Love Unexpected Series Box Set (Books 1-3) Delaney Diamond, 2020-02-03 The Love Unexpected series is an interracial romance series with sexy heroes and lovable heroines. Books one, two, and three are available in a box set for a limited time! THE BLIND DATE: One night changes everything . . . again. Years ago, when Ryan Stewart saw Shawna Ferguson, it was love at first sight. Unfortunately, he wasn't a free man, and his deception caused him to lose her after a weekend that changed his life. When Shawna's sister and brother-in-law set her up on a blind date, she has no idea it's with Ryan, with whom she'd spent a weekend she wishes she could forget. She reluctantly agrees to finish the date with him, but doing so leaves her vulnerable to his charms and the heat he ignited in her that very first night. THE WRONG MAN: They have nothing in common. So why can't they stay away from each other? Construction foreman Tomas Molina has no desire to settle down. He enjoys the single life too much, with all the choices of women available to him. But when ad executive Talia Jackson becomes single again, they start an affair that has him questioning his beliefs about relationships. And the next thing he knows, he's the one demanding exclusivity. Talia Jackson has always done what's right. Gone to the right schools, worn the right clothes, and married the right man. Seeking a boost when her marriage ends in divorce, she finds comfort in the arms of Tomas Molina, a man who makes her feel alive in a way she never has before. Then an unexpected result of their affair forces her to make a tough decision—stay in the world she's known all her life, or make a future with the man she's grown to love. AN UNEXPECTED ATTRACTION: They didn't mean to fall in love... Brenda Morrison has known Jay Santorini for years, but he's off limits. He's her friend's ex-husband, and except for one slip-up, they've always had a platonic relationship. But now that she's back in Atlanta, the smoldering attraction between them is much harder to resist. Jay has always kept a hands-off approach to Brenda, and the time they spend together starts out innocently enough, or so he pretends. Because the truth is, Jay has feelings for her, and those feelings are anything but innocent.

Love & Luck Jenna Evans Welch, 2019-06-04 A New York Times bestseller From the author of the New York Times bestselling Love & Gelato comes a heartwarming tale of a road trip through Ireland filled with love, adventure, and the true meaning behind the word family. Addie is visiting Ireland for her aunt's over-the-top destination wedding and hoping she can

stop thinking about the one thing she did that left her miserable and heartbroken—and threatens her future. But her brother, Ian, isn't about to let her forget, and his constant needling leads to arguments and even a fistfight between the two once inseparable siblings. Miserable, Addie can't wait to visit her friend in Italy and leave her brother—and her problems—behind. So when Addie discovers an unusual guidebook, *Ireland for the Heartbroken*, hidden in the dusty shelves of the hotel library, she's able to finally escape her anxious mind and Ian's criticism. And then their travel plans change. Suddenly Addie finds herself on a whirlwind tour of the Emerald Isle, trapped in the world's smallest vehicle with Ian and his admittedly cute, Irish-accented friend Rowan. As the trio journeys over breathtaking green hills, past countless castles, and through a number of fairy-tale forests, Addie hopes her guidebook will heal not only her broken heart, but also her shattered relationship with her brother. That is if they don't get completely lost along the way.

Angus Green Series Books 1-3 Neil S Plakcy, 2023-10-03 A twenty-something gay FBI agent tackles his first big cases with heart and smarts. Assigned to South Florida for his first posting, Angus Green is worlds away from his hardscrabble upbringing in Scranton, PA. He has to cope with ethnic distinctions he's never considered, a multitude of foreign languages spoken around him, and a range of crimes and criminals that boggles his mind. While investigating a jewelry heist with its roots in Fort Lauderdale's gay neighborhoods, Angus must learn how to use his education, his intelligence and his good looks without losing track of who he is and what he stands for. The street quickly teaches him that the only way to face a challenge is to assume that he'll survive this one--that it'll be the next one that will kill him. In his second case, Angus discovers that gay teens are being sexually abused by a pornographer in the same neighborhood where he lives, and he has to bring his intelligence, his determination and his unique insights to save these young men. The case takes him from Fort Lauderdale's seamy underbelly to boisterous beachfront bars where big-fish Russian emigres launder illegal cash. He'll befriend a beautiful Russian-American undercover agent and rekindle a romance with a man who makes him feel protected. In the end, he'll learn the truth of a saying he learned as a boy -- there is a price to pay for every decision we make. Nobody rides for free. In the third installment in the series, Fort Lauderdale retiree Frank Sena is working with pawn shop owner Jesse Venable to retrieve a painting stolen from Frank's uncle, a gay Venetian killed during the Holocaust. Angus volunteers to help Frank, and discovers Venable is the subject of a task force looking into smuggling immigrants out of war-torn countries in the Middle East. Angus, who knows nothing about art and speaks no Italian, may be in over his head as he is assigned to befriend, and ultimately betray, Venable. But with the help of his Italian-speaking brother and his art-loving boyfriend, he may be able not only to retrieve the painting, but solve a smuggling case and potentially save thousands of lives. The

investigation will take him from the sun-drenched rooftops of Venice to a private yacht speeding down Fort Lauderdale's New River. Along the way, he'll learn the true meaning of survival. Kirkus Reviews says, Plakcy's characters... charm and Publishers Weekly writes readers will look forward to seeing a lot more of Angus.
