La mujer moderna en los escritos de Federica Montseny Nuria Cruz-Cámara, 2015 Este libro explora la representación de la mujer moderna en los escritos de Federica Montseny (1905-1994), prominente líder anarquista española en las décadas de 1920 y 1930. This book explores the figure of the modern woman in the writings of Federica Montseny (1905-1994), a prominent Spanish anarchist leader during the 1920s and 1930s. Este libro explora la representación de la mujer moderna en los ensayos y la ficción de Federica Montseny (1905-1994), líder anarquista española de gran prominencia en las décadas de 1920 y 1930. Se examinan en profundidad sus escritos sobre la cuestión de la mujer a la luz de las premisas filosóficas que sustentan el ideario del anarquismo. Además, su ficción mantiene un complejo diálogo con los discursos científicos y culturales de género que pn durante las primeras décadas del siglo XX. La mujer moderna de Montseny no consiste en una figura única, finalizada y estática, sino que se desplaza entre una diversidad de articulaciones a veces contradictorias, pero que reflejan por igual sus creencias anarquistas. Montseny, quien gozó de enorme popularidad en su época como escritora y política, elaboró y diseminó algunas de las propuestas sobre la emancipación de las mujeres más originales do, y este volumen es el primero en situar su pensamiento como una de las piezas fundamentales en la evolución del feminismo español. Nuria Cruz-Cámara es Profesora Titular en la Universidad de Tennessee. This book explores the figure of the modern woman in the essays and fiction of Federica Montseny (1905-1994), a prominent Spanish anarchist leader during the 1920s and 1930s. It examines in depth the author's theories of gender in light of the basic principles of anarchist political thought and philosophy. In addition, Montseny's novels are shown to engage in an elaborate and critical dialogue with scientific and cultural discourses on women that proliferated during the first four decades of the 20th century. Montseny's ideal modern woman is not a static and definite figure; rather, she shifts across different and at times contradictory articulations that, nonetheless, all fall within her anarchist beliefs. Montseny, a popular politician and writer during her time, developed and disseminated some of the most original concepts dealing with women's emancipation and gender theory, and the present volume is the first to situate her thought as a key component within the evolution of Spanish feminism.. Nuria Cruz-Cámara is Professor of Spanish at the University of Tennessee.

Antes que nada Martín Caparrós,2024-10-24 Antes que nada, como todas las obras de Caparrós, es, además de sus memorias, un magnífico artefacto literario donde cada palabra cuenta, donde el cómo importa tanto como el qué. Martín Caparrós es uno de los grandes escritores de su generación, maestro del periodismo y de la novela y de esa cruza de ambos que es la crónica. Nómada, polemista, curioso impenitente, ha recorrido el mundo y conocido a muchos de sus habitantes ricos y poderosos, y a muchos más pobres y anónimos. Estas fascinantes memorias cuentan esa vida -militancias y exilios, selvas y redacciones, amores y derrotas- y, al mismo tiempo, sesenta años de historia de Occidente: Caparrós puede pasar de la residencia de Perón en Madrid a la choza de Saratou en Níger y al primer McDonald's en los últimos días de la Unión Soviética, puede descollar por accidente en la radio argentina o dar cuenta del problema del hambre en una obra fundamental, puede escribir biografías en verso, componer novelas interactivas o renunciar al New York Times por la censura. La crítica ha dicho sobre el autor y su obra: «Martín Caparrós acometió proyectos demenciales contar la Argentina(El Interior), contar el hambre del mundo (El Hambre), contar un continente (Ñamérica) sin dejar de embestir contra la corrección política. Mucho de todo lo que aprendí sobre el periodismo lo aprendí leyendo y viendo vivir a Caparrós, contemplando su forma de buscar la incomodidad y el riesgo...». Leila Guerriero, El País «Creo que no es certero ni ecuánime decir que Martín Caparrós es un escritor, un periodista, un cronista o un reportero. Es insuficiente. Sus textos no se leen: suenan, tienen música. Caparrós es un género». Santiago Tejedor, Universidad Autónoma de Barcelona «Es un escritor superdotado, seductor, con un talento natural para mantener el equilibrio narrativo». Nadal Suau, El Español «Martín

Caparrós es un periodista global, un referente para varias generaciones». Pepa Bueno, directora de El País «Caparrós es el escritor en español que más y mejor ha narrado, en las medidas de lo posible, el mundo entero». Jorge Carrión, Infobae

Themes in Latin American Cinema Keith John Richards,2020-03-20 This updated and expanded edition gives critical analyses of 23 Latin American films from the last 20 years, including the addition of four films from Bolivia. Explored throughout the text are seven crucial themes: the indigenous image, sexuality, childhood, female protagonists, crime and corruption, fratricidal wars, and writers as characters. Designed for general and scholarly interest, as well as a guide for teachers of Hispanic culture or Latin American film and literature, the book provides a sweeping look at the logistical circumstances of filmmaking in the region along with the criteria involved in interpreting a Latin American film. It includes interviews with and brief biographies of influential filmmakers, along with film synopses, production details and credits, transcripts of selected scenes, and suggestions for discussion and analysis.
