**Daniela Niemeyer**

**The Heart of Change** John P. Kotter, Dan S. Cohen, 2012-10-23 Moving beyond the process of change Why is change so hard? Because in order to make any transformation successful, you must change more than just the structure and operations of an organization—you need to change people's behavior. And that is never easy. The Heart of Change is your guide to helping people think and feel differently in order to meet your shared goals. According to bestselling author and renowned leadership expert John Kotter and coauthor Dan Cohen, this focus on connecting with people's emotions is what will spark the behavior change and actions that lead to success. Now freshly designed, The Heart of Change is the engaging and essential complement to Kotter's worldwide bestseller Leading Change. Building off of Kotter's revolutionary eight-step process, this book vividly illustrates how large-scale change can work. With real-life stories of people in organizations, the authors show how teams and individuals get motivated and activated to overcome obstacles to change—and produce spectacular results. Kotter and Cohen argue that change initiatives often fail because leaders rely too exclusively on data and analysis to get buy-in from their teams instead of creatively showing or doing something that appeals to their emotions and inspires them to spring into action. They call this the see-feel-change dynamic, and it is crucial for the success of any true organizational transformation. Refreshingly clear and eminently practical, The Heart of Change is required reading for anyone facing the challenges inherent in leading change.

**The Heart of Change Field Guide** Dan S. Cohen, 2005 The practical implementation guide to John Kotter's revolutionary 8-step change process and the "See-Feel-Change" approach as introduced in Leading Change and The Heart of Change. John Kotter's change bible Leading Change has sold nearly 490,000 copies since publication in 1996 and The Heart of Change, co-written with Dan Cohen, has sold nearly 125,000 copies. Now, Dan Cohen delivers a highly practical, hands-on complement to both of these books in The Heart of Change Field Guide. Filled with practical tools, checklists and advice, this book will guide leaders and managers step-by-step through real change programs within their organisations.

*Change Your Heart, Change Your Life* Gary Smalley, 2012-03-26 Out of your heart flow your words and actions. Change your heart, and you'll change your life. According to best-selling author Dr. Gary Smalley, nobody has to live by the destructive subtle lies or believe the distortions of truth this world holds out to us. There are steps, strategies, and beliefs people can bring to their lives to either totally transform them or quietly improve them—and it all starts with hiding God's Word in their hearts. Hiding God's Word in his heart radically changed the life of Smalley himself, and he is seeing it revolutionize the lives of people around him as well—from lust, materialism, selfishness, anger, stress, overeating, anxiety, and guilt, just to name a few. No matter a person's age, experiences, or previous patterns, this book will guide readers to the whys and hows of orchestrating their beliefs to forever change their lives and relationships.
