Learning to Laugh Gary McGuire, The attitude of a person measures the altitude of his or her success and happiness. Success, and as a resultant happiness, is not determined by how much you earn or what is your status in society. It is determined by whether or not you achieve your chosen goals in life and how you view them. Each person's goals are different. Therefore it is essential for every individual to crystallize his or her vision in order to develop his/her own paradigm and path to success. And this book presents a practical guide to achieve success and happiness in life. Much of what is written is based on the author's own experiences and the philosophy which he has developed by active interaction with others as well as the study of the writings and experiences of great personalities across the world.

A Quest of Thrill Pratham Mittal & Rishav Banerjee, 2024-07-23 A Quest of Thrill is an international Anthology Compiled by Pratham Mittal & Rishav Banerjee from India. It's based on Life`s adventures. Adventure is the thrill of doing something out of the standard. Adventurous activities have its thrill and risks. Once we face fear, we are given a chance to beat them. Those who win over their fears, win over themselves. Adventure helps in eliminating this fear from our lives and makes us more willing to accept challenges. It makes us physically and mentally strong. Once we participate in any adventure activity,

it tells us tones about ourselves also. Activities like camping, hiking, paragliding make us feel one with nature. They also teach us the way to become self-reliant. It provides us with the chance to be ready to learn some skills we'd need if we ever face any emergency situation.

The Nuptials of Corbal Rafael Sabatini, 1927 Once again, as in *Scaramouche*, the 'prince of living story-tellers' takes the turbulent period of the French Revolution as the background for a new novel of thrilling adventure and glowing life. Half gentleman and half valet, half wolf and half fox, Citizen Chauvinière enters the prison to hear the list of the condemned read to the waiting nobles. Shrinking away from the jailers, Madame de Montsorbier and her daughter, Cléonie, hear the name of the mother read, but not that of the daughter, and learn that Cléonie has been saved by the infamous Citizen Chauvinière for a fate worse than the guillotine. Following his own designs, he takes her in disguise as his secretary to the provinces. But the fox is not clever enough to escape, and when in a battle of wits and pistols he is forced to confront the Vicomte de Corbigny, he is finally defeated, and the book ends to the rhythm of hoof beats and the chime of wedding bells. Here again Sabatini reveals his ability to make of time past something that has the vitality of the present. Never has his dexterity of plot, his deft workmanship and swiftly flowing style been shown to better advantage. -- dust jacket.
