Our publication enables (future) language teachers to implement series and serials in their English language classrooms purposefully and equip their learners with series_serials literacy, i.e. the ability to deal with series and serials in an autonomous and critical manner. Who We Are in Real Life Victoria Koops, 2024-02-06 Fans of Rainbow Rowell and Casey McQuiston will fall for this story of tabletop gaming, romance and epic campaigns — both in game and IRL. IRL, Darcy has just moved to the small prairie town of Unity Creek with her two moms. It feels like she left everything good behind in the city. She misses her tabletop gaming friends and her boyfriend — and is horrified by the homophobia her family faces in their new home. Then she meets kind, quiet Art, who invites her to join his Dungeons & Dragons game. Art is mostly happy fading into the background at school and only really coming alive during his friends' weekly D&D game — until meeting Darcy pulls his life off-course in wonderful and alarming ways. Suddenly he has something worth fighting for. But what if that something puts him in conflict with his father, an influential and conservative figure in their town? Can Art stand up against his father's efforts to prevent Darcy and her friends from starting a queer-straight alliance at school? Meanwhile, in game, Darcy's and Art's D&D characters join forces to fight corruption as they grow closer in the homebrew world of Durgeon's Keep — as fantasy and reality collide. For Angel Rahimi life is about one thing: The Ark -- a boy band that's taking the world by storm. Being part of The Ark's fandom has given her everything she loves -- her friend Juliet, her dreams, her place in the world. Her Muslim family doesn't understand the band's allure -- but Angel feels there are things about her they'll never understand. Jimmy Kaga-Ricci owes everything to The Ark. He's their frontman -- and playing in a band with his mates is all he ever dreamed of doing, even it only amplifies his anxiety. The fans are very accepting that he's trans -- but they also keep shipping with him with his longtime friend and bandmate, Rowan. But Jimmy and Rowan are just friends -- and Rowan has a secret girlfriend the fans can never know about. Dreams don't always turn out the way you think and when Jimmy and Angel are unexpectedly thrust together, they find out how strange and surprising facing up to reality can be. Ban This! Christina Ellis, Renee Ellis, Edha Gupta, Ben Hodge, Patricia Jackson, Olivia Pituch, 2025-09-16 “Each demand to ban a book is a demand to deny each person’s constitutionally protected right to choose and read books that raise important issues and lift up the voices of those who are often silenced.” —Deborah Caldwell-Stone, director of the ALA Office for Intellectual Freedom In September 2021, the school board in York, Pennsylvania, voted to remove a record-breaking number

of books from school libraries in its community. The Panther Anti-Racist Union (PARU) at Central York High School, comprised of four students and two advisors, successfully fought the ban by organizing protests, speaking at school board meetings, and participating in media interviews to raise awareness. In *Ban This!: How One School Fought Two Book Bans and Won (and How You Can Too)*, the members of PARU—Christina Ellis, Renee Ellis, Edha Gupta, Ben Hodge, Patricia A. Jackson, Olivia Pituch—give actionable advice on how to respond to book challenges that happen in your school and community. Learn how to push back against book bans with arguments against the common reasons given to ban books in schools and public libraries, speak out against censorship, and win the right to intellectual freedom.
