

Good Neighbors Movie Cast

Mick Martin, Marsha Porter

The Encyclopedia of Hollywood Film Actors Barry Monush, 2003-04-01 For decades, Screen World has been the film professional's, as well as the film buff's, favorite and indispensable annual screen resource, full of all the necessary statistics and facts. Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes, this book chronicles the careers of every significant film actor, from the earliest silent screen stars - Chaplin, Pickford, Fairbanks - to the mid-1960s, when the old studio and star systems came crashing down. Each listing includes: a brief biography, photos from the famed Screen World archives, with many rare shots; vital statistics; a comprehensive filmography; and an informed, entertaining assessment of each actor's contributions - good or bad! In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity and glory that was the lifeblood of its subjects. Contains over 1 000 photos!

A Comprehensive Encyclopedia of Film Noir John Grant, 2023-09-21 Featuring rumpled PIs, shyster lawyers, corrupt politicians, double-crossers, femmes fatales, and, of course, losers who find themselves down on their luck yet again, film noir is a perennially popular cinematic genre. This extensive encyclopedia describes movies from noir's earliest days - and even before, looking at some of noir's ancestors in US and European cinema - as well as noir's more recent offshoots, from neonoirs to erotic thrillers. Entries are arranged alphabetically, covering movies from all over the world - from every continent save Antarctica - with briefer details provided for several hundred additional movies within those entries. A copious appendix contains filmographies of prominent directors, actors, and writers. With coverage of blockbusters and program fillers from *Going Straight* (US 1916) to *Broken City* (US 2013) via *Nora Inu* (Japan 1949), *O Anthropos tou Trainou* (Greece 1958), *El Less Wal Kilab* (Egypt 1962), *Reportaje a la Muerte* (Peru 1993), *Zift* (Bulgaria 2008), and thousands more, *A Comprehensive Encyclopedia of Film Noir* is an engrossing and essential reference work that should be on the shelves of every cinephile.

Tom Mix Paul E. Mix, 1995 Tom Mix became a major star in the 1920s, earning over \$900,000 for his movie work in 1921. Fox refused, however, to renew his contract in 1927, and that, coupled with the stock market crash of 1929, left him virtually penniless. In 1932 Mix resumed his movie career, making *Destry Rides Again*, his first talkie. Later he became a circus owner

and star. This is the story of Mix's life and career; it includes a comprehensive filmography of his work.

The Moguls and the Dictators David Welky, 2008 This author's analytical approach will be appreciated by historians as well as film buffs. He examines Hollywood's response to the rise of fascism and the beginning of the Second World War. Welky traces the shifting motivations and arguments of the film industry, politicians, and the public as they negotiated how or whether the silver screen would portray certain wartime attributes.

Screen World Presents the Encyclopedia of Hollywood Film Actors: From the silent era to 1965 Barry Monush, 2003 (Applause Books). For decades, Screen World has been the film professional's, as well as the film buff's, favorite and indispensable annual screen resource, full of all the necessary statistics and facts. Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes, this book chronicles the careers of every significant film actor, from the earliest silent screen stars Chaplin, Pickford, Fairbanks to the mid-1960s, when the old studio and star systems came crashing down. Each listing includes: a brief biography, photos from the famed Screen World archives, with many rare shots; vital statistics; a comprehensive filmography; and an informed, entertaining assessment of each actor's contributions good or bad! In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity and glory that was the lifeblood of its subjects. Contains over 1,000 photos!

New York, 2007

Variety and Daily Variety Television Reviews, 1993-1994 Prouty, 1996-10 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors*. Miola's edited work also features a comprehensive critical history, coupled with a full bibliography and photographs of major productions of the play from around the world. In the collection, there are five previously unpublished essays. The topics covered in these new essays are women in the play, the play's debt to contemporary theater, its critical and performance histories in Germany and Japan, the metrical variety of the play, and the distinctly modern perspective on the play as containing dark and disturbing elements. To compliment these new essays, the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficulty accessible journals, newspapers, and other sources. This collection brings together these essays for the first time.

Sixties Shockers Mark Clark, Bryan Senn, 2025-01-31 This comprehensive filmography provides critical analyses and behind-the-scenes stories for 600 horror, science fiction and fantasy films from the 1960s. During those tumultuous years horror cinema flourished, proving as innovative and unpredictable as the decade itself. Representative titles include *Night of the Living Dead*, *The Haunting*, *Carnival of Souls*, *Repulsion*, *The Masque of the Red Death*, *Targets* and *The Conqueror*

Worm. An historical overview chronicles the explosive growth of horror films during this era, as well as the emergence of such dynamic directorial talents as Roman Polanski, George Romero, Francis Ford Coppola and Peter Bogdanovich.

New York Magazine ,1986-06-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
