*Judo Formal Techniques* Donn F. Draeger, Tadao Otaki, 2019-06-21 *Judo Formal Techniques* is The most detailed explanation of Judo that has ever been published (The Japan Times). A comprehensive training manual to the basic free practice forms of Kodokan Judo (the Randori no Kata), the book provides essential instruction in the throwing and grappling kata (Nage no Kata and Katame no Kata) that every Judo practitioner needs to master. The authors are two of the world's top instructors--Donn F. Draeger and Tadao Otaki. Both were instructors at the Kodokan Judo Institute in Tokyo--the headquarters of international Judo, which was founded by the creator of the martial art, Jigoro Kano. Draeger, considered by many to be the first non-Japanese Budo master, was an authority on Asian martial culture who held high ranks and teaching licenses in several martial arts. He was a prolific writer and was the first non-Japanese Judo instructor at the Kodokan. Otaki was not only a successful Judo instructor but also a university professor who was widely praised for his research on the role of Judo in education. Draeger and Otaki based their text on Jigoro Kano's published and unpublished personal writings. Recapturing the original spirit and intent of the essential Judo kata, they are presented in the standard Kodokan versions as refined by generations of practitioners. Richly illustrated with over 1,000 photos and drawings, *Judo Formal Techniques* offers complete step-by-step instructions for the roles of both training partners. In addition to the core techniques of throwing and grappling, it explains the important transitional movements as well as grips, stances, and postures. First introduced as an Olympic sport at the 1964 Tokyo Olympics, Judo is returning to its home city on the world stage at the 2020 Olympics. Practiced by more than 20 million people worldwide, Judo is only expected to continue growing in popularity. A new foreword by Judo instructor Neil Ohlenkamp sheds light on the book's lasting importance as the classic Kata bible for Judo students and instructors alike and an indispensable resource for all martial arts practitioners.

*Judo for Everyone* Sid Kelly, 2019-08-21 JUDO FOR EVERYONE NOT JUST FOR THE ATHLETICALLY INCLINED Judo for Everyone addresses the following problems that have always existed in judo: PROBLEM - Beginners being abruptly placed in the sink or swim pool of standing randori. SOLUTION - To have a method that gradually introduces beginners to the competitive skills needed for standing randori. PROBLEM - Having only one type of standing randori which has a concrete boundary of contest at one end and an ill-defined, indistinct, boundary at the other end. SOLUTION - To have three types of standing randori whose boundaries are well defined and practical to work within. PROBLEM - Having only one type of contest that is too difficult and too physically demanding for many people. \*SOLUTION - To have three different types of contest with varying degrees of challenge. \*Catering to different levels of skill, interest, fitness and age. How exciting! It's so cool to see the finished product, I hope you are happy with it all. Thank you again for allowing me to be a test dummy. We have already started teaching everyone at our school your system and it's very interesting to see how people's randori changes because of it. Just the other day, I was doing randori with a Shodan and he went for Ippon Seoi Nage and I floated around without a second thought. It wasn't until he made a comment about it that I even thought a thing of it. Parker (One of the yellow belts in the YouTube films)
