**I Will Always Write Back** Martin Ganda,Caitlin Alifirenka,2015-04-14 The New York Times bestselling true story of an all-American girl and a boy from Zimbabwe and the letter that changed both of their lives forever. It started as an assignment... Everyone in Caitlin's class wrote to an unknown student somewhere in a distant place. Martin was lucky to even receive a pen-pal letter. There were only ten letters, and fifty kids in his class. But he was the top student, so he got the first one. That letter was the beginning of a correspondence that spanned six years and changed two lives. In this compelling dual memoir, Caitlin and Martin recount how they became best friends—and better people—through their long-distance exchange. Their story will inspire you to look beyond your own life and wonder about the world at large and your place in it.

*I Will Always Write Back* Caitlin Alifirenka,Martin Ganda,Liz Welch,2015 It started as an assignment. Everyone in Caitlin's class wrote to an unknown student somewhere in a distant place. All the other kids picked countries like France or Germany, but when Caitlin saw Zimbabwe written on the board, it sounded like the most exotic place she had ever heard of -- so she chose it. Martin was lucky to even receive a pen pal letter. There were only ten letters, and forty kids in his class. But he was the top student, so he got the first one. That letter was the beginning of a correspondence that spanned six years and changed two lives.

**Reading for Action** Ashley S. Boyd, Janine J. Darragh, 2019-06-05 This book illustrates how teachers can draw upon young adult literature to facilitate students' social action. Each chapter centers on one novel that represents a contemporary topic including police brutality, women's rights, ecojustice, and bullying. In each, authors provide pre-, during-, and after reading strategies for teaching that connect the social issues in the texts to students' lives and to the world around them. They then offer a multitude of avenues for student action, emphasizing the need to move readers from understanding and awareness to asserting their own agency and capacities to effect change in their local, national, and global communities. In addition to methods for scaffolding students' analysis of texts and topics, authors also offer a plethora of additional resources such as documentaries, canonical companions for study, connected music, and supplementary lesson plans.
