Into the Void: Star Wars Legends (Dawn of the Jedi) Tim Lebbon,2013-05-07 NEW YORK TIMES BESTSELLER • Discover the origins of the Jedi order, as a lone Je'daii ranger fights to save their ancient homeworld, Tython, from disaster. On the planet Tython, the ancient Je'daii order was founded. And at the feet of its wise Masters, Lanoree Brock learned the mysteries and methods of the Force—and found her calling as one of its most powerful disciples. But as strongly as the Force flowed within Lanoree and her parents, it remained absent in her brother, who grew to despise and shun the Je'daii, and whose training in its ancient ways ended in tragedy. Now, from her solitary life as a Ranger keeping order across the galaxy, Lanoree has been summoned by the Je'daii Council on a matter of utmost urgency. The leader of a fanatical cult, obsessed with traveling beyond the reaches of known space, is bent on opening a cosmic gateway using dreaded dark matter as the key—risking a cataclysmic reaction that will consume the entire star system. But more shocking to Lanoree than even the prospect of total galactic annihilation, is the decision of her Je'daii Masters to task her with the mission of preventing it. Until a staggering revelation makes clear why she was chosen: The brilliant, dangerous madman she must track down and stop at any cost is the brother whose death she has long grieved—and whose life she must now fear.

Divine Words of Death and Darkness Phillip Novella,Melissa Brady,2021-03-01 Presenting the series of “Divine Words” encompassing original poetry, creative journals and artwork. A traditional style of metered and rhyme poems known as ‘New Formalism’. The Poetry in the Divine Series is written with the belief of intervention of divine guidance channelled through the authors. Phillip and Melissa are both Funeral Home operators with years of experience with Death, Grief and Love and

whom both share charismatic spiritual gifts and a deep faith that we are not alone. The poems are based on intention for a message and to express a universal human emotional experience based on life's differing challenges and journeys. The series covers; Love, Death, Darkness, Spirit, Empaths and Twin flame poetry. The authors decided to share their years of writing when they encountered what seemed to be different emotional responses from those reading or listening to the poetry. Many of the poems have been read at funerals and gatherings and have provided comfort and understanding to those needing it the most. Inspiration and connectedness to those that spiritually guide us is what the authors wish for the reader to experience, to delve into the deeper meaning behind the divine words to find comfort, validity, expression and universal connection.

**An Introduction to Chinese Poetry** Michael Fuller,2020-10-26 This innovative textbook for learning classical Chinese poetry moves beyond the traditional anthology of poems translated into English and instead brings readers—including those with no knowledge of Chinese—as close as possible to the texture of the poems in their original language. The first two chapters introduce the features of classical Chinese that are important for poetry and then survey the formal and rhetorical conventions of classical poetry. The core chapters present the major poets and poems of the Chinese poetic tradition from earliest times to the lyrics of the Song Dynasty (960–1279). Each chapter begins with an overview of the historical context for the poetry of a particular period and provides a brief biography for each poet. Each of the poems appears in the original Chinese with a word-by-word translation, followed by Michael A. Fuller's unadorned translation, and a more polished version by modern translators. A question-based study guide highlights the important issues in reading and understanding each particular text. Designed for classroom use and for self-study, the textbook's goal is to help the reader appreciate both the distinctive voices of the major writers in the Chinese poetic tradition and the grand contours of the development of that tradition.

**THE COLLECTED POEMS OF RUPERT BROOKE** Rupert C Brooke,2024-02-27 Rupert Brooke was both fair to see and winning in his ways. There was at the first contact both bloom and charm; and most of all there was life. To use the word his friends describe him by, he was vivid. This vitality, though manifold in expression, is felt primarily in his sensations — surprise mingled with delight — One after one, like tasting a sweet food. This is life's first fine rapture. It makes him patient to name over those myriad things each of which seems like a fresh discovery curious but potent, and above all common, that he loved, — he the Great Lover. Lover of what, then? Why, of White plates and cups clean-gleaming, Ringed with blue lines, — and the like, through thirty lines of exquisite words; and he is captivated by the multiple brevity of these vignettes of sense, keen, momentary, ecstatic with the morning dip of youth in the wonderful stream. The poem is a catalogue of vital sensations and dear names as well. All these have been my loves.
