The New Yale Book of Quotations Fred R. Shapiro, 2021-08-31 A revised, enlarged, and updated edition of this authoritative and entertaining reference book—named the #2 essential home library reference book by the Wall Street Journal “Shapiro does original research, earning [this] volume a place on the quotation shelf next to Bartlett's and Oxford's.”—William Safire, New York Times Magazine (on the original edition) “The most accurate, thorough, and up-to-date quotation book ever compiled.”—Bryan A. Garner, Los Angeles Review of Books Updated to include more than a thousand new quotations, this reader-friendly volume contains over twelve thousand famous quotations, arranged alphabetically by author and sourced from literature, history, popular culture, sports, digital culture, science, politics, law, the social sciences, and all other aspects of human activity. Contemporaries added to this edition include Beyoncé, Sandra Cisneros, James Comey, Drake, Louise Glück, LeBron James, Brett Kavanaugh, Lady Gaga, Lin-Manuel Miranda, Barack Obama, John Oliver, Nancy Pelosi, Vladimir Putin, Bernie Sanders, Donald Trump, and David Foster Wallace. The volume also reflects path-breaking recent research resulting in the updating of quotations from the first edition with more accurate wording or attribution. It has also incorporated noncontemporary quotations that have become relevant to the present day. In addition, The New Yale Book of Quotations reveals the striking fact that women originated many familiar quotations, yet their roles have been forgotten and their verbal inventions have often been credited to prominent men instead. This book's quotations, annotations, extensive cross-references, and large keyword index will satisfy both the reader who seeks specific information and the curious browser who appreciates an amble through entertaining pages.

The Encarta Book of Quotations Bill Swainson, 2000-09-30 Here are 25,000 quotations drawn from the history, politics, literature, religions, science, and popular culture of the world--ranging from the earliest Chinese sages through Shakespeare to the present day.

Fight Like a Girl Laura Barcella, 2019-08-01 Nearly every day there's another news story or pop cultural anecdote related to feminism and women's rights. #YesAllWomen, conversations around consent, equal pay, access to contraception, and a

host of other issues are foremost topics of conversation in American (and worldwide) media right now. Today's teens are encountering these issues from a different perspective than any generation has had before, but what's often missing from the current discussion is an understanding of how we've gotten to this place. *Fight Like a Girl* will familiarize readers with the history of feminist activism, in an effort to celebrate those who paved the way and draw attention to those who are working hard to further the cause of women's rights. Profiles of both famous and lesser-known feminists will be featured alongside descriptions of how their actions affected the overall feminist cause, and unique portraits (artist's renderings) of the feminists themselves. This artistic addition will take the book beyond simply an informational text, and make it a treasure of a book.

Corporeal Legacies in the US South Christopher Lloyd, 2018-08-22 This book examines the ways in which the histories of racial violence, from slavery onwards, are manifest in representations of the body in twenty-first-century culture set in the US South. Christopher Lloyd focuses on corporeality in literature and film to detail the workings of cultural memory in the present. Drawing on the fields of Southern Studies, Memory Studies and Black Studies, the book also engages psychoanalysis, Animal Studies and posthumanism to revitalize questions of the racialized body. Lloyd traces corporeal legacies in the US South through novels by Jesmyn Ward, Kathryn Stockett and others, alongside film and television such as *Beasts of the Southern Wild* and *The Walking Dead*. In all, the book explores the ways in which bodies in contemporary southern culture bear the traces of racial regulation and injury.

Decolonizing Interreligious Education Shannon Frediani, 2022-10-28 *Decolonizing Interreligious Education* explores multiple injustices, focusing on the lived experience, unaddressed grief, and acts of resistance and resilience of populations most impacted by coloniality and white supremacy. It lifts up the voices of those speaking from embodied experience of suffering multiple oppressions based on negative constructs of race, religion, skin color, nationality, etc. Engaging ideological critique, construction of knowledge beyond dominant lenses, and acts of resistance are presented from the perspective of those most impacted by systemic injustice. It challenges interreligious education to frame encounters where the impact of intergenerational trauma and the realities of power differentials are recognized and the contributions of all voices are truly integrated. It challenges the fields of religious and interreligious education to imagine a broadened view that includes recognition of the role played by religion in harm done and to take a leadership role in engaging processes of accountability and redress.

Cosmo Doogood's Urban Almanac Eric Utne,2004 Pilgrimages to wild places such as Death Valley help us connect to nature, to be sure. But what would it take for us to reestablish that connection right where we live day-to-day ... in the city? Ben Franklin would be proud. In the spirit of his Poor Richard's Almanac, Eric Utne, founder of Utne Magazine, presents Cosmo Doogood's Urban Almanac: Celebrating Nature & Her Rhythms in the City. It's an inspirational way for 21st-century urbanites, who now number over half the U.S. population, to connect with nature, live more fully, and celebrate each day of the year. Cosmo Doogood's Urban Almanac can help you connect to Nature and Her Rhythms wherever you are! This is an urban version of the old farmer's almanacs, like Ben Franklin's Poor Richard's Almanack. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
