The Holy Tablets Amunnubi Ruakhtah,1993-06-26 Holy Tablets 4th Edition By Amunnubi Ruakhtah For The Holy Tabernacle Ministries. This book contains the lost stories of biblical characters such as Jesus The Christ, Mosheh, Dawiyd, And Much More.

The Aliites Spencer Dew,2019-08-20 "Citizenship is salvation," preached Noble Drew Ali, leader of the Moorish Science Temple of America in the early twentieth century. Ali's message was an aspirational call for black Americans to undertake a struggle for recognition from the state, one that would both ensure protection for all Americans through rights guaranteed by the law and correct the unjust implementation of law that prevailed in the racially segregated United States. Ali and his followers took on this mission of citizenship as a religious calling, working to carve out a place for themselves in American democracy and to bring about a society that lived up to what they considered the sacred purpose of the law. In *The Aliites*, Spencer Dew traces the history and impact of Ali's radical fusion of law and faith. Dew uncovers the influence of Ali's teachings, including the many movements they inspired. As Dew shows, Ali's teachings demonstrate an implicit yet critical component of the American approach to law: that it should express our highest ideals for society, even if it is rarely perfect in practice. Examining this robustly creative yet largely overlooked lineage of African American religious thought, Dew provides a window onto religion, race, citizenship, and law in America.

The Devil Don't Want You to Know Everett D. Griffin,2009-06 This book was revealed within me when I began a self quest for Truth over ten years ago; the main theme of this book is Truth. For the most part Truth has been left out of many of our lives, due to our strict adherence to religious practices. This book contains information for the poor, well off and wealthy alike; compounding information and experiences gathered in my current life. My hope is that this book will be recognized as a tool, to point others in the True direction of the real Truth. It is only then, when one becomes enlightened to Truth; that a clear decision can be made by the self, as to finding ones True self, through the Tools found in ones self, in Truth. BIO: Seer Ashlamaz was born and raised in the windy city of Chicago, IL. As all who are sons and daughters of the Most High God, prophet began preaching to sick and shut in elderly at the age of eight years old. Prophet did as many, being one of the actual prodigal sons, and returned to his Father in 1996 with a tenacity that was not the normal. In his many journeys

prophet has experienced one resurrection and the healing of hundreds. Having a strong prophetic anointing caused him to be misunderstood, until he was enlightened to the True self, the etheric. After learning of himself, prophet became aware of his purpose on earth as one of the many sons of the Most High God. Having such a strong divine nature his only endeavor is to spread Truth. When asked what he saw as most important in the future of God's people, his only reply was, Truth.

Esotericism in African American Religious Experience ,2014-11-06 In Esotericism in African American Religious Experience: "There is a Mystery" ..., Stephen C. Finley, Margarita Simon Guillory, and Hugh R. Page, Jr. assemble twenty groundbreaking essays that provide a rationale and parameters for Africana Esoteric Studies (AES): a new trans-disciplinary enterprise focused on the investigation of esoteric lore and practices in Africa and the African Diaspora. The goals of this new field — while akin to those of Religious Studies, Africana Studies, and Western Esoteric Studies — are focused on the impulses that give rise to Africana Esoteric Traditions (AETs) and the ways in which they can be understood as loci where issues such as race, ethnicity, and identity are engaged; and in which identity, embodiment, resistance, and meaning are negotiated.
