If you like to spread the holiday spirit, then this book is for you. The perfect Holiday gift! Great for the Holidays!

Ideal for Holiday gatherings and empowering the spirit of the Holidays or anytime. Makes wonderful reading at night as well. Inspiring quotes, excerpts & toasts which are humorous, entertaining and thought-provoking. Theologian John Piper said,

“What I have learned from about twenty years of serious reading is this: It is sentences that change my life, not books. What changed my life is some new glimpse of truth, some powerful challenge, some resolution to a long-standing dilemma, and these usually come concentrated in a sentence or two.”

Reviews:

“Raised my spirits with many thought-provoking, humorous, heart-warming sayings by some of the most wonderful writers (especially the exceptional women authors) in the world today and past years.”

“I read these uplifting and humorous quotes to my husband and kids and refreshed everyone’s Christmas spirits. I found it to be a brilliant collection of quotes and toasts to spread the true spirit of the Season. Thank you!”

“A great read by the fireplace or anytime.”

“Enjoyed it very much! Wonderful selection of thoughts from the most brilliant writers of today.”

Trail Mix David B. Bowes,2009 An award-winning journalist, discovering in his early seventies that he has spent a writing life with undiagnosed Attention Deficit Disorder, sifts through seven scrapbooks of newspaper and magazine clippings bearing his by-line. What he winnows from this blizzard of adventures makes for diverse (going on whiplash!) reading--and identifies journalism as a promising career prospect for young writers with symptoms of ADD.

Dark Matters: Delusions, Illusions, Lost Causes and Absurdities in Modern America David Bouchier,2019-09-25 The twenty-first century was never supposed to look like this. The second half of the twentieth century was a self-conscious advertisement for the wonderful twenty-first, when America would lead the rest of the world into an affluent, peaceful technological Utopia. Scientists, futurologists and visionaries promised a future without hunger or want, without fear of illness or pain or even death, where the human race would spread its genius out to the stars, and science would bring Utopia to earth. In the twenty-first century, we were promised a leisure society of short work weeks and long vacations, pollution-free transportation, an end to world food shortages, population problems, nationalism and war. The twenty-first century was held out as the glittering prize for surviving the tribulations of the twentieth. Now we have arrived in the second decade of this twenty-first-century paradise. How does it look so far? It looks like hell.

The Hartford Diamond shoot is also an answered prayer for set designer Larissa I Love Christmas Frost. But while she needs the job to pay for her brother's unexpected hospital bills, she does not need the headache of a demanding photographer who keeps calling her Larry. But when they finally meet on set, Larissa is unprepared for Marcus to be a hunk, for him to apologize profusely, or for the Hartford Diamond to be stolen. Now Marcus may be the only one who can keep Larissa from going to jail for a crime she didn't commit. For Larissa and Marcus, this Christmas is anything but a Winter Wonderland.
