I Feel like a Woman!)\* Carrie Underwood (Before He Cheats) \* Keith Urban (Blue Ain't Your Color) \* Hank Williams (Jambalaya) \* and many more.

**So You Want to Sing Country** Kelly K. Garner,2016-10-27 Country music, an original American artform, has been around since before the recording industry began and long before a singer even had the opportunity to sing into a microphone. From the early beginnings in the hills of Appalachia, to the rise of Hank Williams, Patsy Cline, and the more recent megastars, including Garth Brooks and Carrie Underwood, country music has proven to have staying power. It is one of the most popular styles of music in the world today, garnering more sales and downloads currently than any other genre. Many talented individuals are aspiring to sing country music and are determined to turn it into a successful career. Because of this growing popularity, there is a need to educate interested singers with information and methods that will give them the best possible chance at either having a career as a artist, working in the industry as a background vocalist or session singer, or simply realizing their potential in country music. Kelly K. Garner's So You Want To Sing Country is a book devoted to briefly reviewing the rich heritage of country singing and thoroughly examining the techniques and methods of singing in a country style. Additional topics of discussion will include country song types and structure, instrumentation, performing on stage and in the studio, and career options in country music. Additional chapters by Scott McCoy and Wendy LeBorgne, and Matthew Edwards address universal questions of voice science and pedagogy, vocal health, and audio enhancement technology. The So You Want to Sing series is produced in partnership with the National Association of Teachers of Singing. Like all books in the series, So You Want to Sing Country features online supplemental material on the NATS website. Please visit [www.nats.org](http://www.nats.org) to access style-specific exercises, audio and video files, and additional resources.

**Top Country Singles 1944-1993** Joel Whitburn,1994 This book is a complete reference of the top country Billboard

singles from 1944 - 1993 (Compiled by Joel Whitburn). Each entry includes a biography, debut date, peak position, weeks on chart, peak position on Billboard's hot 100, and record label/catalog number information.

**The Great Jazz and Pop Vocal Albums** Will Friedwald, 2017-11-07 The author of the magisterial *A Biographical Guide to the Great Jazz and Pop Singers* now approaches the great singers and their greatest work in an innovative and revelatory way: through considering their finest albums, which is the format in which this music was most resonantly organized and presented to its public from the 1940s until the very recent decline of the CD. It is through their albums that Ella Fitzgerald, Frank Sinatra, Peggy Lee, Sarah Vaughan, Nat King Cole, Judy Garland, and the rest of the glorious honor roll of jazz and pop singers have been most tellingly and lastingly appreciated, and the history of the album itself, as Will Friedwald sketches it, can now be seen as a crucial part of musical history. We come to understand that, at their finest, albums have not been mere collections of individual songs strung together arbitrarily but organic phenomena in their own right. A Sinatra album, a Fitzgerald album, was planned and structured to show these artists at their best, at a specific moment in their artistic careers. Yet the albums Friedwald has chosen to anatomize go about their work in a variety of ways. There are studio and solo albums: Lee's *Black Coffee*, June Christy's *Something Cool*, Cassandra Wilson's *Belly of the Sun*. There are brilliant collaborations: famous ones—Tony Bennett and Bill Evans, Louis Armstrong and Oscar Peterson—and wonderful surprises like Doris Day and Robert Goulet singing *Annie Get Your Gun*. There are theme albums—Dinah Washington singing Fats Waller, Maxine Sullivan singing Andy Razaf, Margaret Whiting singing Jerome Kern, Barb Jungr singing Bob Dylan, and the sublime Jo Stafford singing American and Scottish folk songs. There are also stunning concert albums like *Ella in Berlin*, *Sarah in Japan*, *Lena at the Waldorf*, and, of course, *Judy at Carnegie Hall*. All the greats are on hand, from Kay Starr and Carmen McRae to Jimmy Scott and Della Reese (*Della Della Cha Cha Cha*). And, from out of left field, the astounding *God Bless Tiny Tim*. Each of the fifty-seven albums discussed here captures the artist at a high point, if not at the expected moment, of her or his career. The individual cuts are evaluated, the sequencing explicated, the songs and songwriters heralded; anecdotes abound of how songs were born and how artists and producers collaborated. And in appraising each album, Friedwald balances his own opinions with those of musicians, listeners, and critics. A monumental achievement, *The Great Jazz and Pop Vocal Albums* is an essential book for lovers of American jazz and popular music.

