David Osterczy

Win Your Inner Battles Darius Foroux, 2016-12-19 Do you want to change your career? Start a business? Stop losing sleep over a deadline? End your relationship? Or maybe, just live a fulfilling life? Everyone has goals and ambitions in life. But we often don't pursue our inner desires because of one thing: Fear and a lack of self-confidence. In *Win Your Inner Battles* (previously titled *Massive Life Success*), I document my own journey of conquering fear and a lack of self-confidence. After years of failure and doubt, I finally had a wake-up call in January 2015. My grandmother, who helped raised me, passed away and I realized that time waits for no one. Whatever you want to do, you have to do it now. It's not the economy, politics, or your personal circumstances that are holding you back. You are the one that's holding yourself back. It's time to win your inner battles and live on your own terms. And in this book, I will take you on the same journey I took to win my inner battles.

Mornings with the Holy Spirit Jennifer LeClaire, 2015 Many people are crying out to Jesus, but few are regularly fellowshiping with the Holy Spirit. Yet the Holy Spirit dwells in us as Christians. We are His temple (1 Cor. 6:19), and He is our Comforter, Counselor, and Helper (John 14:26, AMP). The Holy Spirit leads and guides us into all truth—including the truth about our beautiful Savior (John 16:13). And the Holy Spirit is speaking to us more than we know. Mornings With the Holy Spirit is a daily devotional written as if the Holy Spirit is speaking directly to you.

Interknot David Osterczy, 2004-09 This is not an Internet Dating for Dummies book. This is not a book for the highbrow literati or for the notorious Grammar Nazis that lurk on the Internet. You won't find facts and figures here, nor will you find how-to instructions. What you will find are stories told by an adventuresome collection of people who have spent hours on the Internet looking for relationships, friendships, or just some good old-fashioned fun and laughs. These stories are intended to entertain and delight you, frighten and horrify you, and most of all, to prepare you for what you can expect when you decide to venture online in the penultimate quest for love and companionship. Internet dating has spread across the globe as quickly as the Internet has spread its cyber-wings. Nearly one hundred million adults have online profiles, and from these millions, we have collected a small group of real people who are willing to relate their experiences in their own words, words that won't send you running for a dictionary and words that will leave you either laughing at their misadventures or shaking your head in commiseration. Included in this motley crew is David Osterczy, father of three, photographer and storyteller. Dipping into three years of experience standing alongside his cohorts in the firing line of online dating, he brazenly lays out all the dirty details of his exploits, asks the questions we all want to ask, and explores all the twists and turns of the road to online romance. You are invited to form your own opinions as you read the many points of views, knowing that they are told with no punches pulled. Take it or leave it, this is the Internet dating community.

Turn on the Green Lights in Your Life Robert E. Moore, Maxwell I. Schultz, 1956

Mind Sneezes, Body Catches a Cold Mike T. Lanjo, 2020-06-01 Life throws us many challenges, and some give rise to strong emotions. Modern neuroscience research shows that many patients who visit primary care doctors are experiencing

physical symptoms that have a purely psychological cause. The good news is that once we realize that negative habitual thoughts have the power to make us sick, we can focus on eliminating physical symptoms simply by transforming our thought processes. Mike Tanguu Lanjo, a clinician and passionate public servant who frequently provides holistic care for clients, shares practical insight that offers a different perspective on how the human mind can cause physical illnesses that present symptoms such as fatigue, dizziness, back and chest pain, digestive issues, and rashes, and often leave medical professionals frustrated and unable to provide a solid diagnosis. Through his guidance, Lanjo encourages us to identify and address the root causes of diseases by viewing the body as one integrated system instead of a collection of independent organs. We can then shift our attention from the physical to the psychological realm, ultimately allowing for whole-body healing, not just the suppression of symptoms, in most psychosomatic cases. *Mind Sneezes, Body Catches a Cold* is a holistic guide to achieving optimal health through thought process transformation.

Bulletproof Faith Candace Chellew-Hodge, 2008-09-22 This thoughtful, practical guide shows readers a way through the minefield of condemnation and persecution faced by gay, lesbian, bisexual, and transgender Christians and helps foster a faith that is bulletproof—impervious to attacks, yet loving and savvy in its approach. *Bulletproof Faith* is filled with useful insights and proven spiritual practices that deflect attacks and enhance and strengthen faith by turning attacks into opportunities for spiritual growth. Praise for *Bulletproof Faith* Gay and lesbian Christians are constantly demoralized and told they are not children of God. In *Bulletproof Faith*, Chellew-Hodge reassures gays and lesbians that God loves them just as they were created and teaches them how to stand strong, with compassion and gentleness, against those who condemn them. —Archbishop Emeritus Desmond Tutu It is an amazing truth that gay and lesbian Christians need to develop a bulletproof faith in order to survive the attack of other Christians. That, however, is the experience of many homosexual persons. Candace Chellew-Hodge has in this book committed herself to the task of making that survival a reality. I salute her and her work. —John Shelby Spong, author, *Jesus for the Non-Religious* We know the Religious Right is wrong about same-sex relationships and it's time to move on. But how to withstand their relentless attacks and find lasting peace of soul? Candace Chellew-Hodge offers a practical guide. It met me right where I am. It will touch and help heal many others, too. —Daniel A. Helminiak, professor of psychology, University of West Georgia, and author, *What the Bible Really Says About Homosexuality*
