*Ecclesiastes* Alistair Begg, 2025-12-08 Study of Ecclesiastes helps participants face the futility and of this life and recognize the one true hope that offers it meaning.

**On Being a Pastor** Derek J. Prime, Alistair Begg, 2013-09-17 The ministry of pastors is not simply a job; it's a vocation and a lifestyle. A pastor's responsibilities are unique, demanding that he not only nurture his own spiritual life but also the lives of those in his care. What a challenge this can be! Derek Prime and Alistair Begg provide practical advice for both the spiritual and practical aspects of pastoral ministry. They delve deep into topics such as prayer, devotional habits, preaching, studying, and specific ministry duties. The result is an essential tool for those in pastoral ministry.

*Lasting Love* Alistair Begg, 2015-06-18 What makes love last a lifetime? No one marries intending to fail. Each couple that says I do hopes for a long and beautiful life together. But as time passes, many drift apart, and some eventually call it quits. But what about the ones who stay the course, who don't just bear through marriage but actually love it? What's their secret? It's simple, really: there is no secret. They follow God's revealed design. In *Lasting Love*, Alistair Begg unfolds this design. After laying theological foundations, he builds levels of application, showing how God's blueprint makes marriages sturdy and vibrant. Ideal for both those considering marriage and those already married, *Lasting Love* is a comprehensive book on the essentials of a great and godly union, such as: What the Bible says about marriage vows, gender roles, and parenting What to look for in a potential spouse How to cure and prevent marital decay Heed the advice of this pastor who has seen too many marriages come and go. Let yours last a lifetime. Includes a study guide for spouse and group discussion to help you put the book's principles to practice.

**When My Ox Gores My Neighbor** Josiah Nichols, 2017-04-11

**The Elephant Gospel** Deborah Ann Saint, 2017-01-16 The Gospel is more powerful, more redeeming, and greater than we live. I have been deeper in sin than most, like Paul, the woman at the well, and Peter after his denial. I have missed God, lived as an outcast sinner, and denied God's presence and power in my life. Yet God has shown me His New Covenant of hope, the secret of hope I live by and love. If you or someone you love has an ugly, seemingly unforgivable past like mine, you too can know by evidence from the Bible that you can be forgiven. You can learn to live forgiven, with a clear conscience. The relief from all guilt and shame is a pivotal gift of the Gospel that we get the privilege of offering in turn to others! Are you or

someone you care about down-trodden? Forgotten? Guilt-ridden? This book is for you. If you've had an abortion; if you're gender questioning; if you've been abused or addicted, it's for you. It is for those society has given up on; it's for the worst of us and the best of us. It's for those who think they are good enough and not sinners. All people everywhere can turn, look at Christ's love, receive His forgiveness and know His salvation. He forgives murder His grace changes everything! Uniquely conveying truths through a series of four elephant parables, this book seeks to reveal the magnitude of what is at stake when we live true to the real Gospel, and what happens when we understand and herald the Gospel in the power Christ entrusted to us. May we use it for His glory, to advance His kingdom; for He came to save, not condemn.

*The Deliberate Church* Mark Dever, Paul Alexander, 2005-09-09 Dever and Alexander propose a model of complete reliance and submission to the Gospel when building a healthy church. Great resource for pastors, elders, and others interested in the vitality of their church.

**Ghosts: A Christian's Perspective** Kenneth Parrish, 2014-09-30 There are many different beliefs and ideas as to what ghosts and spirits are and where they come from. Churches seem to circumvent around the subject of ghosts and the paranormal in general. So many people believe in ghosts, or are confused about them, and the only information that is out there about the spirit world comes from movies, TV or the Internet. Paranormal investigators do not hesitate to inform as many people as they possibly can, and we as Christians should not hold back either. We need to start asking ourselves what exactly are we doing? What are these spirits that we are talking to? What are these apparitions that we are seeing? Rev. Parrish tackles these questions and more, as he delves into the nether world and attempts to explain what a ghost is from a Christian's perspective.

*8 Habits for Growth* Darryl Dash, 2021-08-03 Don't just do the right actions. Build habits—and watch your life be transformed. Many books try to help you do the right actions. But the real key to life transformation—for yourself and then for others—is building habits that become part of your life. Because habits don't just dictate what you do. They reflect who you are. In *8 Habits for Growth*, Darryl Dash wants to show you the eight long-term practices—all very doable—that will lead to permanent growth if you incorporate them into your life. You'll learn why it's important to: Make time Rest Read or listen to the Bible Pray Pursue worship and community in a church Care for your body Simplify your spiritual life Build a rule of life Personal growth doesn't happen overnight. But it does happen, slowly, as you build God's habits into your life. So what are you waiting for? Start your new habits today and let God transform who you are . . . and who you can become.

**Cyber Worship in Multifaith Perspectives** Mohamed Taher,2006-08-17 Cyber Worship in Multifaith Perspectives, as is implied by its name, explores worship (i.e., Prayer, Praise, Scripture, Sacrament, Rituals, Confessions, Eucharist, Rites, Pilgrimages, Reflection, Contemplation, etc.) on the Internet. It is not an everything you need to know guide about the subjects of faith and belief, religions-online, religions on the Net, or religions in cyberspace. Rather, it is a book about religious and spiritual experience under the rubric, cyber worship, which is the variety of ways religious devotion is performed and carried out on the Internet. The term 'Cyber Worship' is a catchall phrase, which includes variants such as online worship, virtual worship, electronic prayer, cyber puja, cyber synagogue, and so on. Dr. Mohamed Taher has thus assembled a quick reference for two groups: those communities that are involved in Cyber Worship and business Webs that collaborate in sustaining wired environments. As such, this book provides an interesting and current perspective on a practice that will continue to grow in the future.