Popular Musicians: The Doobie Brothers-Paul McCartney, 1999

**Billboard**, 1999-02-27 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. The Comprehensive Country Music Encyclopedia Country Music Magazine (Périodique),1994 Country music has come of age. It has a rich history in American culture, and its story is well told in this definitive encyclopedia, written with verve and insight by the editors of America's leading and most popular country music magazine. The background of all the major -- and minor -- performers in country music, their greatest hits, fascinating anecdotes about their childhoods, their rise to (or fall from) fame, the truth behind publicity releases and general rumor -- it's all here, from Roy Acuff and Billy Ray Cyrus to Patsy Cline and Reba McEntire. The Comprehensive Country Music Encyclopedia offers a fresh, absorbing portrait of country music from its folkloric origins to its present status as the popular music of choice for 42 percent of the adult population, according to industry estimates. Indeed, in the past decade, the country music audience has tripled. Between 1988 and 1990, sales of country records jumped 56 percent as sales of rock-'n'-roll records slumped 5 percent. Combining more than six hundred short descriptive entries with longer evaluative articles, the encyclopedia is informative, engaging, and a pleasure to read. The critical events and individuals that have shaped country music are all here in one indispensable volume. More than a reference book to be consulted simply for the dates or details of a particular artist's hits or career, the encyclopedia offers a virtual social history of country music. It distinguishes itself not only by the unassailable authority of its contributors -- the most knowledgeable and gifted writers in this field -- but by its in-depth portraits of country music's pioneers and contemporary stars. Individual entries are placed within a larger historical and musical context. Linking discrete facts, dates, and events through what amount to interpretive essays, The Comprehensive Country Music Encyclopedia presents the overarching themes and musical ideas that have animated the landscape of country music. An additional feature of the encyclopedia is the more than six hundred photographs, many rarely seen. These superb photographs convey the social and cultural spirit of the artists depicted. Together with the compelling text, the encyclopedia is certain to engage the curiosity,

interests, and passions of every reader, and of every fan.

**Country Musicians from Tennessee** Source Wikipedia,2013-09 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 27. Chapters: Carl Smith (country musician), Deana Carter, Deborah Allen, Dolly Parton, Family Reunion (band), Hank Williams III, Jenny Simpson, Jessi Alexander, Roy Acuff. Excerpt: Dolly Rebecca Parton (born January 19, 1946) is an American singer-songwriter, multi-instrumentalist, actress, author, and philanthropist, best known for her work in country music. She has composed over 3,000 songs, the best known of which include I Will Always Love You (a two-time U.S. country chart-topper for Parton, as well as an international pop hit for Whitney Houston), Jolene, Coat of Many Colors, 9 to 5, and My Tennessee Mountain Home. As an actress, she starred in the movies 9 to 5, The Best Little Whorehouse in Texas, Steel Magnolias, Gnomeo & Juliet, Straight Talk, Unlikely Angel, and Joyful Noise. She is one of the most successful female country artists of all time; with an estimated 100 million in album sales, Dolly Parton is also one of the best selling artists of all time. She is known as The Queen of Country Music. She was born in Sevierville, Tennessee, the fourth of twelve children of Robert Lee Parton, a tobacco farmer, and his wife Avie Lee (Owens). She has described her family as being dirt poor. She outlined her family's poverty in her early songs Coat of Many Colors and In the Good Old Days (When Times Were Bad). They lived in a rustic, one-room cabin in Locust Ridge, just north of the Greenbrier Valley, in the Great Smoky Mountains in Sevier County, a predominantly Pentecostal area. Music played an important role in her early life, and her grandfather was a Pentecostal holy-roller preacher. Dolly Parton began performing as a child, singing on local radio and television programs in the Eastern Tennessee area. By age nine, she was appearing on The Cas Walker Show on both WIVK Radio and WBIR-TV in Knoxville, ...
