuminate hidden worlds for us.” —Alice Walker, Pulitzer Prize-winning author In this “beautiful...urgent” novel (The New York Times), Nahr, a young Palestinian woman, fights for a better life for her family as she travels as a refugee throughout the Middle East. As Nahr sits, locked away in solitary confinement, she spends her days reflecting on the dramatic events that landed her in prison in a country she barely knows. Born in Kuwait in the seventies to Palestinian refugees, she dreamed of falling in love with the perfect man, raising children, and possibly opening her own beauty salon. Instead, the man she thinks she loves jilts her after a brief marriage, her family teeters on the brink of poverty, she’s forced to prostitute herself, and the US invasion of Iraq makes her a refugee, as her parents had been. After trekking through another temporary home in Jordan, she lands in Palestine, where she finally makes a home, falls in love, and her destiny unfolds under Israeli occupation. Nahr’s subversive humor and moral ambiguity will resonate with fans of *My Sister, The Serial Killer*, and her dark, contemporary struggle places her as the perfect sister to Carmen Maria Machado’s *Her Body and Other Parties*. Written with Susan Abulhawa’s distinctive “richly detailed, beautiful, and resonant” (Publishers Weekly) prose, this powerful novel presents a searing, darkly funny, and wholly unique portrait of a Palestinian woman who refuses to be a victim.

Against the Loveless World Susan Abulhawa, 2021-11-02 From the internationally bestselling author of the terrifically affecting (The Philadelphia Inquirer) *Mornings in Jenin*, a sweeping and lyrical novel that follows a young Palestinian refugee as she slowly becomes radicalized while searching for a better life for her family throughout the Middle East.--

Against the Loveless World Susan Abulhawa, 2020-07 Nahr has been confined to the Cube: nine square metres of glossy grey cinderblock, devoid of time, its patterns of light and dark nothing to do with day and night. Journalists visit her, but get nowhere; because Nahr is not going to share her story with them. The world outside calls Nahr a terrorist, and a whore; some might call her a revolutionary, or a hero. But the truth is, Nahr has always been many things, and had many names. She was named for the river her pregnant mother crossed when she fled from Palestine, but her feckless father called

her Yaqoot, Ruby. For a time when she came of age she was Almas, Diamond, a girl who went to hidden parties in Kuwait with powerful men, who sold off parts of herself to keep her family together. She was a girl who learned, early and painfully, that when you are a second class citizen love is a kind of desperation; she learned, above all else, to survive. She was a girl who went to Palestine in the wrong shoes, and without looking for it found what she had always lacked in the basement of a battered beauty parlour: purpose, politics, friends. She found a dark-eyed man called Bilal, who taught her to resist; who tried to save her when it was already too late. Nahr sits in the Cube, and tells her story to Bilal. Bilal, who isn't there; Bilal, who may not even be alive, but who is her only reason to get out.

Onslaught against Innocence Andre LaCocque, 2010-06-24 This is a literary-critical analysis of the myth of Cain and Abel, masterfully related in Genesis 4 by the Yahwist, probably the greatest storyteller in the Hebrew Bible. The Yahwist narrates the initial slaughter of one human being by another, and strikingly, it is described as fratricidal. The book explores the anthropological, theological, and psychological dimensions of this universal myth and shows the readers such a vivid and intense story that one feels like will never get to the bottom of it. Thus, after a deep reading, this well known story is much more than what could seem at first sight; it can be said to be the portrait of human that is always torn between the innocence of Eden and its denial; between what is considered 'doing well' and 'not doing well'.

Wider die Rotten der Bauern. Against the Bands of Peasants Martin Luther, 2025-11-28 1525 was a dramatic year in German politics. The Peasants' War swept through South and East Germany and mobilised a large number of peasants in support of the movement, and an even larger number on the side of the princes and ruling classes opposing it. Martin Luther, dependent on the princes to realise his Reformation ideas, wrote one of the most vicious pamphlets of his life, attacking the

ideas of the peasants, particularly their use of the term 'freedom'. He defended his own use of the term as pertaining only to spiritual freedom and condemned insurrection in the strongest terms, calling on the princes to slay, choke and stab any rebel. 500 years after its first publication, this edition with a new modern English translation, extensive linguistic and historical footnotes, and a comprehensive introduction contextualises the attack, both in terms of its historic significance and its afterlife. As in the previous volumes from the Reformation Series of the Taylor Editions, the text is based on pamphlets from the Taylorian collection which are also provided as facsimiles. The volume is published open access and with additional resources such as an audiobook and 'fold-your-own-pamphlet' for both of the copies held in the Taylorian. The introduction consists of eight chapters: in the first three, Rahel Micklich discusses in turn the historical background of the Peasants' War (1), the underlying conflict with radical reformer Thomas Müntzer (2), and the ensuing pamphlet war with the Catholic adversaries of Luther, particularly Johann Cochlaeus (3). Timothy Powell then looks at the reception of the pamphlet in the GDR who were clearly taking the side of the peasants and of Thomas Müntzer against Luther's polemic (4). Marina Giraudeau and Tamara Klarić by contrast look at the contemporary reception of all of Luther's 1525 pamphlets on the topic as mirrored in the pamphlets held in the Taylorian and in the Bodleian Libraries in Oxford (5). The introduction is rounded off by a short explanation of the language of the pamphlet, the typographical conventions, and the principles guiding the edition by Henrike Lähnemann (6), with a comprehensive bibliography on the pamphlet (7).

The Blue Between Sky and Water Susan Abulhawa, 2015-01-01 It is 1947, and Beit Daras, a quiet village in Palestine surrounded by olive groves, is home to the Baraka family. Eldest daughter Nazmiyeh looks after her widowed mother, prone to wandering and strange outbursts, while her brother Mamdouh tends to the village bees. Their younger sister, Mariam, with her striking mismatched eyes, spends her days talking to imaginary friends and writing. When Israeli forces gather outside the town's borders, nobody suspects the terror that is about to descend. Soon the village is burning and, amidst smoke and ash, the family must take the long road to Gaza, in a walk that will test them to their limits. Sixty years later, Mamdouh's granddaughter Nur is living in America. She falls in love with a married man, a doctor who works in Palestine, and follows him to Gaza. There she meets Alwan, the mother of Khaled - a boy trapped in his own body, unable to wake up from a deep blue dream. It is through her that Nur will at last discover the ties of kinship that transcend distance - and even death. *The Blue Between Sky and Water* is a story of powerful, flawed women; of relocation, separation and heartache; of renewal, family, endurance, and love. Susan Abulhawa brings a raw humanity and delicate authority to the story of Palestine in this devastatingly beautiful tale.
