Twin Flame Soul Connections Kevin Hunter, 2018-10-16 Twin Flames have a shared ongoing sentiment and quest from the moment they're a spark shooting out of God's love that explodes into a blinding white fire that breaks apart causing one to be two, until two become one again, separate and whole, and back around again. Looking into the eyes of your Twin Flame is like looking into the eyes of God, because to know love is to know God. When one thinks of a Soul Mate or Twin Flame, they might equate it to a passionate romantic relationship where you're making love on a white sandy palm tree lined beach in paradise for the rest of your lives. This beautiful mythological notion has caused great turmoil in others who long for this person that fits the description of a lothario character in a romance novel. It is also an unrealistic and misguided interpretation of the Soul Mate or Twin Flame dynamic. Twin Flame Soul Connections discusses and lists some of the various myths and truths surrounding the Twin Flames, and how to identify if you've come into contact with your Twin Flame, or if you know someone who has. The ultimate goal is not to find ones Twin Flame, but to awaken ones heart to love, and to work on becoming complete and whole as an individual soul through spiritual self-mastery, life lessons, growth, and raising your consciousness. Your soul's life was born out of love and will die right back into that love. Chapter Topics Include: Karmic Soul Connections, Soul Mate Soul Connections, The Twin Flame Craze, The Birth of Twin Flames, Masculine, Feminine, Yin, and Yang, The Light and Dark, Higher and Lower Energies, Twin Flames: The Romantic and Non-Romantic, Twin Flames: Age and Location, Twin Flames: Example Couples, Twin Flames: Genders, Gay, Straight, Homosexual, Heterosexual, Twin Flames: Runner, Chaser, Push and Pull, Twin Flames: Mirrors, Goals, Missions and Purposes, Technology Strengths and Challenges, Twin Flames: Coming Together, Is This Person My Twin Flame?, Twin Flames: Spiritual Growth, Twin Flames: Recapping the Truths and Myths of Twin Flames, The Twin Flame Summary Cheat Sheet.

Romantic Twin Flames' Guide Silvia Moon, 2024-02-21 From what I have experienced and loved being on the twin flame journey for over 6 years now, I believe that twin flames (Romantic) can stay together permanently and harmoniously because nothing can deter what is naturally meant to be. If you have also met your twin flame and gazed into their eyes (Soul) your feelings are enough to alert you that your encounter was not a coincidence. God/the Universe/Angels and all your Spirit Guides conspired to bring you two together. Have you noticed how a twin flame walks into your life when you least desire or expect it? Maybe you are going through a rough life situation and nothing seems to be working for you. The moment when you need a shift in perspective to make exponential changes in your life. For others, a twin flame appears when you are in desperate need of Spiritual awakening and healing. Maybe you are on a soul-searching journey but you have no idea how to have a breakthrough. When you feel stuck in life. For most, a twin flame finds you when you need to find yourself. Your center. When you feel lost to yourself. Whenever physical separation happens, all you think about is what just happened between you. Every moment of the day in whatever you do, you feel your twin flame energy merging with yours constantly. It can take years for your reunion to happen and whenever it does, you both don't want to relive the pain and emotional desolation of being away from each other. You do whatever is possible not to repeat past mistakes. Separation only makes your bond stronger with a twin flame. You are two hearts, one soul. You crave each other equally. Twin flames make the most beautiful romantic couples because their connection, light, and energy vibrations heal those around them. Twin flame love is infectious. It's effortless. It is unconditional. I hope this helps. Stay Blessed!
