

Shaykh Al Islam Ibn Taymiyyah

Mustapha Sheikh

The Biography of Ibn Taymiyyah IDP Research Division, 2019-04-07 If we look to the purpose of the message of Islam, we find that it can be summed up in the purifying and nourishing of the soul, and this takes place by knowing and worshipping Allâh, as well as strengthening the ties of brotherhood to spread justice between the slaves of Allâh. The means of doing so is by implementing the teachings of our truthful Messenger (S), which he gathered for us in the treasures and jewels of his Sunnah, his deep words, and what we call Islamic law (Shari'ah, or Fiqh). And the Companions (R) exerted their efforts (Ijtihad) in deriving rulings in regards to certain matters after the death of our noble Prophet (S). Some of them were correct, and others did not arrive at the correct rulings. These attempts at Ijtihad went on, and differing opinions were derived in the name of raising the word of truth and arriving at the highest possible level of perfection (and for Allâh is all perfection). So, the madhahib were many, and the goal was one. The result of all this was the authoring of the thousands of books and collections that now fill Islamic libraries, the raising of the word of truth, and the empowering of the Ummah by its sticking to the religion of truth, Islam. Because of this, all of the powers of the world gathered against the Muslims in order to weaken them. So, the scholars of Islam rose to the occasion and defended Allâh's Religion. From these scholars who raised the banner of truth and the honor of defending Islam was Shaykh al-Islam Ibn Taymiyyah, with the many brave stances he took in his time, and with the countless books and fatawa of his that now fill the Islamic library. In order to better know this brave, pious imam known as Ibn Taymiyyah, we present to the reader this biography that was written by the pen of a scholar who saw, lived with, and befriended Ibn Taymiyyah. He is none other than al-Imam al-Hafidh Abu Hafs 'Umar bin 'Ali al-Bazzar - and he called this book 'al-A'lam al-'Aliyyah fi Manaqib Ibn Taymiyyah,' and he is the most qualified to write about him. It is hoped that as opposed to the typical biography that is filled with mere facts and figures, this book will serve to provide the reader with a first-hand account of the human side of one of the greatest Islamic personalities to have ever lived - one that can be taken as an example in formulating a lifestyle and conducting day to day affairs. Ibn Taymiyyah Expounds on Islam Ahmad ibn 'Abd al-Halim Ibn Taymiyah, 2000

The Essential Pearls & Gems of Ibn Taymiyyah Ahmad ibn 'Abd al-Halim Ibn Taymiyah, 2013

The Lofty Virtues of Shaykh Al-Islam Ibn Taymiyyah Ibn Al-Qayyim, 1989-08-31 If I had to swear standing between the corner of the Ka'bah and the spot of Ibrahim, I would swear that I have not laid my two eyes on anyone like him, nor has he seen anyone as knowledgeable as himself. The author said: When I learned of the death of the scholar and educator of this Ummah - the Imam, the mujtahid, the defender of the pure Shariah and Prophetic Sunnah, Shaykh al-Islam Taqi ad-Din Abi al-Abbas Ahmad bin Abd al-Halim bin Abd as-Salam bin Taymiyyah (may Allah sanctify his soul and brighten his grave) - some of the scholars and those who loved good for the Muslims said to me: You saw and befriended the Shaykh, and you came to know him and his characteristics. If only you could write a few words regarding what you saw in order to benefit whoever of this Ummah comes across them, since mercy descends when we remember the righteous people. So, I responded: I only accompanied him for a few days, and I only know few of this many virtues. However, I saw that they intended good and that what they were requesting of me was a right and obligation upon me, as the scholar should be keen to spread and distribute what he thinks will be of value to the Muslims. So, I produced a small effort describing his virtues which will give the intelligent reader an idea of the honor and excellence of this man. I divided it into sections in order that it be a guide to those who reflect, and I included all that I could remember under each one...

Ibn Taymiyyah Expounds on Islam Taqi Ad Din Ibn Taymiyyah, 2019-07-18 For various reasons the West has not been able to appreciate Ibn Taymiyyah's place in Islam. His criticism of Ash'ari Kalam, Greek logic and philosophy, monistic Sufism, Shi'i doctrines, and Christian faith have proved great obstacles to appreciating his contribution. His way of writing has also been to an extent responsible. Most of his writings are short or long responsa (fatawa) to particular questions, often recurring, put to him by different men at different times, rather than planned, systematic works on particular subjects. This makes the appreciation of his contribution somewhat difficult. Henri Laoust in France was the first to take serious notice of him. Since the publication of his Essay on the Social and Political Doctrines of Ibn Taymiyyah (1939), a few articles and books have appeared on Ibn Taymiyyah's thought, but they are far from giving any clear idea of his overall contribution to Islam, even less of assessing his role in its revival and renewal (tajdid). In fact, there has been little understanding of the concept of tajdid in Islam. This volume consists of selections from various writings of Ibn Taymiyyah included in Majmu' Fatawa Shaykh Al Islam (37 volumes) as well as some of his major works such as Minhaj as Sunnah An Nabawiyyah, Dar Ta'arud al Aql wa-An Naql, kitab Ar Rad alaa Mantaqayyin, Al-Istiqamah, and Iqtida As Sirat Al Mustaqeem. These selections will present a clearer and complete view of Ibn Taymiyyah's concept of Islamic faith, life and society. They are primarily intended to

highlight his positive position and mention his criticisms and refutations of other positions only to the extent needed.

Ibn Taymiyyah's Letters from Prison Ibn Taymiyyah,2017-05-23 This book contains a collection of letters demonstrating a side of the personality of Shaykul-Islaam ibn Taymeeyah which is not commonly recognized. Usually, it is his tough and uncompromising stances and his truthful, sometimes harsh retorts that are remembered. However, as this work demonstrates he was also a concerned son, a devoted teacher and a passionate defender of the religion. These letters were selected and introduced by Shaykul Muhammad Sulaiman al-Abdah. Born in Syria in 1941, and now residing in London, he has taught in the religious institutes and the Islaamic University of Madeenah. He now devotes his time to work in Islamic Da'wah.

A Treasury of Ibn Taymiyyah Mustapha Sheikh,2017-04-17 This collection of wisdoms from the works of Ibn Taymiyyah reflects the range of his penetrative insight and wisdom. It aims to recast his work, which is often mistakenly associated with Islamic fundamentalism, for a new generation of Muslims who are seeking a path through the challenges of the modern age. With an emphasis upon literary concision each aphorism is pregnant with meaning, which is carefully explored in a commentary. About the Author Dr. Mustapha Sheikh is lecturer in Islamic Studies at Leeds University.

The Nature of Fasting Ibn Taymiyyah,Ibn Kathir,2018-10-12 This is a translation one of the smaller publications from the works of Shaykh Al-Islam Taqiuddin Ahmad bin 'Abdul-Halim Ibn Taymiyyah. It has been published in this form a variety of times with a number of minor additions to the text under the title, Hagigatus-Siyam, or, The Nature of Fasting. We have revised our version to meet the source section of Majmu' Al-Fatawa (25:219) from where it appears that the original booklet - with the exception of the questions, of which most appear on earlier pages - has been taken. We have inserted brackets to signify the additions, which earlier publishers probably took from other sections of his writings. We have also added brief references to the text for the Hadiths.
