**Convinced?** C. J. Rysen, Dan Manternach, 2021-10-20 What is the complete essence of this book? The Cosmic Harmony of Science, Scripture, and Reason. Can it be indubitably proven that God absolutely exists? Can it really be shown how science actually confirms creation by God? Given that some say not even God can create something out of nothing, exactly how did God create everything in the universe? Just how can the Holy Bible be reliable and the divine Word of God when it is challenged with so much controversy? Can it be irrefutably verified that Jesus was for real, really rose from the dead, and is the Son of God? Did the Great Flood of Noah and his Ark really happen? How? Everybody wants to see proof. Atheists and skeptics often demand it. A total of twenty-one of the most often asked and difficult questions challenging Christianity are answered by coauthors C. J. Rysen, (author of the Christian apocalyptic thriller, a novel, *In the Course of Three Hours* ([www.inthecourseofthreehours.com](http://www.inthecourseofthreehours.com))), and Dan Manternach, a public speaker and leader in the Christian Group, Ministry to Men ([www.ministrytomen.net](http://www.ministrytomen.net)). Both men have collaborated to provide irrefutable answers and explanations in a simple, easy-to-understand, straightforward way, providing new, unexpected, and intriguing perspectives to which you likely may

have never given any thought. Many of these will be surprising and often startling to anyone--whether skeptic, agnostic, or atheist. The book is also intended to be a reference source for the layperson, as well as those with formal theological or philosophical education. Although this book is intended to address these questions for the benefit of the nonbeliever, it also is intended to prepare the believer to help answer such questions and solidify their faith. If one is intellectually honest with oneself, the explanations in this book should be overwhelmingly compelling and absolutely convincing. If they are not, one must ask the question, Why?

**The Genealogical Adam and Eve** S. Joshua Swamidass, 2019-12-10 What if the biblical creation account is true, with the origins of Adam and Eve taking place alongside evolution? Building on well-established but overlooked science, S. Joshua Swamidass explains how it's possible for Adam and Eve to be rightly identified as the ancestors of everyone, opening up new possibilities for understanding Adam and Eve consistent both with current scientific consensus and with traditional readings of Scripture.

*Unquestioned Answers* Jeff Myers, 2020-03-01 We hear and say short Christian clichés all the time, such as “Jesus was a social justice warrior,” “Just have faith,” and “It’s not my place to judge.” These trite statements often go unquestioned. Sometimes they even substitute for truth, leading to a fragile and shallow faith. But what if a close study of these clichés could lead us to deep biblical truth? In *Unquestioned Answers*, Dr. Jeff Myers rethinks ten popular Christian clichés. Through an in-depth and fresh look, Myers shares insights into these overused statements to strengthen readers’ faith and encourage them to share Jesus with others. Walk with Myers on a path to biblical truth as he explores critical topics such as social justice, faith, sin, loving others, God’s goodness, prayer, and more.

*Broken--Experience Victory over Sin* Josh McDowell, Sean McDowell, 2011-09-01 *Broken—Experience Victory over Sin* (#3 of *The Unshakable Truth Journey® Growth Guides*) examines the truth about humankind's brokenness because of original sin, humankind's ongoing problem with sin, and how instead to make right choices in life. Series copy An entire generation of young Christians—along with millions of older believers—is confused about what they believe, why they believe it, and how it's relevant. *The Unshakable Truth Journey® Growth Guides* are a series of 12 courses designed especially for churches, church classes, and small groups. They get to the heart of what being a true follower of Christ means and what knowing Christ is all about. Each five-session guide is based one of 12 core truths of the Christian faith presented in Josh and Sean McDowell's book *The Unshakable Truth®*. Orthodox, hard-hitting, and relevant, these guides uniquely positioned for today's culture because they highlight how Christianity's beliefs affect relationships; promote a relational, group context in which Christians can experience the teaching in depth; and show believers how they can live out Christianity's central truths before their community and world. More than just a program, *The Unshakable Truth Journey® Growth Guides* are a tool for long-term change and transformation!
